chapters discussing the principle characteristics of relationships Seven further chapters focus on the processes involved in the dynamics of relationships and later chapters synthesize previous ones in discussions of love and friendship and the nature of relationship change The focus throughout the text is on current work and current controversy placed against a background of knowledge that has been built up in recent decades *Sex Surveyed, 1949-1994* Liz Stanley, 2014-10-13 First published in 1995 This book provides the only feminist overview of the development of both the mainstream and the feminist variant of the survey as a means of investigating sexual attitude and behaviour Illuminating reading for the general reader essential for students on Sexuality Methodology Women's Studies and British Modern Social History courses and key text for all Sociologists

Communication in Interpersonal Relationships Donald P. Cushman, Dudley D. Cahn, 1985-06-30 This book discusses communication principles processes and skills from four different perspectives by explaining four related propositions First human communication is guided by socially established rules the knowledge of which allows interacting persons to exert influence over the outcome of their interactions Second self concepts are formed and sustained in our interactions with others Third the formation of sustained interpersonal relations depends upon the attraction resulting from reciprocal self concept support And fourth organizations and the cultural system provide the parameters within which self concepts and interpersonal relations are formed The implications of these propositions are examined in chapters two through ten The authors develop their system in terms of results What patterns of communication what patterns of signal exchange increase the probability of the development of affective relationship What patterns erode interpersonal systems or prevent them from forming The book also examines patterns of communication within task oriented organizations and in situations involving cultural differences

Sexual Behavior in the Human Male Alfred C. Kinsey, Wardell B. Pomeroy, Clyde E. Martin, 2023-06-06 When first published in 1948 *Sexual Behavior in the Human Male* encountered a storm of condemnation and acclaim By unshackling sex research from flawed founding constraints Kinsey revolutionized it In this 75th anniversary edition featuring a new foreword from Judith A Allen *Sexual Behavior in the Human Male* revisits the work of Alfred C Kinsey and his fellow researchers as they sought to accumulate an objective body of facts regarding sex Originally an entomologist Kinsey applied his fieldwork taxonomy methods to human sexuality With 5 300 research subjects his undertaking was the largest sex research project of its time transforming the field With scientific exactness Kinsey describes the methodology sampling coding interviewing and statistical analyses and then examines factors and sources of sexual outlet Told through men's experiences of sexuality and reproduction *Sexual Behavior in the Human Male Anniversary Edition* is a remarkable rumination on American society and science in the early 20th century *Human Relationships in Shobhaa De's Novels* Jabeen R. Siddiqui, Vitthal V. Parab, Shobhaa De a passionate poignant and confident writer by means of her art disseminates the idea of disgusting back for the fundamental mental rights of females She achieved success with latest burning issues faced by her characters in relationships The book explores deeply Shobhaa De's fiction and raises the mask of crimeful

relations prevailing in high society of contemporary India She exposes the obscure secrets of the urban elite people and the changed picture of dilemmas to a few knows about it Through the means of literature she wanted to bring the awareness among the people and to stop the absurd circumstances ongoing in metros Although the modern life has been exhibited in the novels at the end she focuses on the Indian ethos As a feminist cum humanist she intimates the women to be self reliant independent through education and economic independence Characters in new avatars are presented This book discovers the secret behind linking of unmarried females to married males and the entrapping of young females by ineffectual males This epitome confers benefit to the youngsters to know about the side effects of premarital relationships It also exhorts the decaying of marital relationships and rise in remarriage Denying from motherhood is also viewed The reasons behind falling into extramarital affairs are outspoken New attitudes towards sex are adverted It discusses the reason of preferring homosexually by bestowing the knowledge of mental health and problems in the lives of upper class people Violence against women is also stated This book is a solution for each and every unsettled unsatisfactory relationship prevailing in contemporary society and also to the students researchers and readers to get right direction for their motives This contemplation exhibits that people live longer if they are in satisfying relationships It is an honest and sincere attempt by the authors to convey Shobhaa De's significant thoughts to the readers
