Profit Motive Charles Sauer, 2018-03-13 Most businesses are driven to maximize profit but what does this drive really mean in action In Profit Motive What Drives the Things We Do economist Charles Sauer makes the case that identifying your own and others Profit Motives provides the foundation for running a successful business being an effective leader a good consumer and getting what you really want out of life In this highly praised new treatise on economic behavior Sauer examines how businesses make decisions in pricing and employment and how the search for long term profit can mean adopting practices that may seem contrary to fundamental capitalist principles But the Profit Motive analysis goes well beyond the realm of finance and corporate decision making to explain how gaining a profit or a benefit is the motivating force behind an endless array of choices made by everyone from large organizations to individuals and their families and everything in between

What Makes Churches Grow? Jackson Bob, 2015-07-02 Explores a variety of growing churches to identify what is making the difference between them and churches which are static or declining In addition to numerical growth it asks how we measure spiritual growth and identifies the signs of spiritual vitality laying a practical and theological foundation for continued growth into the future

Budgeting for a Healthy Church Jamie Dunlop, 2019-04-02 Many pastors conceive of the church budget as primarily a financial tool but in fact it is primarily a pastoral tool A church's philosophy of ministry is locked into its budget and so the budget will either stifle or accelerate any attempts to move a congregation toward a biblical model of church health As such the church budget is a far more potent pastoral tool than many church leaders realize Budgeting for a Healthy Church examines each section of the budget in light of Biblical principles to show how a church budget can lock in healthy approaches to ministry Whereas most books on church budgeting are how books explaining how the budgeting process should work this is a what book helping church leaders determine the pastoral implications of what they choose to fund in their budgets
