Making Sense of the New Testament (Three Crucial Questions) Craig L. Blomberg, 2004-03-01 The New Testament is the foundation of the Christian church but some question its historical accuracy Others have claimed that Paul's teaching differs from that of the Gospels How can we reconcile the seemingly different messages of Jesus and Paul What is the relevance of the New Testament in our world today in cultures far removed by time and space from the first century Mediterranean world What principles can we use to make appropriate applications In Making Sense of the New Testament Craig Blomberg offers a reasonable well informed response to these crucial questions encountered by Bible readers Grounded in sound scholarship but written in an accessible style this book offers reliable guidance to pastors students and anyone interested in a better understanding of the New Testament

Troublemakers in the Church Mark Atteberry, 2022-01-01 Most people would agree that the church is an amazing concept the idea that people who share faith in Christ can worship and serve together and enjoy sweet fellowship that has love forgiveness and mutual support as its hallmarks But the reality is often quite different When people who are part of the church behave in ways that are thoughtless selfish and even vicious then that shining ideal dims drastically and people get wounded sometimes never to recover Suddenly the one place in the community that should symbolize hope and light becomes a house of horror Why does this happen The easy answer is to point an accusing finger at Satan but what about our own culpability **Troublemakers in the Church** Dealing with the Difficult the Dangerous and the Deadly identifies twenty five types of troublesome church members and offers insights on how to deal with them while also offering a specific plan for how to build a church culture that manages and minimizes trouble **Truth**

in Balance Carmen DiCello, 2009-06-02 The gospel of Jesus provides hope for humanity access to God purpose for human existence and empowerment for daily living These and other benefits are revealed by God but they also require a human messenger It is thus the responsibility of believers to share the truth via life and word In the real world however there are many obstacles to faith which is why it is essential to explain defend and show forth the truth thus the need for apologetics However not all agree on how best to approach apologetics and numerous suggestions have been put forth This is why as Carmen DiCello reminds us it is imperative that we think through what it means to be able to give an answer for the hope

that is in us Truth in Balance addresses issues that encourage an apologetic that remains faithful to Scripture while illuminating the beauty and wonder of the Christian gospel in today's culture *Isms* Gregory Bergman,2006-05-30 If you love words you'll love iSMs There are words and then there are ISMs More than just expressions with a wacky suffix ISMs are the eccentric geniuses of the English language From esoteric philosophies and arcane religions to avant garde artistic movements and kinky sexual practices ISMs describe our highest forms of human thought and endeavor and our very lowest In this engaging and enlightening book you'll explore more than 200 of the most interesting mysterious and obscure ISMs discovering the true meaning of these intriguing words as well as the often bizarre etymologies mythologies and the common and not so common usage behind them With ISMs as your guide you'll be the most sophisticated wordsmith since Yogi Berra

Robert L. Deffinbaugh,2002 There are certain books of the Bible that just seem to stand out and the Gospel of John is surely one such book It is frequently the first book of the Bible we encourage non Christians to read in the hope that its message will lead them to faith in Christ After all that is the purpose of the book See John 20:31 For Christians the Gospel of John is a source of much truth about our Lord and the Gospel But it is much more than that It is an opportunity for us to follow Him as we read and to identify with the disciples as their knowledge of Him continues to expand It is our opportunity to get to know the heart of the Savior and to fellowship with Him through His Word If men of old found their hearts set on fire as they listened to Him teach in person Luke 24:32 so we will find our hearts warmed as we seek to listen to Him through this Gospel I challenge you to join me in making the Gospel of John the subject of your study May God use it to help you see and serve Jesus Christ as the Lamb of God who takes away the sin of the world John 1:29 **Dangerous Blessing** Carmen

DiCello,2005-06-21 Postmodernism has been both heralded and hated accepted and denounced But which is the proper response Is it an impetus to spiritual revival or an invitation to sinister deception Carmen C DiCello points out that Christians must examine everything carefully hold fast to that which is good 1 Thessalonians 5:21 while remaining alert to potential hazards Steering clear of extremes this book offers an approach to postmodernism in which believers can justly resist its darker elements while embracing its more noble ones Postmodernism is best seen as a Dangerous Blessing **Making Disciples Across Cultures** Charles A.
