Newman,2009-12-01 Worship as praise of an all powerful deity has traditionally been

associated with the passive side of life If worship as praise is indeed passive it could be that such worship has the effect on people of taking power away Worship as praise would be at best irrelevant and at worst a hindrance in an age that is as perhaps never before preoccupied with the active exercise of power The central issue of this book is the question Can worship be both praise and empowerment By examining Christian worship in these terms the author seeks to make a strong affirmation of the importance of worship for the movements of liberation that are seeking to exercise power responsibly in our time In this respect Worship as Praise and Empowerment can be described as a major work of liberation theology in the North American setting Why worship What are some of the contemporary obstacles to worship What really transpires in the act of worship These are just some of the important questions addressed in this insightful book of liturgical theology The Spruce Valley Miracle Andrew Dequasie,1999-10-18 Our civilization is indeed fortunate that Dr Visionaire has been the first to solve the problem of turning back the clock on the aging process Fortunate because the brilliant Dr Visionaire is a highly ethical man He knows that his discovery can have disastrous consequences a sudden population explosion as death becomes rare economic chaos as pension plans go bankrupt entrenchment of immortal dictators frozen opportunities for young people facing an immovable establishment The doctor decides to expose the world to proof of his discovery in a small way without revealing the secret He knows that someone else will eventually discover the secret and perhaps have no compunction about releasing it but hopes to give the world time to prepare for the consequences before it becomes an unleashed reality He takes a job as resident physician in the Spruce Valley rest home for elderly people As the residents begin to regain their youth he pretends to be mystified and encourages the rumor that the spring supplying water to the facility might be a second Lourdes Then he leads the owner of the rest home and the owner s wife into a plot to confirm the Lourdes hoax As the good doctor puts it it s necessary to give God the credit and the blame The doctor has chosen his fellow conspirators well They have a grand time establishing the hoax which sometimes succeeds all too well As the fame of the Spruce Valley Miracle spreads and the facility is doubled the first of Doctor Visionaire s predictions comes true the Government wants a piece of the action in order to give certain VIPs preferred status Government money doubles the facility again bringing a host of new characters and overwhelming paperwork The local Government agent Jane Ormond becomes the doctor s soul mate Then the second of Doctor Visionaire s predictions comes true the bad guy appears A renegade CIA man worms his way into Spruce Valley to search out the real source **Through the Eye to the Heart** W. F. Crafts,2025-08-18 Reprint of the original first published in 1873 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *The Complete Idiot's Guide to Crafts With Kids* Georgene Lockwood,1988-06-01 Hundreds of budget friendly projects include edible homemade goodies holiday decorations toys musical instruments and gifts made from wood metal glass leather clay and found objects **The Works of Saint Augustine: v. 1.
