Eyewitness Island (1997)

# Eyewitness Island

**Oscar Webber**

## **Eyewitness Island:**

**Fire Mountains of the Islands** R. Wally Johnson, 2013-12-18 Volcanic eruptions have killed thousands of people and damaged homes villages infrastructure subsistence gardens and hunting and fishing grounds in Papua New Guinea and the Solomon Islands The central business district of a town was destroyed by a volcanic eruption in the case of Rabaul in 1994 Volcanic disasters litter not only the recent written history of both countries particularly Papua New Guinea but are recorded in traditional stories as well Furthermore evidence for disastrous volcanic eruptions many times greater than any witnessed in historical times is to be found in the geological record Volcanic risk is greater today than at any time previously because of larger mainly sedentary populations on or near volcanoes in both countries An attempt is made in this book to review what is known about past volcanic eruptions and disasters with a view to determining how best volcanic risk can be reduced today in this tectonically complex and volcanically threatening region

**A Place Called Nunavut** Karin Irma Margot van Dam, Kim van Dam, 2008 In 1999 Nunavut Territory was created in the Canadian Arctic The area is about 50 times as large as the Netherlands and is inhabited by a population of 30 000 85% of the population is Inuit the indigenous people in this area The central questions in this research project are what place or regional identities are being ascribed to Nunavut by different groups of people from within and from outside the region and how do these identities work In the process of the formation of the region the territorial Government of Nunavut is an important actor in producing a regional identity that is based on the cultural identity of the Inuit the Inuit Homeland This official regional identity creates a symbolic unity that is important in linking people to the region and through which the land the history and the people are united in a new territorial membership However there is no reason to assume that there is only one regional identity for Nunavut Different individuals or groups of people from within and from outside the region such as the people who live in one of the 25 communities and those who work for the multinational mining corporations or as tourist operators are also involved in the production and reproduction of identities for Nunavut They represent Nunavut for example as a place to live a resource region a wilderness or as a sustainable place Nunavut Government also links these alternative identities to the area because as a government they are not only interested in protecting Inuit culture but also aim to modernize the economy in order to enhance prosperity and well being As such the place identities are hybrid and identities that before were produced only by external actors are now also being produced by internal actors and vice versa

Negotiating relief and freedom Oscar Webber, 2023-09-12 Negotiating relief and freedom is an investigation of short and long term responses to disaster in the British Caribbean colonies during the long nineteenth century It explores how colonial environmental degradation made their inhabitants both more vulnerable to and expanded the impact of natural phenomena such as hurricanes earthquakes and volcanic eruptions It shows that British approaches to disaster relief prioritised colonial control and fiscal prudence ahead of the relief of the relief of suffering In turn that this pattern played out continuously in the long nineteenth century is a reminder that in the

Caribbean the transition from slavery to waged labour was not a clean one Times of crisis brought racial and social tensions to the fore and freedoms once granted were often quickly curtailed [Hidden in the Ruins: Uncovering the Truth on Saipan](#) Pasquale De Marco,2025-04-30 Hidden in the Ruins Uncovering the Truth on Saipan delves into the enduring mystery surrounding the disappearance of legendary aviator Amelia Earhart offering a fresh perspective based on meticulous research and new evidence Drawing on interviews with key figures and a comprehensive analysis of historical records the book sheds light on the events leading up to Earhart s final flight examining the condition of the Electra aircraft when it was discovered on Saipan and the eyewitness testimony of soldiers who claim to have seen Earhart and her navigator Fred Noonan on the island The book also investigates the potential role of the Japanese military in Earhart s disappearance examining Japanese records and interviewing survivors who may have had contact with her By piecing together these fragments of evidence the book offers a compelling account of Earhart s most likely fate challenging long held assumptions and providing new insights into this enduring enigma Beyond the investigation the book explores the enduring legacy of Amelia Earhart examining her impact on aviation and popular culture Her story continues to inspire generations of aviators and adventurers and her disappearance remains a reminder of the risks and challenges involved in pushing the boundaries of human flight Hidden in the Ruins Uncovering the Truth on Saipan is not simply a retelling of the Earhart story it is a groundbreaking work that presents new evidence challenges old theories and offers a fresh perspective on one of aviation s greatest mysteries Join us on this extraordinary journey as we uncover the truth behind the legend of Amelia Earhart If you like this book write a review on google books **DK Eyewitness Books: Natural Disasters** ,2006-03-20 Spectacular detailed full color photographs and illustrations Part of the most trusted nonfiction series among teachers librarians andparents 72 page format includes 8 bonus pages full of amazing facts about natural disasters Witness the amazing power of hurricanes tsunamis and other natural disasters with this all new addition to the Eyewitness series *New York Magazine* ,1981-03-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Philippine Islands, 1493-1803** Emma Helen Blair,James Alexander Robertson,1905 *Islands of Abandonment* Cal Flynn,2022-06-14 A beautiful lyrical exploration of the places where nature is flourishing in our absence Flynn captures the dread sadness and wonder of beholding the results of humanity s destructive impulse and she arrives at a new appreciation of life all the stranger and more valuable for its resilience The New Yorker Some of the only truly feral cattle in the world wander a long abandoned island off the northernmost tip of Scotland A variety of wildlife not seen in many lifetimes has rebounded on the irradiated grounds of Chernobyl A lush forest supports thousands of species that are extinct or endangered

everywhere else on earth in the Korean peninsula's narrow DMZ Cal Flynn an investigative journalist exceptional nature writer and promising new literary voice visits the eeriest and most desolate places on Earth that due to war disaster disease or economic decay have been abandoned by humans What she finds every time is an island of teeming new life nature has rushed in to fill the void faster and more thoroughly than even the most hopeful projections of scientists Islands of Abandonment is a tour through these new ecosystems in all their glory as sites of unexpected environmental significance where the natural world has reasserted its wild power and promise And while it doesn't let us off the hook for addressing environmental degradation and climate change it is a case that hope is far from lost and it is ultimately a story of redemption the most polluted spots on Earth can be rehabilitated through ecological processes and in fact they already are **The World on Fire** Murat Halstead, 1902 **Al Capone Does My Shirts** Jennifer Choldenko, 2004-01-01 A funny spirited and uplifting historical novel by the author of the firm favourite Notes From and Liar and Her Dog Vodou Nation Michael Largey, 2006-05 While the Haitian musical tradition is probably best known for the Vodou inspired roots music that helped topple the two generation Duvalier dictatorship the nation's troubled history of civil unrest and its tangled relationship with the United States is more intensely experienced through its art music which combines French and German elements of classical music with Haiti's indigenous folk music Vodou Nation examines art music by Haitian and African American composers who were inspired by Haiti's history as a nation created by slave revolt Around the time of the United States's occupation of Haiti in 1915 African American composers began to incorporate Vodou inspired musical idioms to showcase black artistry and protest white oppression Together with Haitian musicians these composers helped create what Michael Largey calls the Vodou Nation an ideal vision of Haiti that championed its African based culture as a bulwark against America's imperialism Highlighting the contributions of many Haitian and African American composers who wrote music that brought rhythms and melodies of the Vodou ceremony to local and international audiences Vodou Nation sheds light on a black cosmopolitan musical tradition that was deeply rooted in Haitian culture and politics **Initials and Pseudonyms** William Cushing, 1885 **The Canadian Magazine**, 1895 Attempts of Pro-Castro Forces to Pervert the American Press United States. Congress. Senate. Committee on the Judiciary, 1963 **Legendary Islands of the Atlantic** William Henry Babcock, 1922 *Weekly World News*, 1997-12-02 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site *The Japan Chronicle*, 1917 **Census of the Philippine Islands, Taken Under the Direction of the Philippine Commission in the Year 1903** United States. Bureau of the Census, 1905 *A Short History of the Netherlands Antilles and Surinam* Cornelis C. Goslinga, 2012-12-06 To English speaking historians the author of this book a Dutchman who for many years now finds his base at the University of Florida became well known when his *The Dutch in the Caribbean and on the Wild Coast 1581-1680* was published in 1972 At that time

Professor Goslinga who prior to his academic career in the United States lived for an extended period in Cura ao Netherlands Antilles had already acquired a solid reputation among Dutch Caribbeanists by his manifold publications on social political and maritime aspects of Dutch West Indian history By his training interests and present position Dr Goslinga would seem to me to be singularly well equipped to write a comprehensive history geared to an English speaking university public of what was once known as the Netherlands West Indies The present book is the product of this professional equipment and of his long teaching experience It should go a long way in filling the old and wide gap in historical information on this part of the former Dutch empire and I hope an equally wide but younger audience will appreciate it
