F R Leavis A Life In Criticism:

- **F.R. Leavis** Ian Mackillop,1997 He chronicles Leavis s famous public disagreement with C P Snow in the Two Cultures Debate discusses the genesis and publication of Leavis s books and looks at the development of both the influential magazine Scrutiny and the School of English Studies at Downing College MacKillop paints an unforgettable picture of English village life as he chronicles this world of high tea cloistered walks and bitter rivalries in great detail **F.R. Leavis** Ian Duncan MacKillop,1997 Traces the life of the influential teacher and critic and describes the personal events that shaped his outlook
- **F. R. Leavis** Steven Cranfield, 2015-11-09 This is a critical introduction to the educational thought of F R Leavis 1895 1978 the greatest English literary critic of the twentieth century providing the first in depth examination of Leavis s ideas in relation to contemporary mass higher education During the course of a long prolific and controversial academic career which saw him take issue with figures such as Wittgenstein T S Eliot and C P Snow Leavis became one of the most articulate advocates for the idea of the university as a centre of consciousness and human responsibility in the face of what he saw as the relentless technological drive of civilisation With the journal Scrutiny which he co founded as well as his critical writings Leavis became a decisive influence on generations of teachers in Britain and overseas Widely misrepresented as narrowly elitist his ideas about the creative university with their radical student centred approach to teaching constitute a powerful resource for a higher education system grappling with the contradictory demands of continuity and change Based on original research the study provides an overview of Leavis's life work and heritage and his educational world view and a comprehensive exploration of Leavis s pedagogy from theoretical and practical perspectives It also includes a first hand Literary Theory and Criticism Patricia Waugh, 2006 This account by the author of being taught by Leavis in person volume offers a comprehensive account of modern literary criticism presenting the field as part of an ongoing historical and intellectual tradition Featuring thirty nine specially commissioned chapters from an international team of esteemed contributors it fills a large gap in the market by combining the accessibility of single authored selections with a wide range of critical perspectives The volume is divided into four parts Part One covers the key philosophical and aesthetic origins of literary theory while Part Two discusses the foundational movements and thinkers in the first half of the twentieth century Part Three offers introductory overviews of the most important movements and thinkers in modern literary theory and Part Four looks at emergent trends and future directions **The New Criticism** Alfred J. Drake, 2014-07-03 This volume covers a variety of authors and topics related to the New Criticism school of the 1920s 1950s in America Contributors trace the history of the New Criticism as a movement consider theoretical and practical aspects of various proponents and assess the record of subsequent engagement with its tenets The volume will prove valuable for its renewed concentration not only on the New Critics themselves but also on the way they and their work have been contextualized criticized and valorized by theorists and educators during and after their period of greatest influence both in the United States and abroad

Richards & His Critics V10 John Constable, 2014-04-23 This is Volume 10 of a collection of ten of the selected works of I A This volume presents a selection of contemporary criticism discussing those of Richards works published between 1919 and The Cambridge History of Literary Criticism: Volume 7, Modernism and the New Criticism George 1938 Alexander Kennedy, 1989 The history of the most hotly debated areas of literary theory including structuralism and The Oxford Encyclopedia of British Literature David Scott Kastan, 2006-03-03 From folk ballads to film scripts this new five volume encyclopedia covers the entire history of British literature from the seventh century to the present focusing on the writers and the major texts of what are now the United Kingdom and the Republic of Ireland In five hundred substantial essays written by major scholars the Encyclopedia of British Literature includes biographies of nearly four hundred individual authors and a hundred topical essays with detailed analyses of particular themes movements genres and institutions whose impact upon the writing or the reading of literature was significant An ideal companion to The Oxford Encyclopedia of American Literature this set will prove invaluable for students scholars and general readers For more information including a complete table of contents and list of contributors please visit www oup com us ebl **Nostalgic Imagination** Stefan Collini, 2019 This unusual book explores the historical assumptions at work in the style of literary criticism that came to dominate English studies in the twentieth century Stefan Collini shows how the work of critics renowned for their close attention to the words on the page was in practice bound up with claims about the nature and direction of historical change the interpretation of the national past and the scholarship of earlier historians Among the major figures examined in detail are T S Eliot F R Leavis William Empson and Raymond Williams while there are also original discussions of such figures as Basil Willey L C Knights Q D Leavis and Richard Hoggart The Nostalgic Imagination argues that in the period between Eliot's The Sacred Wood and Williams's The Long Revolution the writings of such critics came to occupy the cultural space left by academic history's retreat into specialized archive bound monographs Their work challenged the assumptions of the Whig interpretation of English history and entailed a revision of the traditional relations between literary history and general history Combining close textual analysis with wide ranging intellectual history this volume both revises the standard story of the history of literary criticism and illuminates a central feature of the cultural history of twentieth century Britain The Critic as Amateur Saikat Majumdar, Aarthi Vadde, 2019-09-19 Can the criticism of literature and culture ever be completely professionalized Does criticism retain an amateur impulse even after it evolves into a highly specialized discipline enshrined in the university The Critic as Amateur brings leading and emerging scholars together to explore the role of amateurism in literary studies While untrained reading has always been central to arenas beyond the academy book clubs libraries used bookstores its role in the making of professional criticism is often disavowed or dismissed This volume the first on the critic as amateur restores the links between expertise autodidactic learning and hobbyist pleasure by weaving literary criticism in and out of the university Our contributors take criticism to the airwaves

through the culture of early cinema the small press the undergraduate classroom and extracurricular writing groups Canonical critics are considered alongside feminist publishers and queer intellectuals The Critic as Amateur is a vital book for readers invested in the disciplinary history of literary studies and the public role of the humanities It is also a crucial resource for anyone interested in how literary criticism becomes a richly diverse yet shared discourse in the 20th and 21st Growing Up Communist and Jewish in Bondi Volume 2 John Docker, 2020-10-15 Elsie Levy was born in the Jewish East End of London came to Sydney with her family when she was 14 and joined the Communist Party of Australia when she was a young woman In this book her son explores her disaporic Jewish identity both English and Australian and in the process journeys into Jewish cultural histories We meet important cultural figures such as Leonard Woolf Freud Schnitzler Veza Canetti and Ida Rubinstein This journey leads also to English anti Semitism including shockingly Bloomsbury In turning to Communism and marrying out Elsie Levy became one of history s undutiful daughters Readings in Medieval Textuality Cristina Maria Cervone, D.
