Polillo,2019-06-23 I always knew Howard Hughes was Bob Hope in makeup I knew who Bob Hope was since the 70s I began gathering facts and proofs to prove beyond reasonable doubt that I knew what I was talking about I wrote this book because I was tired of telling my theory to just one or two people at a time Howard Hughes was Bob Hope in makeup and he told you so in his TV skits in his movies and in his books The life of Bob Hope was a cover story bought and paid for by the United States government an alleged life Howard Rupert Hughes Jr was Sonny billionaire industrialist oilman movie producer screenwriter director photographer and inventor of satellites lasers ships planes jets and rockets Hope himself stated that he had a group of writers and he was the one with two 2 heads And most of all he was a character actor in his own movies from his own studios I have in my possession a magazine ad with Hope lying in bed and the header above his picture read Two of the most famous names in America sleep together My theory is Howard Hughes disappeared went underground and reappeared in makeup as Bob Hope in an alleged life wearing a mask Howard Hughes was talking behind his Bob Hope face Here s a quote

from Hope I do my best impersonations right in front of the people and they don't get it. They don't listen. Hope stated my names would go down in history. Another quote from Hope stated: "My sixty years with NBC proves Lincoln was wrong. You can fool all the people all the time." He did. **Clydesdale Stud Book** Clydesdale Horse Society of the United Kingdom of Great Britain and Ireland, 1892
