Lesley Murray, Susana Cortés-Morales

Emil And The Detectives A Story For Children:

Emil and the Detectives Erich Kästner, 2007 **Emil and the Detectives, A Story for Children. Translated by May Masee; Illustrated by Walter Trier** Erich Kästner, 1930 Mystery in Children's Literature Adrienne E. Gavin, Christopher Routledge, 2001-02-20 The first book to assess critically mystery in children's literature this collection charts a development from religious mystery through rationally solved detective fictions to insoluble supernatural and horror mysteries Written by internationally recognised scholars in the field these thirteen original essays offer challenging and innovative readings of both classic and popular mysteries for children This volume will be essential and stimulating reading for anyone with an interest in children's literature or in mystery fiction Britten's Children John Bridcut, 2011-04-21 *Britten's Children* confronts the edgy subject of the composer's obsessional yet strangely innocent relationships with adolescent boys One of the hallmarks of Benjamin Britten's music is his use of boys' voices and John Bridcut uses this to create a fresh prism through which to view the composer's life Interweaving discussion of the music he wrote for and about children with interviews with the boys whom Britten befriended Bridcut explores the influence of these unique friendships notably with the late David Hemmings and how they helped Britten maintain links with his own happy childhood In a remarkable part of the book Bridcut tells for the first time the full story of Britten's love affair in the 1930s with the 18 year old German Wulff Scherchen son of the conductor Hermann Scherchen As Paul Hoggart of *The Times* commented this type of love belonged to an emotional landscape that has vanished for ever and we are the poorer for it Since making the film the author has extended his research to include friendships Britten had with children which have not previously been documented The documentary *Britten's Children* won the Royal Philharmonic Society's 2005 Award for Creative Communication this serious and beautiful film explored one aspect of a composer's life in great depth Avoiding the temptation of sensationalism *Britten's Children* was imaginatively researched and both touching and revelatory

Children's Mobilities Lesley Murray, Susana Cortés-Morales, 2019-05-04 This book offers a critical and comprehensive analysis of children's mobilities by focusing on its interdependent imagined and relational aspects In doing so it challenges existing literature which in mobilities studies tends to overlook the mobilities of marginalised social groups in social science more generally tends to immobilize children's studies and in children's mobility studies has mainly focused on the independent and corporeal travel of children The book situates children's mobilities in wider contexts offering an interdisciplinary and critical perspective throughout and drawing on scholarship at the confluence of childhood and mobilities and a range of research to offer new insights that inform the field of mobilities and studies of childhood In this way the book aims at widening the perspective on children's mobility towards the inclusion of diverse age groups and of the manifold forms of mobilities that are part of children's lives from an interdependent and relational point of view **The Boy Detective in Early British Children's Literature** Lucy Andrew, 2017-10-19 This book maps the development of the boy

detective in British children's literature from the mid nineteenth to the early twentieth century. It explores how this liminal figure, a boy operating within a man's world, addresses adult anxieties about boyhood and the boy's transition to manhood. It investigates the literary, social and ideological significance of a vast array of popular detective narratives appearing in penny dreadfuls and story papers which were aimed primarily at working class boys. This study charts the relationship between developments in the representation of the fictional boy detective and changing expectations of and attitudes towards real life British boys during a period where the boy's role in the future of the Empire was a key concern. It emphasises the value of the early fictional boy detective as an ideological tool to condition boy readers to fulfil adult desires and expectations of what boyhood and in the future proper manhood should entail. It will be of particular importance to scholars working in the fields of children's literature, crime fiction and popular culture. *Comparative Children's Literature* Emer O'Sullivan, 2005-03-05

Emer O'Sullivan traces the history of children's literature studies from the enthusiastic internationalism of the post war period which set out from the idea of a world republic of childhood to modern comparative criticism. [Everything I Need To Know I Learned From A Children's Book](#) Anita Silvey, 2009-10-13

What children's book changed the way you see the world. Anita Silvey asked this question to more than one hundred of our most respected and admired leaders in society and she learned about the books that shaped financiers, actors, singers, athletes, activists, artists, comic book creators, novelists, illustrators, teachers. The lessons they recall are inspiring, instructive and illuminating. And the books they remember resonate as influential reading choices for families. **EVERYTHING I NEED TO KNOW I LEARNED FROM A CHILDREN'S BOOK** with its full color excerpts of beloved children's books is a treasury and a guide, a collection of fascinating essays and THE gift book of the year for families. *The Child and the Book* Nicholas Tucker, 1990-09-13

This study considers the appeal of popular children's books from both a psychological and a literary viewpoint. It covers a range of reading matter including picture books, fairy stories, myths and legends, comics and books for teenagers and adolescents. **Emil and the Detectives** Erich Kästner, 2001

A small boy has his money stolen while on his way to Berlin but tracks down the thief with the help of some friends. **German Film. Volume 6: 1950-1959** Deutsche Kinemathek - Museum für Film und Fernsehen, 2024-10-23

This book is part of a twelve volume series documenting the history of German film from its beginnings in 1895 to the present day using the collection holdings of the Deutsche Kinemathek. Each volume in ePUB format focuses on a decade and offers a concise overview of the cinematic masterpieces and milestones of that era, highlights famous films and films to be rediscovered and pays tribute to the cinema, its audience and the creative minds behind the diversity of German film. The complete work, which comprises over 2,700 objects from all areas of the collection and spans 130 years, is also available as a printed book and as a PDF in German and English. The DEUTSCHE KINEMATHEK is one of the world's leading institutions for the collection, preservation and presentation of audio-visual heritage. Hundreds of thousands of objects are permanently preserved in its archives and are available for research into film and television history. In addition to scripts, photos, posters,

costumes and designs the collection also includes film equipment The Kinemathek curates film series and exhibitions and restores and digitizes films Its diverse activities including installations publications educational formats and conferences encourage visitors to discover the world of moving images

The Children's Film Noel Brown, 2017-05-16 Films for children and young people are a constant in the history of cinema from its beginnings to the present day This book serves as a comprehensive introduction to the children's film examining its recurrent themes and ideologies and common narrative and stylistic principles Opening with a thorough consideration of how the genre may be defined this volume goes on to explore how children's cinema has developed across its broad historical and geographic span with particular reference to films from the United States Britain France Denmark Russia India and China Analyzing changes and continuities in how children's film has been conceived it argues for a fundamental distinction between commercial productions intended primarily to entertain and non commercial films made under pedagogical principles and produced for purposes of moral and behavioral instruction In elaborating these different forms this book outlines a history of children's cinema from the early days of commercial cinema to the present explores key critical issues and provides case studies of major children's films from around the world

The Oxford Companion to Children's Literature Daniel Hahn, Michael Morpurgo, 2015 The last thirty years have witnessed one of the most fertile periods in the history of children's books A fascinating reference guide to the world of children's literature this volume covers every genre from fairy tales to chapbooks school stories to science fiction comics to children's hymns

International Companion Encyclopedia of Children's Literature Peter Hunt, 2004-08-02 Children's publishing is a huge international industry and there is ever growing interest from researchers and students in the genre as cultural object of study and tool for education and socialization

British Children's Fiction in the Second World War Owen Dudley Edwards, 2007-08-01 What children read in the Second World War had an immense effect on how they came of age as they faced the new world This time was unique for British children parental controls were often relaxed if not absent and the radio and reading assumed greater significance for most children than they had in the more structured past or were to do in the more crowded future Owen Dudley Edwards discusses reading children's radio comics films and book related play activity in relation to value systems the child's perspective versus the adult's perspective the development of sophistication retention and loss of pre war attitudes and their post war fate British literature is placed in a wider context through a consideration of what British writing reached the USA and vice versa and also through an exploration of wartime Europe as it was shown to British children Questions of leadership authority individualism community conformity urban rural division ageism class race and gender awareness are explored In this incredibly broad ranging book covering over 100 writers Owen Dudley Edwards looks at the literary inheritance when the war broke out and asks whether children's literary diet was altered in the war temporarily or permanently Concerned with the effects of the war as a whole on what children could read during the war and what they made of it he reveals the implications of this for the world they would come to

inhabit **Crime Fiction in German** Katharina Hall, 2016-03-03 Crime Fiction in German is the first volume in English to offer a comprehensive overview of German language crime fiction from its origins in the early nineteenth century to its vibrant growth in the new millennium As well as introducing readers to crime fiction from Germany Austria Switzerland and the former East Germany the volume expands the notion of a German crime writing tradition by investigating Nazi crime fiction Jewish German crime fiction Turkish German crime fiction and the Afrika Krimi Significant trends including the West German social crime novel women s crime writing regional crime fiction historical crime fiction and the Fernsehkrimi television crime drama are also explored highlighting the genre s distinctive features in German language contexts This volume includes a map of German speaking Europe a chronology of key crime publishing milestones primary texts and trends as well as an annotated bibliography of print and online resources in English and German **OLR Index** ,1928

Children's Literature and New York City Padraic Whyte, Keith O'Sullivan, 2014-01-10 This collection explores the significance of New York City in children s literature stressing literary political and societal influences on writing for young people from the twentieth century to the present day Contextualized in light of contemporary critical and cultural theory the chapters examine the varying ways in which children s literature has engaged with New York City as a city space both in terms of urban realism and as an idea such as the fantasy of the city as a place of opportunity or other associations The collection visits not only dominant themes motifs and tropes but also the different narrative methods employed to tell readers about the history function physical structure and conceptualization of New York City acknowledging the shared or symbiotic relationship between literature and the city just as literature can give imaginative reality to the city the city has the potential to shape the literary text This book critically engages with most of the major forms and genres for children young adults that dialogue with New York City and considers such authors as Margaret Wise Brown Felice Holman E L Konigsburg Maurice Sendak J D Salinger John Donovan Shaun Tan Elizabeth Enright and Patti Smith **The Role of Translators in Children's Literature** Gillian Lathey, 2010-09-13 This book offers a historical analysis of key classical translated works for children such as writings by Hans Christian Andersen and Grimms tales Translations dominate the earliest history of texts written for children in English and stories translated from other languages have continued to shape its course to the present day Lathey traces the role of the translator and the impact of translations on the history of English language children s literature from the ninth century onwards Discussions of popular texts in each era reveal fluctuations in the reception of translated children s texts as well as instances of cultural mediation by translators and editors Abridgement adaptation and alteration by translators have often been viewed in a negative light yet a closer examination of historical translators prefaces reveals a far more varied picture than that of faceless conduits or wilful censors From William Caxton s dedication of his translated History of Jason to young Prince Edward in 1477 to thentent he may begynne to lerne read Englissh to Edgar Taylor s justification of the first translation into English of Grimms tales as a means of promoting children s imaginations in an age of

reason translators have recorded in prefaces and other writings their didactic religious aesthetic financial and even political purposes for translating children's texts

Transcending Boundaries Sandra L. Beckett, 2013-10-11 *Transcending Boundaries: Writing for a Dual Audience of Children and Adults* is a collection of essays on twentieth century authors who cross the borders between adult and children's literature and appeal to both audiences. This collection of fourteen essays by scholars from eight countries constitutes the first book devoted to the art of crosswriting the child and adult in twentieth century international literature. Sandra Beckett explores the multifaceted nature of crossover literature and the diverse ways in which writers cross the borders to address a dual readership of children and adults. It considers classics such as *Alice's Adventures in Wonderland* and *Pinocchio* with particular emphasis on post World War II literature. The essays in *Transcending Boundaries* clearly suggest that crossover literature is a major widespread trend that appears to be sharply on the rise.

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Emil And The Detectives A Story For Children eBooks, including some popular titles.

FAQs About Emil And The Detectives A Story For Children Books

What is a Emil And The Detectives A Story For Children PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Emil And The Detectives A Story For Children PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Emil And The Detectives A Story For Children PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Emil And The Detectives A Story For Children PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Emil And The Detectives A Story For Children PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
