**Ian Pickup**

## **Emil Loriks Builder Of A New Economic Order:**

**Emil Loriks** Elizabeth E. Williams,1987      **Down and Out on the Family Farm** Michael Johnston Grant,2002-01-01  
Focusing on the Great Plains states of Kansas Nebraska North Dakota and South Dakota between 1929 and 1945 Down and Out on the Family Farm examines small family farmers and the Rural Rehabilitation Program designed to help them  
Historian Michael Johnston Grant reveals the tension between economic forces that favored large scale agriculture and political pressure that championed family farms and the results of that clash The Great Depression and the drought of the 1930s lay bare the long term economic instability of the rural Plains The New Deal introduced the Rural Rehabilitation Program to assist lower to middle income farmers throughout the country This program combined low interest loans with managerial advice However these efforts were not enough to compete with the growing scale of agriculture or to counter the recurring drought of the era Regional conservatism environmental factors and fiscal constraints limited the federal aid offered to thousands of families Grant provides extensive primary source research from government documents as well as letters newspaper editorials and case studies that focus on individual lives and fortunes He examines who these families were and what their farms looked like and he sheds light on the health problems and other personal concerns that interfered with the economic viability of many farms The result is a provocative study that gives a human face to the hardships and triumphs of modern agriculture

**South Dakota's Cowboy Governor Tom Berry: Leadership During the Depression** Paul S. Higbee,2017 As South Dakotans endured the Great Depression and developing Dust Bowl in 1932 they elected a cowboy as their governor Tom Berry rode in the great iconic 1902 cattle roundup ordered by President Theodore Roosevelt He established the successful Double X ranch next to the Badlands Big voiced and tireless Berry commanded the attention of all including President Franklin Roosevelt who broke protocol and called him Tom or Cowboy in White House meetings Berry faced bitter political rivalries and weather that threatened to blow South Dakotans off their land but he is remembered for his humorous wit throughout Author Paul S Higbee traces the history of South Dakota and its iconic governor

**Nuclear Country** Catherine McNicol Stock,2020-09-18 Militarization and nuclearization were the historical developments most essential to the creation of the rural New Right Both North Dakota and South Dakota have long been among the most reliably Republican states in the nation in the past century voters have only chosen two Democrats Franklin Roosevelt and Lyndon B Johnson and in 2016 both states preferred Donald Trump by over thirty points Yet in the decades before World War II the people of the Northern Plains were not universally politically conservative Instead many Dakotans including Republicans supported experiments in agrarian democracy that incorporated ideas from populism and progressivism to socialism and communism and fought against bigness in all its forms including bonanza farms out of state railroads corporations banks corrupt political parties and distant federal bureaucracies but also surprisingly the culture of militarism and the expansion of American military power abroad In Nuclear Country Catherine McNicol Stock explores the question of why between 1968

and 1992 most voters in the Dakotas abandoned their distinctive ideological heritage and came to embrace the conservatism of the New Right Stock focuses on how this transformation coincided with the coming of the military and national security states to the countryside via the placement of military bases and nuclear missile silos on the Northern Plains This militarization influenced regional political culture by reinforcing or re contextualizing long standing local ideas and practices particularly when the people of the plains found that they shared culturally conservative values with the military After adopting the first two planks of the New Right national defense and conservative social ideas Dakotans endorsed the third plank of New Right ideology fiscal conservatism Ultimately Stock contends that militarization and nuclearization were the historical developments most essential to the creation of the rural New Right throughout the United States and that their impact can best be seen in this often overlooked region s history

**South Dakota's Cowboy Governor Tom Berry** Paul S. Higbee, 2017-07-10 As South Dakotans endured the Great Depression and developing Dust Bowl in 1932 they elected a cowboy as their governor Tom Berry rode in the great iconic 1902 cattle roundup ordered by President Theodore Roosevelt He established the successful Double X ranch next to the Badlands Big voiced and tireless Berry commanded the attention of all including President Franklin Roosevelt who broke protocol and called him Tom or Cowboy in White House meetings Berry faced bitter political rivalries and weather that threatened to blow South Dakotans off their land but he is remembered for his humorous wit throughout Author Paul S Higbee traces the history of South Dakota and its iconic governor

[The Rise of a Prairie Statesman](#) Thomas J. Knock, 2016-03-01 The first major biography of the 1972 U S presidential candidate and unsung champion of American liberalism The Rise of a Prairie Statesman is the first volume of a major biography of the 1972 Democratic presidential candidate who became America s most eloquent and prescient critic of the Vietnam War In this masterful book Thomas Knock traces George McGovern s life from his rustic boyhood in a South Dakota prairie town during the Depression to his rise to the pinnacle of politics at the 1968 Democratic National Convention in Chicago where police and antiwar demonstrators clashed in the city s streets Drawing extensively on McGovern s private papers and scores of in depth interviews Knock shows how McGovern s importance to the Democratic Party and American liberalism extended far beyond his 1972 presidential campaign and how the story of postwar American politics is about more than just the rise of the New Right He vividly describes McGovern s harrowing missions over Nazi Germany as a B 24 bomber pilot and reveals how McGovern s combat experiences motivated him to earn a PhD in history and stoked his ambition to run for Congress When President Kennedy appointed him director of Food for Peace in 1961 McGovern engineered a vast expansion of the program s school lunch initiative that soon was feeding tens of millions of hungry children around the world As a senator he delivered his courageous and unrelenting critique of Lyndon Johnson s escalation in Vietnam a conflict that brought their party to disaster and caused a new generation of Democrats to turn to McGovern for leadership A stunning achievement The Rise of a Prairie Statesman ends in 1968 in the wake of the assassinations of Martin Luther King and Robert Kennedy when the Draft

McGovern movement thrust him into the national spotlight and the contest for the presidential nomination culminating in his triumphal reelection to the Senate and his emergence as one of the most likely prospects for the Democratic nomination in 1972

**The Plains Political Tradition** Jon Lauck, John E. Miller, Donald C. Simmons (Jr.), 2011 First impressions of the political landscape in South Dakota tend towards an assumption of hard line conservatism and yet such a conclusion barely scratches the surface of what constitutes political tradition in the Mount Rushmore State Editors Jon K Lauck John E Miller and Donald C Simmons Jr have drawn together twelve essays on disparate topics in order to consider the state's underlying political culture Each essay addresses an aspect of history politics or art subtly exposing the contradictory nature of South Dakotans and elucidating the many elements that comprise the larger political tradition Scholars from around the country consider topics such as war and peace literature environmentalism the American Indian Movement left wing and liberal politics immigration and defeat With each essay the discussion builds upon itself allowing the reader to develop a fuller sense of where South Dakota fits into the growing study of political culture in modern society
