The Nature of the Psyche Jane Roberts,2011-07-08 Seth speaking exclusively through Jane Roberts reveals a startling new concept of self answering questions about the secret language of love human sexuality the real origins and incredible powers of dreams and how we choose our physical death sometimes years in advance For the first time Seth explains Why love is the basic language from which all others spring The bisexual nature of humanity and its biological and spiritual importance The true basis of homosexuality and lesbianism along with their private and social effects The benefits of recalling our dreams and consciously participating in them How dreams can prevent chronic illnesses by providing important therapeutic information Simple exercises you can do to expand your awareness of the deeper portions of your psyche and stretch your abilities to their fullest potential The psyche is a gestalt of aware energy in which your own identity resides inviolate yet ever changing as you fulfill your potentials You are your psyche s living expression its human manifestation Yet you allow yourselves often to become blind to brilliant aspects of your own existence Jane Roberts

Speaking for Seth **Thieves of Innocence** John Ankerberg,John Weldon,2012-06-20 This provocative expose documents the occult New Age influence that has invaded the public school system and what parents and educators can do about it Chronicles the people and philosophies that have set the course for current educational trends This book shows how our children are being turned away from traditional values They are taught to make decisions with the help of inappropriate or occult practices such as hypnosis or visualization meditation yoga altered states of consciousness imaginary friends or inner guides **Dreams, Evolution, and Value Fulfillment, Volume Two** Jane Roberts,2011-07-08 The Seth books present an alternate map of reality with a new diagram of the psyche useful to all explorers of consciousness Deepak Chopra M D author of The Seven Spiritual Laws of Success From the Bestselling Author of Seth Speaks and The Nature of Personal Reality In the first volume of Dreams Evolution and Value Fulfillment Seth presented an in depth picture of the origin of all life from the

inner dream world to the vast display of material creation Here in Volume Two Seth continues his explanation of the physical world as an ongoing self creation a direct and intentional outgrowth of the wisdom of the life forms that inhabit it including humanity He expands upon his vision of a thoroughly animate universe where virtually every possibility not only exists but is constantly encouraged to achieve its highest potential In his typical awe inspiring manner Seth sheds light on many controversial and complex subjects including The ways in which our religions have stifled the human spirit Surprising insight into life s meaning and purpose The genetic basis of faith hope and charity The pursuit of pleasure as a fundamental human need How each species keeps millions of characteristics within its genetic bank for various contingencies Dreams are mental work and play combined psychic and emotionally rich creative dramas They also involve you in the most productive of enterprises as you begin to play with versions of events that are being considered for physical actualization Jane Roberts Speaking for Seth The Individual and the Nature of Mass Events Jane Roberts,2011-07-08 From the Bestselling Author of Seth Speaks Speaking exclusively through Jane Roberts Seth has repeatedly stressed the concept that we create our own reality according to our individual beliefs But how do our realities merge and combine to form mass reactions such as the overthrow of governments the birth of a new religion wars epidemics earthquakes and new periods of art architecture and technology In this pioneering work Seth explores the connection between personal beliefs and world events He pinpoints the unconscious and often negative beliefs pervading science and religion medicine and mythology and offers thought provoking reflections on Darwinism Freudianism religions cults and medical beliefs With fascinating and inspiring implications Seth asserts that the personal impulses we are often taught to see as dangerous chaotic or contradictory are instead crucial to the best interests of the species and the natural world for they lead us to live not only as loving caretakers but as partners with other species Only people who trust their spontaneous impulses can be consciously wise enough to choose from a myriad of probable futures the most promising events Jane Roberts Speaking for Seth *Mystic Apprentice 5: Psychic Skills LPE* Ken Ludden,2012-02-15 This volume of the Mystic Apprentice series gives the complete and detailed history of psychic phenomena It includes an explanation of all historic references of the occult in relation to world leaders from Alexander the Great to King Saul to Ronald Reagan all the way to Princess Diana **Dreams, Evolution, and Value Fulfillment, Vol 1** Jane Roberts,2011-07-08 From the Bestselling Author of Seth Speaks and The Nature of Personal Reality In this first volume of Dreams Evolution and Value Fulfillment Seth takes us on an odyssey to identify the origins of our universe and our species He asserts that consciousness units form the basis of all energy and matter and charts a conscious self aware universe that is constantly recreated by our own thoughts dreams and desires Illuminating the part that humans play in the greater scheme of things he suggests that we are alive not only for the continuation of the species but to add to the very quality of life itself Other fascinating topics include The role dreams play in the creation of language and technology The relationship between genetic heritage and reincarnation How creativity provides a link with the source of all existence The true power of the

imagination and the importance of broadening its scope A discussion of value fulfillment or the yearning to enhance the quality of life as a fundamental desire in all life forms Stimulating and provocative this long awaited book answers crucial questions about the entire significance of Seth s system of thought When I speak of the dream world I am not referring to some imaginary realm but to the kind of world of ideas of thoughts of mental actions out of which all form as you think of it emerges In actuality this is an inner universe rather than an inner world Your physical reality is but one materialization of that inner organization Jane Roberts Speaking for Seth      **New Age Metaphysics** Paula J. Tyler, Fran Stagg, 1987 An introduction for Young Adults Is humankind on the brink of a major breakthrough in evolution An introduction into the consciousness awareness of all people A helpful understanding of Metaphysics for both the young and old alike This book also contains additional recommended reading books list many of which are available at your local library
