

The Empress Theodora

Partner of Justinian

James Allan Evans

Empress Theodora Partner Of Justinian The

Clemens Wendtner

Empress Theodora Partner Of Justinian The:

The Empress Theodora James Allan Evans, 2003-10-01 Even by modern standards the Empress Theodora 548 had a remarkable rise to power Born into the lowest class of Byzantine society she worked as an actress in burlesque theater Yet she attracted the love of the future emperor Justinian who to the astonishment of proper society made her not only his wife but also his partner in government Justinian's respect for and trust in Theodora gave her power in her own right unmatched by almost any other Roman or Byzantine empress In this book James Allan Evans provides a scholarly yet highly accessible account of the life and times of the Empress Theodora He follows her from her childhood as a Hippodrome bearkeeper's daughter to her imperial roles as Justinian's most trusted counselor and as an effective and powerful advocate for the downtrodden In particular he focuses on the ways in which Theodora worked to improve the lives of women He also explores the pivotal role Theodora played in the great religious controversy of her time involving a breach between sects in the Christian church

Theodora Paolo Cesaretti, 2022-09-01 An Italian historian's prize winning biography of the sixth century Byzantine empress Theodora of Byzantium rose from humble beginnings to become one of the most powerful women of the ancient world As the wife of Emperor Justinian she was more than a mere figurehead acting as Justinian's partner in both politics and life Though she was ruthlessly criticized by her contemporaries historian and biographer Paolo Cesaretti shows her to be an ambitious woman and brilliant ruler whose cunning saved the empire time and again She defied the conventions of her time and triumphed over those who sought to defame and destroy her This meticulously researched and richly detailed biography won Italy's prestigious Ginzano Cavour Prize [Justinian and the Making of the Syrian Orthodox Church](#)

Volker-Lorenz Menze, 2008-07-10 This study historicizes the formation of the Syrian Orthodox Church Menze shows that the sixth century separation of the Syrian Orthodox Christians from Western Christianity took place because of divergent political and ecclesiastical interests of bishops and emperors Roman emperors proved to be unable to hold the papacy in the West the later Greek Orthodox and the Syrian Christians in the East together in one belief The result was religious violence discrimination and persecution of the Syrian Christians which forced them to establish an independent church [Ancient Law, Ancient Society](#)

Dennis P. Kehoe, Thomas McGinn, 2017-08-15 The essays composing *Ancient Law Ancient Society* examine the law in classical antiquity both as a product of the society in which it developed and as one of the most important forces shaping that society Contributors to this volume consider the law via innovative methodological approaches and theoretical perspectives in particular those drawn from the new institutional economics and the intersection of law and economics Essays cover topics such as using collective sanctions to enforce legal norms the Greek elite's marriage strategies for amassing financial resources essential for a public career defenses against murder charges under Athenian criminal law particularly in cases where the victim put his own life in peril the interplay between Roman law and provincial institutions in regulating water rights the Severan age Greek author Aelian's notions of justice and their influence on late classical Roman

jurisprudence Roman jurists approach to the contract of mandate in balancing the changing needs of society against respect for upper class concepts of duty and reciprocity whether the Roman legal authorities developed the law exclusively to serve the Roman elite's interests or to meet the needs of the Roman Empire's broader population as well and an analysis of the Senatus Consultum Claudianum in the Code of Justinian demonstrating how the late Roman government adapted classical law to address marriage between free women and men classified as coloni bound to their land In addition to volume editors Dennis P Kehoe and Thomas A J McGinn contributors include Adriaan Lanni Michael Leese David Phillips Cynthia Bannon Lauren Caldwell Charles Pazdernik and Clifford Ando

Parade of Faith Ruth A. Tucker, Ruth Tucker, 2011 Through this lively narrative of church history readers will discover that the story of Christianity is an exhilarating adventure Tucker's engaging writing style informative historical overview and selection of colorful characters are sure to attract and fascinate students and lay learners alike

Prostitutes and Matrons in the Roman World Anise K. Strong, 2016-07-12 From streetwalkers in the Roman Forum to imperial concubines Roman prostitutes defined what it meant to be a bad girl *The Oxford Handbook Sport and Spectacle in the Ancient World* Alison Futrell, Thomas F. Scanlon, 2021-09-09 Sport and spectacle in the ancient world has become a vital area of broad new exploration over the last few decades This Handbook brings together the latest research on Greek and Roman manifestations of these pastimes to explore current approaches and open exciting new avenues of inquiry It discusses historical perspectives contest forms contest related texts civic and social aspects and use and meaning of the individual body Greek and Roman topics are interwoven to simulate contest like tensions and complementarities juxtaposing for example violence in Greek athletics and Roman gladiatorial events Greek and Roman chariot events architectural frameworks for contests and games in the two cultures and contrasting views of religion bodily regimens and judicial classification related to both cultures It examines the social contexts of games namely the evolution of sport and spectacle across cultural and political boundaries and how games are adapted to multiple contexts and multiple purposes reinforcing social hierarchies performing shared values and playing out deep cultural tensions The volume also considers other directing forces in the ancient Mediterranean such as Bronze Age Egypt and the Near East Etruria and early Christianity It addresses important themes common to both antiquity and modern society such as issues of class gender and health as well as the popular culture of the modern Olympics and gladiators in cinema With innovative perspectives from authoritative scholars on a wide range of topics this Handbook will appeal to both students and researchers interested in ancient history literature sports and games

Historical Dictionary of Byzantium John H. Rosser, 2012 The Byzantine Empire dates back to Constantine the Great the first Christian ruler of the Roman Empire who in 330 AD moved the imperial capital from Rome to a port city in modern day Turkey which he then renamed Constantinople in his honor From its founding the Byzantine Empire was a major anchor of east west trade and culture art architecture and the economy all prospered in the newly Christian empire As Byzantium moved into the middle and late period Greek became the official language of both church and state and the Empire's cultural and religious influence extended well beyond its boundaries In the mid 15th century the Ottoman Turks put an end to 1 100 years of Byzantine history by capturing Constantinople but the Empire's legacy in art culture and religion endured long after its fall In this revised and updated second edition of the Historical Dictionary of Byzantium author John H Rosser introduces both the general reader and the researcher to the history of the Byzantine Empire This comprehensive dictionary includes detailed alphabetical entries on key figures ideas places and themes related to Byzantine art history and religion and the second edition contains numerous additional entries on broad topics such as transportation and gender which were less prominent in the previous edition An expanded introduction introduces the reader to Byzantium and a guide to further sources and suggested readings can be found in the extensive bibliography that follows the entries A basic

chronology and various maps and illustrations are also included in the dictionary This book is an excellent access point for students researchers and anyone wanting to know more about Byzantium **The Secret History** Prokopios,2010-03-15 By exposing the perversion repression corruption and injustice at the heart of Justinian s regime Prokopios The Secret History destroyed forever that emperor s reputation as the great and benevolent ruler of a vast Byzantine state Faithfully rendered here in blunt and idiomatic English Prokopios tell all is as shocking today as it was in the sixth century Kaldellis substantial Introduction addresses among other topics the historical background to The Secret History Prokopios literary style and major themes and the relationships between Prokopios Justinian and Empress Theodora Maps genealogies a glossary and a selection of related texts including excerpts from Prokopios Wars and Buildings and several contemporary documents enhance and support the reading of this scandalous and suspenseful book

Middle East Conflicts from Ancient Egypt to the 21st Century Spencer C. Tucker,2019-08-27 With more than 1 100 cross referenced entries covering every aspect of conflict in the Middle East this definitive scholarly reference provides readers with a substantial foundation for understanding contemporary history in the most volatile region in the world This authoritative and comprehensive encyclopedia covers all the key wars insurgencies and battles that have occurred in the Middle East roughly between 3100 BCE and the early decades of the twenty first century It also discusses the evolution of military technology and the development and transformation of military tactics and strategy from the ancient world to the present In addition to the hundreds of entries on major conflicts military engagements and diplomatic developments the book also features entries on key military political and religious leaders Essays on the major empires and nations of the region are included as are overview essays on the major periods under consideration The book additionally covers such non military subjects as diplomacy national and international politics religion and sectarian conflict cultural phenomena genocide international peacekeeping missions social movements and the rise to prominence of international terrorism The reference entries are augmented by a carefully curated documents volume that offers primary sources on such diverse topics as the Greco Persian Wars the Crusades and the Arab Israeli Wars

Procopius of Caesarea Anthony Kaldellis,2012-01-21 Justinian governed the Roman empire for more than thirty eight years and the events of his reign were recorded by Procopius of Caesarea secretary of the general Belisarius Yet significantly Procopius composed a history a panegyric as well as a satire of his own times Anthony Kaldellis here offers a new interpretation of these writings of Procopius situating him as a major source for the sixth century and one of the great historians of antiquity and Byzantium Breaking from the scholarly tradition that views classicism as an affected imitation that distorted history Kaldellis argues that Procopius was a careful student of the classics who displayed remarkable literary skill in adapting his models to the purposes of his own narratives Classicism was a matter of structure and meaning not just vocabulary Through allusions Procopius revealed truths that could not be spoken openly through anecdotes he exposed the broad themes that governed the history of his age Elucidating the political thought of

Procopius in light of classical historiography and political theory Kaldellis argues that he owed little to Christianity finding instead that he rejected the belief in providence and asserted the supremacy of chance By deliberately alluding to Plato's discussions of tyranny Procopius developed an artful strategy of intertextuality that enabled him to comment on contemporary individuals and events Kaldellis also uncovers links between Procopius and the philosophical dissidents of the reign of Justinian This dimension of his writing implies that his work is worthy of esteem not only for the accuracy of its reporting but also for its cultural polemic political dissidence and philosophical sophistication Procopius of Caesarea has wide implications for the way we should read ancient historians Its conclusions also suggest that the world of Justinian was far from monolithically Christian Major writers of that time believed that classical texts were still the best guides for understanding history even in the rapidly changing world of late antiquity

Orientalism and the Reception of Powerful Women from the Ancient World Filippo Carlà-Uhink, Anja Wieber, 2020-02-06 Why is Cleopatra a descendent of Alexander the Great a Ptolemy from a Greek Macedonian family in popular imagination an Oriental woman True she assumed some aspects of pharaonic imagery in order to rule Egypt but her Orientalism mostly derives from ancient Roman and modern stereotypes both the Orient and the idea of a woman in power are signs in the Western tradition of otherness and in this sense they can easily overlap and interchange This volume investigates how ancient women and particularly powerful women such as queens and empresses have been reimagined in Western and not only Western arts highlights how this reimagination and revisualization is more often than not the product of Orientalist stereotypes even when dealing with women who had nothing to do with Eastern regions and compares these images with examples of Eastern gaze on the same women Through the chapters in this volume readers will discover the similarities and differences in the ways in which women in power were and still are described and decried by their opponents

Breast Cancer Fred Harding, 2006 An updated edition of a prior work entitled *Breast Cancer Prevention and Cure* this text includes new chapters that with several hundred references show conclusively what causes the disease and how to prevent it

True or False Cindy L. Otis, 2020-07-28 If I could pick one book to hand to every teen and adult on earth this is the one True or False is accessible thorough and searingly honest and we desperately needed it Becky Albertalli author of *Simon vs the Homo Sapiens Agenda* A former CIA analyst unveils the true history of fake news and gives readers tips on how to avoid falling victim to it in this highly designed informative YA nonfiction title Fake news is a term you've probably heard a lot in the last few years but it's not a new phenomenon From the ancient Egyptians to the French Revolution to Jack the Ripper and the founding fathers fake news has been around as long as human civilization But that doesn't mean that we should just give up on the idea of finding the truth In True or False former CIA analyst Cindy Otis will take readers through the history and impact of misinformation over the centuries sharing stories from the past and insights that readers today can gain from them Then she shares lessons learned in over a decade working for the CIA including actionable tips on how to spot fake news how to make sense of the

information we receive each day and perhaps most importantly how to understand and see past our own information biases so that we can think critically about important issues and put events happening around us into context True or False includes a wealth of photo illustrations informative inserts and sidebars containing interesting facts and trivia sure to engage readers in critical thinking and analysis This title has common core connections

How Do We Look: The Body, the Divine, and the Question of Civilization Mary Beard, 2018-09-04 From prehistoric Mexico to modern Istanbul Mary Beard looks beyond the familiar canon of Western imagery to explore the history of art religion and humanity Conceived as a gorgeously illustrated accompaniment to How Do We Look and The Eye of Faith the famed Civilisations shows on PBS renowned classicist Mary Beard has created this elegant volume on how we have looked at art Focusing in Part I on the Olmec heads of early Mesoamerica the colossal statues of the pharaoh Amenhotep III and the nudes of classical Greece Beard explores the power hierarchy and gender politics of the art of the ancient world and explains how it came to define the so called civilized world In Part II Beard chronicles some of the most breathtaking religious imagery ever made whether at Angkor Wat Ravenna Venice or in the art of Jewish and Islamic calligraphers to show how all religions ancient and modern have faced irreconcilable problems in trying to picture the divine With this classic volume Beard redefines the Western and male centric legacies of Ernst Gombrich and Kenneth Clark

Rethinking Gender in Orthodox Christianity Ashley Purpura, Thomas Arentzen, Susan Ashbrook Harvey, 2023-11-09 What is the role of gender in Eastern Christianity In this volume Orthodox experts of different disciplines and cultural backgrounds tackle this complex question They engage critically with gender issues within their own tradition Rather than simply accepting pervasive assumptions and practices the authors challenge readers to reconsider historically or theologically justified views by offering nuanced insights into the

tradition The first part of the book explores normative positions in Orthodox texts and contexts From examinations of Scripture and hagiography to re evaluations of monastic patriarchal and legal sources it sheds new light on gender issues in Orthodox Christianity The second part considers how gendered expectations shape individuals participation in Orthodox liturgical life and how ecclesial contexts inflect gender theologically The chapters reflect diverse Orthodox voices brought together to foster new understandings of the ways gender shapes Orthodox religious lives and beliefs Rethinking what has been inherited from tradition the authors proffer new perspectives on what it means to be a man or woman within Orthodoxy in the twenty first century
