The Empty Throne Janice Elliott, 1988-01-01 Nicholas Love's Mirror and Late Medieval Devotio-Literary Culture

David J. Falls, 2016-03-31 Surviving in 59 complete manuscript versions few English texts of the late medieval period seem to have achieved the popularity of Nicholas Love's fifteenth century translation and adaptation of the Latin *Meditationes Vitae Christi* The Mirror of the Blessed Life of Jesus Christ The Mirror has received surprisingly little scholarly attention and is often contextualized in terms of its role in the theological conflict between English ecclesiastical orthodoxy and the teachings of heresiarch John Wycliff David Falls presents a new account of the text's history which de-centrals but does not disregard the influence of the Wycliffite controversy Falls interrogates preconceptions and investigates new possibilities for understanding the composition circulation function and use of Love's Mirror by examining both the textual modifications and additions made by Love in his adaptation of the Latin and places these alterations in context by examining individual copies of the Mirror The manuscript copies are read as both sites of literary consumption and nexuses of textual transition demonstrating that it was Love's ability to inscribe his work with functional diversity which explains the Mirror's popularity This book presents a nuanced picture not only of the Mirror's production circulation and function but also the dynamic and flourishing devotio literary culture of late medieval England in which Love's text operated Asian and Pacific Islander

Americans in Congress, 1900-2017 Albin Kowalewski, 2017

The Kingdom and the Glory Giorgio Agamben, Matteo

Mandarini, 2011-09-13 The renowned philosopher expounds on the ideas he introduced in *Homo Sacer* with this analysis of the theological foundations of political power In the early centuries of the Church in order to reconcile monotheism with God's threefold nature the doctrine of Trinity was introduced in the guise of an economy of divine life It was as if the Trinity amounted to nothing more than a problem of managing and governing the heavenly house and the world In *The Kingdom and the Glory* Agamben shows that this theological economic paradigm unexpectedly lies at the origin of many of the most important categories of modern politics Its influence ranges from the democratic theory of the division of powers to the strategic doctrine of collateral damage and from the invisible hand of Smith's liberalism to ideas of order and security Agamben also demonstrates that modern power is not only government but also glory and that the ceremonial liturgical and acclamatory aspects that we have regarded as vestiges of the past actually constitute the basis of Western power Through a fascinating analysis of liturgical acclamations and ceremonial symbols of power the throne the crown purple cloth the Fasces and more Agamben develops an original genealogy that illuminates the startling function of consent and of the media in modern democracies The Varieties of Atheism David Newheiser, 2022-12-09 Thoughtful essays to revive dialogue about atheism beyond belief *The Varieties of Atheism* reveals the diverse nonreligious experiences obscured by the combative intellectualism of Sam Harris Richard Dawkins and Christopher Hitchens In fact contributors contend that narrowly defining atheism as the belief that there is no god misunderstands religious and nonreligious persons altogether The essays show that

just as religion exceeds doctrine atheism also encompasses every dimension of human life from imagination and feeling to community and ethics Contributors offer new expansive perspectives on atheism s diverse history and possible futures By recovering lines of affinity and tension between particular atheists and particular religious traditions this book paves the way for fruitful conversation between religious and non religious people in our secular age **God?** Edward O'Toole,2006-02 The most satanic screenplay ever written Heretical Dark Fantasy Horror based on the Gnostic text Origin of the World It will definitely change the way you look at both the world and God ISBN 1411678125 Europe Anti-Power Michael Loriaux,2016-06-10 The EU seeks to define a role for itself in power politics while remaining firm in its rejection of power politics In order to make power compatible with the European project EU debate has appended a number of progressive adjectives to the word power adjectives like civilian and normative among others This book asks what is power such that it can be modified tamed and modulated by adjectives yet remain powerful Loriaux passes EU debate on power through the mill of phenomenological and post phenomenological analysis juxtaposing it against writings by Machiavelli Agamben Thucydides Nietzsche Patocka and Levinas The book locates power in power play the theatrical staged representation of threat that generates aesthetic effect and undecidability Power play endows the word power with perlocutionary force which the adjectives of EU qualified power actually enhance rather than moderate Loriaux argues that EU discourse on power therefore risks inviting EU exceptionalism or risks lapsing into an expression of EU resentment rather than advancing a new progressive understanding of power If European Union is to remain steadfast in its opposition to power politics it must represent itself as anti power This book will be of interest to those who work in the area of EU foreign policy as well as to those who have a more general theoretical interest in the concept of power *Little Prayer Book, 1522, and A Simple Way to Pray, 1535* Mary Jane Haemig,Eric Lund,2017-07-17 This volume provides two of Martin Luther s most significant writings on prayer In Little Prayer Book 1522 Luther seeks to reform the theology and practice of prayer in clear and understandable language for all people by encouraging simple direct prayer to God who promises to hear the one who prays Luther focuses on the Ten Commandments Apostles Creed and Lord s Prayer giving his treatment of prayer a catechetical feel that would later provide the structure of his catechisms In A Simple Way to Pray 1535 Luther offers his barber and all other readers insights into his own prayer life He organizes his comments around the seven petitions of the prayer Jesus taught to his disciples He also uses the Ten Commandments and the Apostles Creed as resources for prayer He sets out to kindle a fire in the heart and increase the reader s eagerness for prayer This volume is excerpted from The Annotated Luther series volume 4 Pastoral Writings Each volume and selection in the series contains new introductions extensive annotations illustrations and notes to help shed light on Luther s context and to interpret his writings for today Cultures of Eschatology Veronika Wieser,Vincent Eltschinger,Johann Heiss,2020-07-20 In all religions in the medieval West as in the East ideas about the past the present and the future were shaped by expectations related to the End The volumes Cultures of Eschatology explore the

many ways apocalyptic thought and visions of the end intersected with the development of pre modern religio political communities with social changes and with the emergence of new intellectual and literary traditions The two volumes present a wide variety of case studies from the early Christian communities of Antiquity through the times of the Islamic invasion and the Crusades and up to modern receptions from the Latin West to the Byzantine Empire from South Yemen to the Hidden Lands of Tibetan Buddhism Examining apocalypticism messianism and eschatology in medieval Christian Islamic Hindu and Buddhist communities the contributions paint a multi faceted picture of End Time scenarios and provide their readers with a broad array of source material from different historical contexts The first volume Empires and Scriptural Authorities examines the formation of literary and visual apocalyptic traditions and the role they played as vehicles for defining a community s religious and political enemies The second volume Time Death and Afterlife focuses on key topics of eschatology death judgment afterlife and the perception of time and its end It also analyses modern readings and interpretations of eschatological concepts

Mysticism in the Gospel of John Jey Kanagaraj, 1998-04-01 This is the first detailed study of Johannine mysticism against a Palestinian Jewish background has been previously undertaken This book investigates whether there was a mystical practice in first century Palestine and whether John can be better understood in the light of such practice if there was any In analysis two strands of Jewish mysticism the early forms of Ma'aseh Merkabah and of Ma'aseh Bereshit emerge as existing in first century Palestine While the former narrates by means of Ezek 1 the experience of seeing God in His kingly glory the latter describes the same experience by using Gen 1 This book consists of three parts Part one analyses Hellenistic mysticism as expressed by the Hermetica and Hellenistic Jewish mysticism as presented by Philo Part two traces the important elements of Merkabah mysticism from the later Hekhalot literature and the Jewish and Christian writings belonging to 2 cent BCE 1 cent CE by defining the term mysticism in terms of the fourteen aspects of Jewish mysticism an exegetical study of seven themes is undertaken in Part Three The study shows that the conceptual parallels in John with Hellenistic mysticism and Hellenistic Jewish mysticism are very slender but indicates John s polemical motive against the Merkabah mystics of his time He calls them to believe in Jesus as the Christ the Son of God by proclaiming that the divine glory claimed by them to be revealed in human like form on the throne is now visible in the historical person Jesus particularly in his death on the Cross Thus Jewish Throne mysticism seems to have been reinterpreted by John as Cross mysticism

Staging Sovereignty Arthur Bradley, 2024-11-26 To become sovereign one must be seen as sovereign In other words a sovereign must appear philosophically politically and aesthetically on the stage of power both to themselves and to others in order to assume authority In this sense sovereignty is a theatrical phenomenon from the very beginning This book explores the relationship between theater and sovereignty in modern political theory philosophy and performance Arthur Bradley considers the theatricality of power its forms dramas and iconography and examines sovereignty s modes of appearance thrones insignia regalia ritual ceremony spectacle marvels fictions and phantasmagoria He weaves together

Revealed: Brides of the Kindred book 5 Evangeline Anderson ,2012-02-24 Nadiah is bound to her home planet and a male she doesn't love by an unbreakable blood bond a bond only a Kindred warrior can break Rast is just an ordinary human with no chance of setting her free or is he The truth is about to be Revealed Nadiah has the Sight the ability to see into the future But the one thing she can't see is how she's ever going to be free of the blood bond her parents forced her into when she was only six Her fiancé is an evil bastard who delights in torturing her and her only way out of a loveless marriage is for a Kindred warrior to challenge the hated bond But Nadiah has no warrior to challenge for her she just has Rast Adam Rast doesn't know why he feels so protective and possessive of Nadiah only that he's willing to kill or die to protect her When the chance to set her free arises he takes it without hesitation even though his lack of Kindred blood could mean his defeat or even his death But Rast has a secret one even he doesn't know he possesses When he undertakes Nadiah's quest the truth comes out in a strange and provocative way Can Nadiah and Rast live through their ordeal Will the truth about Rast set them free or kill them You'll have to read *Revealed* to find out

From the Magdala Stone to the Syriac Bema Rina Talgam,Dina Avshalom Gorni,Arfan Najar,2024-11-04 This book sheds light on the reciprocal relations between liturgical performance and the physical spaces in which they took place in synagogues and churches in antiquity The kernel of the manuscript revolves around a decorated stone that was found during the excavations of a synagogue dated to the first century CE at Magdala on the shore of the Sea of Galilee The book displays how this important archaeological discovery radically transforms our understanding of the changes in the shape of the liturgical space and the liturgical furniture in the places of assembly of the two sister faiths Judaism and Christianity

Against Anarchy Cord-Christian Casper,2020-08-24 *Against Anarchy* investigates the function of Anarchism in Early Modernist political fiction The study explains how political novels from 1886 to 1911 narrate and evaluate the function of Anarchists as embodiments of a radical space beyond politics The literary prevalence of Anarchists has so far not been connected systematically to its literary and political functions The study addresses this research gap in detailed analyses of a radical theme in narratives by Joseph Conrad Henry James and G K Chesterton It shows that each novel presents strategies of demarcation that allow turn of the century Britain to project its cultural anxieties upon an imagined other the dreaded figure labelled Anarchist The political radical is set up as the foil against which comforting self descriptions can be maintained Rather than merely reproducing this boundary work however the novels also evaluate its function both for the respective political system and for their own narrative capabilities and

present the consequences incurred by the loss of an anarchist outside Against Anarchy is a thorough cultural historiography of the politically other and marginal At the same time the study demonstrates that close attention to the specific literary image of Anarchism allows for a re evaluation of political thought beyond its immediate historical moment a literary political theory in its own right Apocalyptic Thought in Early Christianity Robert J. Daly, 2009-06 This new addition to the Holy Cross Studies in Patristic Theology and History series explores early Christian views on apocalyptic themes

Reconstructing the Reality of Images Maria G. Parani, 2003 This examination of realia in Byzantine religious painting provides valuable information on Byzantine dress household effects and implements while introducing at the same time an alternative literally objective approach to the study of the formative processes of Byzantine art
