An Exposition of Hebrews John Owen, 1960

The Epistle to the Hebrews Arthur W. Pink, 2002-09-01 Arthur W Pink was an exacting person He was blessed some say plagued with a photographic memory He never forgot what he had read and upon occasion would prove it by stating the volume and page where he read a certain comment Because of this some found him hard to bear since if he were challenged he could quote Scriptures by the hundreds to back up a statement of his He plainly felt it was better to be right than to be socially acceptable Many a roast in the oven was burned to a crisp because Pink would preach 2 hours on a Sunday morning from 11 a m to 1 p m This is the commentary to own if you cannot afford Owen Why Because Pink was an excellent judge of quality commenting and he quotes extensively from Owen Brown Saphir Gouge etc Along with the excellencies of these expositors you get Pink s own valuable interpretations You will find many unique comments in all of Pink s works Yet he is such a close reasoner and so adept at marshalling Scripture that it is difficult to say This time Mr Pink you are wrong You will never regret the purchase of this set 3 vols in 2
