

# IDIOMS WITH HEART

Have a heart

Be merciful

Eat your heart out

We say this when we make someone jealous

In a heartbeat

Very quickly without any hesitation

A heart of stone

No feelings

Lose one's heart to

Fall in love

Heart and soul

Completely; entirely

*Expressions of the Heart* Flora Emmanuel-Joseph, 2012-04-26 If you have had any affiliation to any individual this book is definitely for you *Expressions of the Heart* is a collection of poems which emanated from the heart of the author expressly for readers like you It sets out to serve as a comfort and inspiration to all readers It embraces real life issues in a manner that gives meaning to some of the experiences that are buried deep inside us as well as those we encounter in our daily living The use of figurative language sets to present you with novel ways of unfolding those feelings *Expressions of the Heart* allows you to reflect on your situations and encourages you to personalize the experiences of others so that the poems do not become just words on paper but something that you can relate to or imagine something captivating something REAL It also presents life experiences from a Caribbean culture which can be quite different from that of other cultures around the world For example common law unions are often frowned upon especially in times of death and people make judgements about the souls of those who died in those unions Such issues are addressed in the book so as to allow the voices of those caught in the seat of judgement to be heard and understood No matter what your interests are you will enjoy moments of joy and laughter coupled with feelings of sadness for unfulfilled love You will experience something There is something for everyone

*Expressions of the Heart* Anthony Di Micco, 2021-05-26 The human heart has many facets Complex yet simple fragile yet robust it can change the world with its unbridled passion or beat quietly in isolated grief As individuals and as nations we often fail to understand each other But no matter who we are or where we come from our hearts are the same beating for the people we love and in spite of the many losses and hardships we face Our life experiences all leave their marks on us for better or worse and that is what the author explores in *Expressions of the Heart* the joy pain and everything else that goes hand in hand with simply being human Beautifully crafted and thought provoking these poems are also highly relatable and unpretentious meant for everyone to enjoy whether they know a thing about poetry or not *Expressions of the heart* speaks with the humble voice of one man articulating the emotions of a lifetime for those who don't have the words to do the same

**Expressions Of My Heart** Garian A. Perugini III, 2010-05-12 When words come out of your mouth they are just words When expressions and feelings are shown through your emotions they tell people how you feel or what kind of mood you're in When you have expressions from the heart you are letting go of everything Every whim everything you are and everything you want to be They flow freely like running waters through the world's rivers An opportunity to purge every unveiling thought whether understood or not and trying to connect with life through *Expressions Of My Heart* *Expressions of the Heart from A to Y* Angelina S. Barros, 2006-05-01 *Expressions of the Heart from A to Y* is a culmination of a series of events in time that have defined my life experiences It is the bold product of unintentional foresight into a brave world of uncertainties failures and triumphs in a quest for reason purpose and sanity These expressions are as unique as they are candid They represent a blend of encounters all the way from youthful innocence to this seasoned woman of today and tomorrow

Unfinished in its nature for it signifies a close of a chapter and the beginning of a new life of expressions As I live I write and as I write I live Expressions of the Heart from A to Y embodies this phrase With writing as a conduit for expressing heart felt emotions a new day somehow always seemed to dawn And with each new day a different set of challenges emerged that tugged at the very core of my existence Some days were familiar others were as alien as learning to speak a new language while living in a foreign country Who do you talk to about pressing issues How does one seek help during tumultuous times Days that can either make you close the book of life or turn the page and press toward a new chapter While some people tend to dilute the soul through drugs sex violence and or food I chose to write And with every word that was written an expression was born that breathed life into another wonderful event That event was a new day Due to nature s affairs of the heart I entitled my expressions From A to Y and not Z because to me Z meant the end the end of loving the end of writing and the end of living No matter how difficult life may be from A to Y I believe that a whole lifetime of happiness can be
