Eye On Hong Kong An:

An Eye on Hong Kong Keith MacGregor,1999-06-24 This book draws on 28 years of photography by one man to present an essay on the beauty the colours and textures and the culture of Hong Kong **Eyes on China: A Cartoonist's Take on Hong Kong, the Uyghurs, and More** Radio Free Asia ,2019-12-20 Wang Liming is a renowned political cartoonist who works under the pen name of Rebel Pepper His work focuses on political cultural and societal developments across Asia

An Eye on Hong Kong Keith MacGregor,2002 Colonial Hong Kong in the Eyes of Elsie Tu Elsie Tu,2003-05-01 Elsie Tu is well known as a social activist and crusader against injustice and corruption in Hong Kong In this powerful personal statement she expresses her views about the injustices in the past colonial system and her fears about present day economic colonialism This is a book with strong messages for today Mrs Tu s deep concerns about the current international scene have the most immediate and obvious topical relevance But there is an equally strong lesson in her description of the corruption that used to be so pervasive in Hong Kong and her battles against it She reminds us forcefully of the need for continued vigilance if corruption and its awful effects are not to return However the most important message of this book pervades all parts of it the example of a life devoted to improving things for the ordinary people of Hong Kong a life not just lived according to high principles but characterized by a dogged and fearless determination to fight for those principles to be an activist This book is important because it records the beliefs some of the experiences and above all the commitment of one of the most notable people of post war Hong Kong By giving rich insights into the mind and beliefs of an extraordinary and indomitable person it brings to life the recent history of Hong Kong and challenges the next generation of Hong Kong people to contribute as much Readers may have heard of Hong Kong s economic miracle during the second half of the twentieth century but they may not be aware of the suffering and injustices caused by greed and corruption at that time This book shows how the society s struggle stirred the spirit of determination upon which the Hong Kong we know today was built The book will also give readers a bird s eye view of the worldwide scale of suffering and injustices caused by nations seeking economic and political domination I write this book because I believe that human beings can only comprehend the present when they understand the past and they can only make a better future when they learn from previous errors And I feel compelled to alert the younger generation of the dangers that confront the world today from those obsessed with wealth and power I hope that all prejudices and evil ambitions can be set aside and an equal playing field can be created for all nations Elsie Tu **Eye on Hong Kong** Keith Macgregor,1998 This exclusive travel guide guides the visitor through the most incredible activities to be found in Shanghai savour the food of world class chefs in Asia s most romantic two seater salon eat at the best holes in the walls and discover local street food haunts find the best tailors and quality cashmere satins and brocades by the yard expert **Lee Kuan Yew Through The Eyes Of Chinese Scholars** Chen Ning Yang,Ying-shih Yu,Gungwu Wang,2016-12-27 Lee Kuan Yew through the Eyes of Chinese Scholars is a compilation of essays by highly

What's going on here? **Forever Hong Kong** Ching Kwan Lee, 2025-08-12 How did Hong Kong long an affluent and depoliticized hub of global capitalism become the center of popular anticolonial protest? Through Other Eyes Barbara E. Ward, 2020-01-31 It was on the basis of her ethnography of the boat people in Hong Kong that Barbara Ward developed her interpretations of conscious models in the Chinese context. The boat people are the indigenes of the region around the present city of Canton and were the original inhabitants of the area now called Hong Kong. This book is a collection of papers collected together; here were all written at different dates. They fall fairly naturally into four groups: A group of essays on the boat people of Hong Kong and South China; a second group on different socio-economic topics; and third, two somewhat tentative papers on socialization.
