*What My Eyes Have Seen In My Lifetime* Shontavia Brown,2022-09-02 This is a summary of the book entitled A Blind Man s Tale This book depicts what my eyes have seen within my lifetime from the late 1950 s until 2019 This book is a story about possible threats that are being placed against our Democracy and it gives a brief synopsis of some of the possible solutions to various problems that we currently face within our Great Nation today This book is based upon World Leaders from then and until now who have played a key role in the vast history of our Nation and Democracy which has now found us in a State of Disarray We are in a situation knowing that half of these World Leaders appear to have not made the right decisions over the many years and the ones who did make the right decisions the Nation does not approve That s why I base the book on a lot of ideals that are formulated from greenhouse gases to the forest preserves burning to us starting a Nuclear War with North Korea So all of this is seen through the persona of how long are we going to keep doing the same old things over and over again by kicking the same old can down the road We appear to keep making the same old mistakes over and over again with all of these old and outdated laws from centuries long ago We continue to call ourselves the Number One Nation of the World and yet every Leader that enters into office continues to set their own private agenda And it s not even an agenda to help out our country nor the planet Earth No one appears to be looking out for the greater good of this Nation and it appears to be a continual agenda of the same old business as usual with profit over people with both the Middle Class and the Lower Income Families left to suffer and pay the costs of it all I would like for the reader to be able to grasp upon some new ways of thinking to spread love and peace immediately deploy steps to save our natural resources and put aside our differences so that we can work together as one United Front for the preservation of both our planet and mankind Let s all join together right now before it s too late to save our entire world May you continue to be an avid reader and change maker Thanks for listening      **Life It Is What It Is as Seen Through My Eyes** Kemy Loree Derlago,2013-10-18 As I travel across north America operating a tractor and trailer hauling consumer goods I come across many events of the human spirit
