Root Diana Kleyn,2019-12-21 The picture of a plant taking root is used in the Bible to teach us the idea of conversion When someone s heart is turned from himself and his sinful ways to faith in Jesus and devotion to God it is like a plant which starts to shoot out roots into rich soil so that it can live and take nourishment There is no way for a plant to have life unless it takes root and there is no way for a person to have spiritual life unless God turns him or her out of the way of death and into the way of life The stories in this book have to do with plants taking roots But as you read through them you will not run across tales of flowers leaves and dirt as much as you will about spiritual plants in the garden of the Lord They are stories about how God gives people new spiritual life by rooting their hearts in the grace of His Son Jesus Christ Read these stories and take the time to ask God about causing your heart to take deep root into the life giving soil of Jesus Contents Taking Root 1 A Little Girl s Sin Found Out 2 The Pickpocket s Story 3 A Change of Heart 4 Martha s Bible 5 What Shall It Profit 6 God s Word Satisfies 7 A Mocking Discussion of the Bible 8 Shusco the Indian 9 Afraid to Go Home 10 The Gift 11 Trying to Enter by the Wrong Door 12 Jack and His Master 13 A New Year s Start for Eternity 14 Clean Within 15 The Bird in the Church 16

 Tales of Hawk Carse one of the greatest of space adventurers Includes the following stories Hawk CarseAffair of the
 BrainsThe Bluff of the HawkThe Passing of Ku SuiExcerptHawk Carse came to the frontiers of space when Saturn was the
 frontier planet which was years before the swift Patrol ships brought Earth s law and order to those vast regions A casual
 glance at his slender figure made it seem impossible that he was to rise to be the greatest adventurer in space that his name
 was to carry such deadly connotation in later years But on closer inspection a number of little things became evident the
 steadiness of his light gray eyes the marvelously strong fingered hands the wiry build of his splendidly proportioned body
 Summing these things up and adding the brilliant resourcefulness of the man the complete ignorance of fear one could
 perhaps understand why even his blood enemy the impassive Ku Sui a man otherwise devoid of every human trait could not
 face Carse unmoved in his moments of cold fury His name we know enters most histories of the period 2117 2148 A D for he
 has at last been recognized as the one who probably did most unofficially and not with the authority of the Earth Government
 to shape the raw frontiers of space to push them outward and to lay the foundations of the present tremendous commerce
 between Earth Vulcan Pluto Neptune Uranus Saturn and Jupiter But little of his fascinating character may be gleaned from
 the dry words of history and it is Hawk Carse the adventurer he of the spitting ray gun and the phenomenal draw of the
 reckless space ship maneuverings of the queer bangs of flaxen hair that from a certain year hid his forehead of the score of
 blood feuds and the one great feud that jarred nations in its final terrible settling it is with that man we are concerned here A

number of his exploits never recorded are still among the favorite yarns spun by lonely outlanders in the scattered trading posts of the planets and among them is that of his final encounter with Judd the Kite It shows typically the cold deadliness the prompt repaying of a blood debt the nerveless daring that were the outstanding qualities of this almost legendary figure It began one crisp early morning on Iapetus and it ended on Iapetus with the streaks of ray guns searing the air and it explains why there are two square mounds of soil on Iapetus eighth satellite of Saturn **Solovyovo** Margaret Paxson,2005-12-13 In a small village beside a reed lined lake in the Russian north a cluster of farmers has lived for centuries in the time of tsars and feudal landlords Bolsheviks and civil wars collectivization and socialism perestroika and open markets Solovyovo is about the place and power of social memory Based on extensive anthropological fieldwork in that single village it shows how villagers configure transmit and enact social memory through narrative genres religious practice social organization commemoration and the symbolism of space Margaret Paxson relates present day beliefs rituals and practices to the remembered traditions articulated by her informants She brings to life the everyday social and agricultural routines of the villagers as well as holiday observances religious practices cosmology beliefs and practices surrounding health and illness the melding of Orthodox and communist traditions and their post Soviet evolution and the role of the yearly calendar in regulating village lives The result is a compelling ethnography of a Russian village the first of its kind in modern North American anthropology *Abbeys and Attics* Julian Strickland,1861 **The World's Eye** Albert M. Potts,2014-10-17 Greek vases and Peruvian bottles Chinese bronzes and African masks Tel Brak idols and Egyptian tomb paintings artifacts ancient and modern reveal man s universal fascination with the eye and his awe before its mysterious powers In this wide ranging and richly illustrated essay Albert M Potts considers the special properties the human mind has ascribed to the eye over the millenia and seeks out its peculiar significance as symbol Amulets against the Evil Eye persist today in nearly every part of the world Almost as pervasive is the conception of the Good Eye itself used as a protective amulet The Eye of Horus for example was one of the holiest symbols of the ancient Egyptian religion and its descendants can still be found in the Mediterranean basin Using artifacts and texts the folklore of our own times and aspects of the unconscious revealed by Jungian psychology Potts reveals the diverse forms and meanings of this powerful symbol **Barnabus and the Seven J's** Mimi A. Wood,2010-08-18 *A Week from Sunday* Dorothy Garlock,2024-09-24 Adrianna Moore has just had a double shock the death of her father and the discovery that he has left his entire estate to his lawyer The lawyer a repulsive social climber tells her that to regain her inheritance she must marry him a week from Sunday Adrianna takes off driving desperately to a new life Caught in a violent rainstorm she collides with an oncoming truck Quinn Baxter the driver of the truck demands repayment for his lost cargo They reach a bargain she will live in his home tutor his bedridden younger brother and play piano in Quinn s tavern to pay off her debt Drawn to the rugged Quinn challenged by the interaction with the tavern patrons she also must deal with an intractable foe Quinn s housekeeper who is scheming to become his wife And all the while the

spurned lawyer is following Adrianna's trail determined to find her and force her to marry him Robert Penn Warren's Circus Aesthetic and the Southern Renaissance Patricia L. Bradley, 2004 Robert Penn Warren's Circus Aesthetic and the Southern Renaissance aligns Warren's work with that of other authors of the Southern Renaissance and examines intertextuality among them Further it establishes *The Circus in the Attic* a short teachable Warren piece as central to his canon Finally this book reveals the expressive role of the circus in southern history and culture in the first half of the twentieth century BOOK JACKET
