Heuston, 2011-12-05 This study maps a new approach to the works of W B Yeats Robert Frost Robert Penn Warren and Seamus Heaney Sean Heuston combines interdisciplinary analysis specifically ethnography with close reading and in so doing argues provocatively for the intersection of modern poetry studies and contemporary ethnographic theory     Clark's Horse Review , 1900     Reformers, Sport, Modernizers J A Mangan, 2013-10-11 A record of the role of selected middle class individuals across Europe who made notable contributions to the early evolution of modern sport and who saw success in modern sport as an expression of human qualities to be admired applauded and encouraged They viewed sport sometimes self interestedly but not always self interestedly as a medium of personal collective and national virtue It is the first general consideration of a selection of these innovatory pioneers and proselytisers who placed Europe at the forefront of major developments in contemporary world sport now a phenomenon of global significance     *The Mushroom Hunters* Langdon Cook, 2023-08-08 A beautifully written portrait of the people who collect and distribute wild mushrooms food and nature writing at its finest Eugenia Bone author of *Mycophilia* A rollicking narrative Cook delivers vivid and cinematic scenes on

*The Collected Novels Volume Four* Patrick Gale, 2018-08-14

Three keenly observant and profoundly moving novels from an international bestselling British writer with heart soul and a dark and a naughty wit The Observer Patrick Gale writes with the understated fluency that is the hallmark of contemporary British fiction and with the irony that usually accompanies it In the three novels collected here the author of the international bestseller Notes from an Exhibition explores the complexities and ironies of men who have removed themselves from society and painful situations only to find there's no escaping their inner turmoil as they follow individual journeys of growth Jonathan Yardley The Washington Post Little Bits of Baby Robin retreated to a remote island monastery after his childhood playmate Candida became engaged to Jake their irresistibly sexy mutual friend Now Candida is a mother and she wants her long lost friend to be the child's godfather When he returns to London after his five year exile Robin finds the city overwhelming and unfamiliar but he must fight through his feelings if he is to conclude the unfinished business that originally caused him to flee and take his place in the world once again A blithe original engaging satire The New York Times Facing the Tank For American academic Evan Kirby the English city of Barrow-in-Furness pronounced Brewster is a welcome escape from the US and his brutal divorce A historian of angels and demons he has come to explore the cathedral library but he will find there are no angels in this peculiar little village From the agnostic bishop and his cannabis cookie addicted mother to the sex mad cardinal and the schoolboy with a very unusual relationship with his spaniel every Barrower has a secret each more shocking than the last A ridiculously crazy tour de force If E F Benson Iris Murdoch and Fay Weldon were to produce a story in some mad collusion the result might be something like this Publishers Weekly Tree Surgery for Beginners Armistead Maupin has said of Patrick Gale There's really no one he can't inhabit understand and forgive That certainly applies to the arborist Lawrence Frost in this epic redemptive novel who is forced into a journey of self searching after being accused of killing his wife Following Frost's pilgrimage to the Caribbean and eventually to the redwoods of northern California Gale compassionately chronicles the healing of a man whose work as a tree surgeon is a metaphor for the growth of his soul and family Publishers Weekly Playful and wise In prose of sparkling precision Gale serves up misadventures satirical farcical and tragic The New York Times

*Little Bits of Baby* Patrick Gale, 2016-08-30 A young man returns to London from a monastery to become a godfather and gets a second chance at love in this blithe original engaging satire The New York Times Robin has not gone

outside for five years When he first arrived at the remote island monastery he had attacks so violent that the brothers thought he might do himself harm so his room was stripped of all but the bed Robin seemed to like it that way But now after years of penance for some unspoken sin he is pale drawn and emotionally fragile nothing like the promising university student he once was Indeed he is a ticking time bomb of unexpressed anger and he is about to be unleashed upon the world Robin came to the monastery after his childhood playmate Candida became engaged to Jake their irresistibly sexy mutual friend Now Candida is a mother and she wants her long lost friend to be the child's godfather When he returns to London after his long exile Robin finds the modern world strange and unfamiliar but he must fight through it if he is to conclude the unfinished business that caused him to flee and take his place in the world once again Written at the height of the AIDS crisis Little Bits of Baby is an intensely personal and romantic book from an author who writes with an intimate understanding of the labyrinth of the human heart Winsomely funny and bittersweet it may be the most remarkable novel Patrick Gale has ever produced

*Mr. Darley's Arabian* Christopher McGrath, 2017-03-07 In 1704 a bankrupt English merchant sent home the colt he had bought from Bedouin tribesmen near the ruins of Palmyra Thomas Darley hoped this horse might be the ticket to a new life back in Yorkshire But he turned out to be far more than that and although Mr Darley's Arabian never ran a race 95% of all thoroughbreds in the world today are descended from him In this book for the first time award winning racing writer Christopher McGrath traces this extraordinary bloodline through twenty five generations to our greatest modern racehorse Frankel The story of racing is about man's relationship with horses and Mr Darley's Arabian also celebrates the men and women who owned trained and traded the stallions that extended the dynasty McGrath expertly guides us through three centuries of scandals adventures and fortunes won and lost our sporting life offers a fascinating view into our history With a canvas that extends from the diamond mines of South Africa to the trenches of the Great War and a cast ranging from Smithfield meat salesmen to the inspiration for Mr Toad and from legendary jockeys to not one but two disreputable Princes of Wales and a very unamused Queen Victoria Mr Darley's Arabian shows us the many faces of the sport of kings
