Parents And Children Charlotte M. Mason,2024-02-03 Charlotte Mason was a late nineteenth century British educator whose ideas were far ahead of her time She believed that children are born persons worthy of respect rather than blank slates and that it was better to feed their growing minds with living literature and vital ideas and knowledge rather than dry facts and knowledge filtered and pre digested by the teacher Her method of education still used by some private schools and many homeschooling families is gentle and flexible especially with younger children and includes first hand exposure to great and noble ideas through books in each school subject conveying wonder and arousing curiosity and through reflection upon great art music and poetry nature observation as the primary means of early

science teaching use of manipulatives and real life application to understand mathematical concepts and learning to reason rather than rote memorisation and working endless sums and an emphasis on character and on cultivating and maintaining good personal habits Schooling is teacher directed not child led but school time should be short enough to allow students free time to play and to pursue their own worthy interests **Therapeutic Assessment with Children** Deborah J.

Tharinger,Dale I. Rudin,Marita Frackowiak,Stephen E. Finn,2022-03-17 Therapeutic Assessment with Children presents a ground breaking paradigm of psychological assessment in which children and families collaborate with the psychologist assessor to understand persistent problems and find new ways of repairing their relationships and moving forward with their lives This paradigm is systemic client centered and culturally sensitive and is applicable to families from many different backgrounds who often feel misunderstood and disempowered by traditional assessment methods In this book the reader will find a step by step description of Therapeutic Assessment with Children TA C with ample teaching examples to make each step come alive Each chapter includes detailed transcripts of assessment sessions with Henry a ten year old boy and his parents as they progress through a Therapeutic Assessment and find new ways of appreciating each other and being together The combination of didactic and clinical material will give even new clinicians a groundwork from which to begin to practice TA C The volume demonstrates how the core values of TA C collaboration respect humility compassion openness and curiosity can be embedded in psychological assessment with children and families Therapeutic Assessment with Children will be invaluable for graduate assessment courses in clinical counseling and school psychology and for seasoned professionals wanting to learn the TA C model **Parents and Children** Charlotte Maria Mason,1904 **The fables of Aesop, and others** Thomas Bewick,1885
