Fables Of La Fontaine 1st Edition:

The Fables of la Fontaine Jean de La Fontaine, 2017-01-19 The Fables of La Fontaine Jean de La Fontaine COMPLETE 12 BOOKS IN 1 Translated from the French by Elizur Wright With Notes by J W M Gibbs The Fables of Jean de La Fontaine were issued in several volumes from 1668 to 1694 They are classics of French literature The first edition of this translation of La Fontaine s Fables appeared in Boston U S in 1841 It achieved a considerable success and six editions were printed in three years Since then it has been allowed to pass out of print except in the shape of a small type edition produced in London immediately after the first publication in Boston and the present publishers have thought that a reprint in a readable yet popular form would be generally acceptable The translator has remarked in the Advertisement to his original edition which follows these pages on the singular neglect of La Fontaine by English translators up to the time of his own work Forty years have elapsed since those remarks were penned yet translations into English of the complete Fables of the chief among modern fabulists are almost as few in number as they were then Mr George Ticknor the author of the History of Spanish Literature and since Mr Wright so happily accomplished his self imposed task there has been but one other complete translation viz that of the late Mr Walter Thornbury This latter however seems to have been undertaken chiefly with a view to supplying the necessary accompaniment to the English issue of M Dor s well known designs for the Fables first published as illustrations to a Paris edition and existing as it does only in the large quarto form given to those illustrations it cannot make any claim to be a handy volume edition Mr Wright s translation however still holds its place as the best English version and the present reprint besides having undergone careful revision embodies the corrections but not the expurgations of the sixth edition which differed from those preceding it The notes too have for the most part been added by the reviser **The**

publishing history of the work and description of the fables contained therein along with a discussion of their literary and or cultural historical significance This volume includes a foreword by Jon A Lindseth describing how he assembled this collection of Jewish books containing fables as well as essays on the role of fables in Jewish culture their use in Biblical and rabbinical literature and their appearance in Jewish and Yiddish literature Fables in Jewish Culture concludes with a bibliography of fables in Jewish literature and multiple indexes that allow readers to locate works by a number of criteria including fable author title in English Hebrew and Latin and printer Contributors Marion Aptroot David Daube Simona Gronemann Jon A Lindseth Raphael Loewe Lies Meiboom Emile Schrijver David Stern Heide Warncke Irene Zwiep **The Publisher** ,1904 **The Publishers' Circular and Booksellers' Record** ,1925 **A Critical History of French Children's Literature** Penelope E.
