

Economic Development And Social Change In The Peoples Republic Of China

Thomas Griffiths

Economic Development And Social Change In The Peoples Republic Of China:

Economic Development and Social Change in the People's Republic of China W. Kraus, 2012-12-06 It is a pleasant task to welcome the appearance of the American edition of Professor Willy Kraus valuable work on the economic and social development of the People's Republic of China first published in German in 1979 The book has been updated in the light of the events that have occurred since the original publication and incorporates the latest statistical information made available by the Chinese authorities with unaccustomed liberality The American edition like its German predecessor is a monumental achievement of scholarship attractively presented In its comprehensiveness insight professionalism and wisdom it ranks among the best studies of the subject It will add to the knowledge of the specialist and help the interested layman find his way through the complexities of contemporary China's socioeconomic system Professor Kraus work is a most timely and welcome addition to a better and more thorough understanding of an absorbing and important subject June 1982 Jan S Prybyla Professor of Economics The Pennsylvania State University University Park Pennsylvania Preface This book deals with China's development policies It is based on the original German edition 1979 *Wirtschaftliche Entwicklung und sozialer Wandel in der Volksrepublik China* but is not merely a translation of the German original The rapid changes in Chinese policy within the last two years together with a sudden deluge of official data on economic and social developments in the People's Republic of China have called for a basic and comprehensive revision of text and statistics

Economic Development and Social Change in the People's Republic of China W. Kraus, E. M. Holz, 1982-09-20 [Economic Development and Social Change in the People's Republic of China](#) Willy Kraus, 1982 *The Economic Development of China* Ryoshin Minami, trans Wenran Jiang, 2016-07-27 This book identifies the problems that China must face to develop its economy and elucidates the structural deficiencies which lay behind these problems Chinese economy compared with other economies in the world The book also analyzes China's present economic situation and where possible provides prescriptions for solving its problems by comparing it with the Japanese development experience *An Essay on Economic Reforms and Social Change in China* Assar Lindbeck, 2006 Abstract The author applies a systems oriented holistic approach to China's radical economic reforms during the past quarter of a century He characterizes China's economic reforms in terms of a multidimensional classification of economic systems When looking at the economic consequences of China's change of economic system he deals with both the impressive growth performance and its economic costs The author also studies the consequences of the economic reforms for the previous social arrangements in the country which were tied to individual work units agriculture communes collective firms and state owned enterprises He continues with the social development during the reform period reflecting a complex mix of social advances mainly in terms of poverty reduction and regresses for large population groups in terms of income security and human services such as education and in particular health care Next the author discusses China's future policy options in the social field whereby he draws heavily on relevant experiences in industrial countries over the years The

future options are classified into three broad categories policies influencing the level and distribution of factor income income transfers including social insurance and the provision of human services *Red China's Green Revolution* Joshua Eisenman,2018-04-24 China's dismantling of the Mao era rural commune system and return to individual household farming under Deng Xiaoping has been seen as a successful turn away from a misguided social experiment and a rejection of the disastrous policies that produced widespread famine In this revisionist study Joshua Eisenman marshals previously inaccessible data to overturn this narrative showing that the commune modernized agriculture increased productivity and spurred an agricultural green revolution that laid the foundation for China's future rapid growth Red China's Green Revolution tells the story of the commune's origins evolution and downfall demonstrating its role in China's economic ascendance After 1970 the commune emerged as a hybrid institution including both collective and private elements with a high degree of local control over economic decision but almost no say over political ones It had an integrated agricultural research and extension system that promoted agricultural modernization and collectively owned local enterprises and small factories that spread rural industrialization The commune transmitted Mao's collectivist ideology and enforced collective isolation so it could overwork and underpay its households Eisenman argues that the commune was eliminated not because it was unproductive but because it was politically undesirable it was the post Mao leadership led by Deng Xiaoping not rural residents who chose to abandon the commune in order to consolidate their control over China Based on detailed and systematic national provincial and county level data as well as interviews with agricultural experts and former commune members Red China's Green Revolution is a comprehensive historical and social scientific analysis that fundamentally challenges our understanding of recent Chinese economic history **Marginalization and Social Welfare in China** Linda Wong,2005-07-25 This book provides a systematic analysis that defines and accounts for the contours and operation of China's welfare system It is underpinned by recent empirical research and strong comparative theory and will be welcomed as a significant advance in furthering our understanding of social welfare in China Huodegan Wenjie Duan,Yumei Li,2022-10-22 The core of this book is the concept of huodegan which refers to a sense of gain that includes perceived individual wellbeing and social development Given that measuring sense of gain has become critical in the new era of socialism with Chinese characteristics and along with the social indicators movement in the last decade building an index for evaluating sense of gain becomes critical Apart from reviewing the existing index systems for social development and policy and the previous studies exploring the sense of gain this book highlights the importance of combining Chinese socio cultural features established theories and index systems *Managing Social Change and Social Policy in Greater China* Ka-Ho Mok,Maggie K. W. Lau,2013-11-07 East Asia is at the heart of the global economic transformation and the countries of the region are witnessing rapidly changing labour markets alongside the pressure to cut production costs and lower taxes in order to become successful competition states These changes have resulted in increased welfare demands which

governments organizations and agencies across the region have had to address This book examines welfare regimes in the Greater China region encompassing mainland China Hong Kong Macao and Taiwan In so doing it explores the ways in which the rapid growth and internationalisation of the economy across Greater China is presenting new social policy challenges that governments social welfare organizations and agencies in the region are having to respond to Rather than simply describing and categorising welfare systems the contributors to this volume add to our understanding of how one of the major economic transformations of the contemporary era in East Asia is shaping welfare provision in the region In turn in this context of economic change they examine the new strategies and measures that have been adopted in order to reduce the heavy burden on the state in terms of welfare provision whilst also attempting to diversify funding and provision sources to meet the pressing welfare needs Based upon extensive fieldwork by leading scholars of social policy this book will appeal to students and scholars of Asian social policy comparative development and social policy social welfare and Chinese studies

Economic Transition in Hunan and Southern China A. S. Bhalla,1984-06-18 *The Premodern Chinese Economy* Gang Deng,2002-01-04 Covering the time span from the Shang to the Qing Periods 1520BC 1911AD Gang Deng examines important factors in the decline of the Chinese economy from medieval sophistication to modern underdevelopment These factors include resource endowments socio economic structure property rights state and bureaucracy ideology and values geo political environment internal rebellions external invasions and conquests *The Premodern Chinese Economy* is a comprehensive analysis of China s economic history and provides essential background to the study of this country s modern struggle for growth and development Deng s emphasis on comparative analysis offers new insights into the concept of underdevelopment and theories of transitional economics This will become a major reference work in the fields of Chinese studies economic history and development studies *The United States and China* John King Fairbank,1983 Focusing on China during the last twenty five years the author illuminates the country s traditions customs political structure and economy **Handbook on the Northeast and Southeast Asian Economies** Anis Chowdhury,2007-01-01 Provides a broad overview of economic and social developments in the countries covered Brunei Darussalam Cambodia China Hong Kong Indonesia Japan Lao Malaysia Myanmar North Korea The Philippines Singapore South Korea Taiwan Thailand Viet Nam

Science and Technology in Contemporary China Varaprasad S. Dolla,2015-01-15 The Science and Technology policy changes in post Mao China cannot be complete without a historical narrative and analysis of Science and Technology in its pre policy prior to 1850 and policy since 1850 when the Qing rulers began to promote Science and Technology periods This book is an imperative to revisit and interrogate the nature and scope of Chinese Science and Technology policy and progress The text is divided into three parts The first part considers both the macro and micro issues pertaining to Science and Technology policy in general and also of the policiy in particular The second part highlights the historical narrative of Chinese Science and Technology policy as it has a key role in the evolution of contemporary Science and Technology

architecture The third part discusses three focal components of the Chinese Science and Technology system each representing state society and international systems the organizational structure representing the state the research system representing society and technology acquisition representing the international system with serious implications for China

Chinese Society - Change and Transformation Li Peilin,2012-07-26 There is growing interest in social transformation in contemporary China with much work published on the subject This book is different from other books in that it presents an overview of the work of Chinese sociologists on how Chinese society is changing It reports on a great deal of original research by leading outstanding Chinese scholars including extensive fieldwork and large scale social change survey data and covers comprehensively the full range of aspects of the subject It assesses developments since the beginning of reform in China and provides overall a comprehensive understanding of China s social development and of the likely impact of future social changes on China

Financing Healthcare in China Sabrina Ching Yuen Luk,2016-07-22 China s current social medical insurance system has nominally covered more than 95 per cent of 1 4 billion population in China and is moving towards the ambitious goal of universal health insurance coverage Challenges posed by a rapidly ageing population an inherently discriminatory design of the health insurance system the disorder of drug distribution system and an immature legal system constrain the Chinese government from realizing its goal of universal health insurance coverage in the long run This book uses a refined version of historical institutionalism to critically examine China s pathway to universal health insurance coverage since the mid 1980s It pays crucial attention to the processes of transforming China s healthcare financing system into the basic social medical insurance system alongside rapid socio economic changes Financing Healthcare in China will interest researchers and government and think tank officials interested in the state of healthcare reforms in China Healthcare specialists outside of East Asia may also be interested in its general study of healthcare in developing countries Scholars and students interested in the healthcare field will also find this useful

Human Rights In The People's Republic Of China Yuan-li Wu,2019-04-10 This book examines the effects that political institutions the legal system and economic policies have had on the human rights record in the PRC since 1949 The authors first address the problems of assessing political liberties in a nation that emphasizes economic over civil rights and that has traditionally valued collective rights over individ

Developing the Economy of the People's Republic of China Alfred Kuo-liang Ho,1982 Study describing China s economic system and economic development trends between 1949 and 1978 examines the socio economic goals historical background and exogenous determinants incl Physical geography climate political system and international relations of Chinese development discusses economic policy and trade relations proposes an economic theory and an empirical economic model Bibliography

The United States and China, 4th Revised and Enlarged Edition John King FAIRBANK,John King Fairbank,2009-06-30 For generations scholars and the general public have looked to John King Fairbank for knowledge and insights about China In four editions of this work he has provided these Reviews of this

book An indispensable book for thoughtful people DD New York Times Book Review Fairbank provides a miraculously concise account of Chinese civilization from its foundations to the present day Maps photographs and an 80 page bibliography make this an invaluable reference work DD New Republic As useful and timely as when it first appeared in 1948 Written by America's foremost China scholar John Fairbank the book addresses a popular not the academic audience It offers a sweeping view of the Chinese polity from ancient times up to the recent convoluted period of Western contact spiced by the wit and insight into detail of a geographer who drew the maps himself Yet the book offers much to the specialist as well as the layman To the historian a state of the art review of the latest historical analysis of modern China To the student a cogent guide to the field For the diplomat and businessman the work explores that most intangible but also most influential area of human feeling between the two countries that has launched ventures and derailed them DD China Business Review The best general introduction to the Chinese political system A book of love and great learning DD Kirkus Reviews Still flashes with brilliance in its latest fourth incarnation With this latest edition of what is arguably the best guide to China in any language American and other non Chinese readers may finally catch a glimpse of the very complex Chinese way of life DD Asiaweek Literary Review Fairbank's ability to transcend the academic to write a highly readable authoritative information packed perceptive and analytical account of the Chinese is unsurpassed This is must reading for all Asiaphiles DD Asia Mail

Popular Religion in Modern China Lan Li, 2016-03-23 Since the early 1980s China's rapid economic growth and social transformation have greatly altered the role of popular religion in the country This book makes a new contribution to the research on the phenomenon by examining the role which popular religion has played in modern Chinese politics Popular Religion in Modern China uses Nuo as an example of how a popular religion has been directly incorporated into the Chinese Community Party's CCP policies and how the religion functions as a tool to maintain socio political stability safeguard national unification and raise the country's cultural soft power in the eyes of the world It provides rich new material on the interplay between contemporary Chinese politics popular religion and economic development in a rapidly changing society

Economic Development And Social Change In The Peoples Republic Of China Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Economic Development And Social Change In The Peoples Republic Of China PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process

and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Economic Development And Social Change In The Peoples Republic Of China PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Economic Development And Social Change In The Peoples Republic Of China free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
