General Catalogue of Printed Books British Museum. Department of Printed Books,1966 Birmingham Carl Chinn,2003 This bibliography is an important contribution to the democratisation of Birmingham s history It brings together the knowledge and expertise of nineteen historians and other experts each of whom gives an overview of a major topic and a list of essential sources or a guide to collections of source materials Together they open up the city s past to researchers of all kinds BACK COVER **The Publishers Weekly** ,1917 **Marxism, Communism, and Western Society: Principle** Claus Dieter Kernig,1972 **Marxism, Communism, and Western Society** Claus Dieter Kernig,1973 **The Cambridge Economic History of Modern Britain** Roderick Floud,Jane Humphries,Paul Johnson,2014-10-09 A new edition of the leading textbook on the economic history of Britain since industrialization Combining the expertise of more than thirty leading historians and economists Volume 2 tracks the development of the British economy from late nineteenth century global dominance to its early twenty first century position as a mid sized player in an integrated European economy Each chapter provides a clear guide to the major controversies in the field and students are shown how to connect historical evidence with economic theory and how to apply quantitative methods The chapters re examine issues of Britain s relative economic growth and decline over the long twentieth century setting the British experience within an international context and benchmark its performance against that of its European and global competitors Suggestions for further reading are also provided in each chapter to help students engage thoroughly with the topics being discussed **The Encyclopaedia Britannica** ,1962 **Useful Toil** Proffessor John Burnett,John Burnett,2013-09-13 Useful Toil engages freshly and directly with the ordinary people of the nineteenth century John Burnett has assembled twenty seven telling extracts from the diaries and autobiographies of working people wheelwrights and stone masons miners and munition workers butlers and kitchen maids navvies carpenters potters and ship assistants to list only a few The men and women who speak in these pages concentrate on their working experiences though they also write about their homes and their fears They thus reveal often unconsciously the essence of their attitudes values and beliefs Burnett s broad and sympathetic introductions focus and contextualise the wealth of material These stories provide the antithesis of great name history yet they constantly touch on human experiences that are timeless and universal **Sir James Mackintosh as a Reformer in Early Nineteenth Century England** Carolyn M. Clewes,1939 *Encyclopaedia Britannica* Harry S. Ashmore,1962 **Encyclopedia Britannica** ,1970 **Encyclopædia Britannica** ,1963 *The British Library General Catalogue of Printed Books to 1975* British Library,Jim Emmett,1979 **Encyclopaedia Britannica, a New Survey of Universal Knowledge** ,1957 **Society in Early Modern England** Phil Withington,2010-09-20 The sixteenth and seventeenth centuries have traditionally been regarded by historians as a period of intense and formative historical change so much so that they have often been described as early modern an epoch separate from the medieval and the modern Paying particular attention to

England this book reflects on the implications of this categorization for contemporary debates about the nature of modernity and society The book traces the forgotten history of the phrase early modern to its coinage as a category of historical analysis by the Victorians and considers when and why words like modern and society were first introduced into English in the sixteenth and seventeenth centuries In so doing it unpicks the connections between linguistic and social change and how the consequences of those processes still resonate today A major contribution to our understanding of European history before 1700 and its resonance for social thought today the book will interest anybody concerned with the historical antecedents of contemporary culture and the interconnections between the past and the present **Auction Catalogs, Hodgson's Rooms**
