The Ecstatic Adventure Ralph Metzner, 1968 **Alan Watts** **Here and Now** Peter J. Columbus, Donadrian L. Rice, 2012-06-01 Considers the contributions and contemporary significance of Alan Watts *Schizophrenia Bulletin*, 1977

The adventures of a midshipman, by Oliver Optic Oliver Optic, William Taylor Adams, 1866 *Psychedelic Mysticism* Morgan Shipley, 2015-11-12 Concerned with scholarly popular and religious backdrops that understand the connection between psychedelics and mystical experiences to be devoid of moral concerns and ethical dimensions a position supported empirically by the rise of acid fascism and psychedelic cults by the late 1960s *Psychedelic Mysticism Transforming Consciousness Religious Experiences and Voluntary Peasants in Postwar America* traces the development of sixties psychedelic mysticism from the deconditioned mind and perennial philosophy of Aldous Huxley to the sacramental ethics of Timothy Leary Richard Alpert and Ralph Metzner to the altruistic religiosity practiced by Stephen Gaskin and The Farm Building directly off the pioneering psychedelic writing of Huxley these psychedelic mystics understood the height of psychedelic consciousness as an existential awareness of unitive oneness a position that offered worldly alternatives to the maladies associated with the postwar moment e g vapid consumerism and materialism lifeless conformity unremitting racism heightened militarism In opening a doorway to a common world Morgan Shipley locates how psychedelics challenged the coherency of Western modernity by fundamentally reorienting postwar society away from neoliberal ideologies and toward a sacred understanding of reality defined by mutual coexistence and responsible interdependence In 1960s America psychedelics catalyzed a religious awakening defined by compassion expressed through altruism and actualized in projects that sought to ameliorate the conditions of the least advantaged among us In the exact moments that historians and cultural critics often locate as signaling the death knell of the counterculture Gaskin and The Farm emerged not as a response to the perceived failures of the hippies nor as an alternative to sixties politics but in an effort to fulfill the religious obligation to help teach the world how to live more harmoniously Today as we continue to confront issues of socioeconomic inequality entrenched differences widespread violence and the limits of religious pluralism *Psychedelic Mysticism* serves as a timely reminder of how religion in America can operate as a tool for destabilization and as a means to actively reimagine the very basis of how people relate such a legacy can aid in our own efforts to build a more peaceful sustainable and compassionate world **Ecstasy: The Complete Guide** Julie Holland, 2001-08-01 The world's leading experts on Ecstasy assess its therapeutic potential social implications and the dangers of unsupervised use Includes chapters by Andrew Weil Ralph Metzner Douglas Rushkoff Rabbi Zalman Schachter Rick Doblin and others An ideal guide for parents and educators seeking a credible source of information Use of the drug Ecstasy once confined to the teen rave scene and college campuses is exploding across America from high schools to upscale clubs Described by users as the most intense euphoria they know and by detractors as a cause of brain damage and even death Ecstasy has generated unprecedented levels of interest and

misinformation Written by the world s leading experts on MDMA Ecstasy The Complete Guide takes the first unbiased look at the risks and the benefits of this unique drug including the science of how it works its promise as a treatment for depression post traumatic stress disorder chronic pain and other illnesses and how to minimize the risk of illicit use Whether you are a raver a concerned parent or a professional wanting the most recent reports on MDMA research Ecstasy The Complete Guide provides the answers you need

champions Each one closes their eyes for a moment and clearly affirms visualizes themselves completing the event flawlessly just before starting Then they win gold medals and become champions That s merely one example of how the real power of mind can elevate you above any of life s challenges By reading this book you will feel totally that life deserves to be lived and enjoyed every moment and that everything that you propose for yourself becomes easy for you to fulfill Nicholas will guide you to touch your longed for dream and will make you see life from a new perspective full of freshness and success This book helps you step by step in a natural way in just 3 minutes a day to change your misguided way of thinking and to Overcome Emotional Dependency NOTE For good Nicholas keep the price of the book as lower as he can even if is a hard work behind this project A significant portion of the earnings from the sale of the book are used for these purposes for charity volunteer projects nature restoration and other inspired ideas to do good where it is needed If you can not afford to buy the book please contact Nicholas and he will give you a free copy You also have a bonus in the pages of the book that makes you live your success by doing a seemingly trivial thing You will feel the difference Yes The Miracle is possible Get Your Copy Now

Practical Mysticism: A Little Book for Normal People Evelyn Underhill, 2020-09-28 This little book written during the last months of peace goes to press in the first weeks of the great war Many will feel that in such a time of conflict and horror when only the most ignorant disloyal or apathetic can hope for quietness of mind a book which deals with that which is called the contemplative attitude to existence is wholly out of place So obvious indeed is this point of view that I had at first thought of postponing its publication On the one hand it seems as though the dreams of a spiritual renaissance which promised so fairly but a little time ago had perished in the sudden explosion of brute force On the other hand the thoughts of the English race are now turned and rightly towards the most concrete forms of action struggle and endurance practical sacrifices difficult and long continued effort rather than towards the passive attitude of self surrender which is all that the practice of mysticism seems at first sight to demand Moreover that deep conviction of the dependence of all human worth upon eternal values the immanence of the Divine Spirit within the human soul which lies at the root of a mystical concept of life is hard indeed to reconcile with much of the human history now being poured red hot from the cauldron of war For all these reasons we are likely during the present crisis to witness a revolt from those superficially mystical notions which threatened to become too popular during the immediate past Yet the title deliberately chosen for this book that of Practical Mysticism means nothing if the attitude and the discipline which it recommends be adapted to fair weather alone if the principles for which it stands break down when subjected to the pressure of events and cannot be reconciled with the sterner duties of the national life To accept this position is to reduce mysticism to the status of a spiritual plaything On the contrary if the experiences on which it is based have indeed the transcendent value for humanity which the mystics claim for them if they reveal to us a world of higher truth and greater reality than the world of concrete happenings in which we seem to be immersed then that value is increased rather than lessened when confronted by the overwhelming disharmonies and

sufferings of the present time It is significant that many of these experiences are reported to us from periods of war and distress that the stronger the forces of destruction appeared the more intense grew the spiritual vision which opposed them We learn from these records that the mystical consciousness has the power of lifting those who possess it to a plane of reality which no struggle no cruelty can disturb of conferring a certitude which no catastrophe can wreck Yet it does not wrap its initiates in a selfish and otherworldly calm isolate them from the pain and effort of the common life Rather it gives them renewed vitality administering to the human spirit not as some suppose a soothing draught but the most powerful of stimulants Stayed upon eternal realities that spirit will be far better able to endure and profit by the stern discipline which the race is now called to undergo than those who are wholly at the mercy of events better able to discern the real from the illusory issues and to pronounce judgment on the new problems new difficulties new fields of activity now disclosed Perhaps it is worth while to remind ourselves that the two women who have left the deepest mark upon the military history of France and England Joan of Arc and Florence Nightingale both acted under mystical compulsion So too did one of the noblest of modern soldiers General Gordon Their national value was directly connected with their deep spiritual consciousness their intensely practical energies were the flowers of a contemplative life

Self-help Affirmations (1575 +) to Stop Yourself from Throwing Yours Away Nicholas Mag, The Miracle In this book Nicholas presents you a practical unique subliminal very simple detailed method of how to Stop Yourself from Throwing Yours Away You will feel the effects immediately and the results will appear very quickly So it was in my case You will not achieve fulfillment and happiness until YOU become the architect of your own reality Imagine that with a few moments each day you could begin the powerful transformation toward complete control of your own life and well being through this unique subliminal method combined with positive affirmations The order of words is extremely important for every book written by Nicholas These are arranged to be traversed in a certain way so as to eliminate certain blockages in the human being blockages that are bringing disease or failure on various plans You don t need a big chunk of your time or expensive programs Everything is extremely simple Health money prosperity abundance safety stability sociability charisma sexual vitality erotic attraction will optimism perseverance self confidence tenacity courage love loving relationships self control self esteem enthusiasm refinement intuition detachment intelligence mental calm power of concentration exceptional memory aspiration transcendence wisdom compassion You have the ability to unlock your full inner potential and achieve your ultimate goals This is the age old secret of the financial elite world class scholars and Olympic champions For example when you watch the Olympics you ll find one consistency in all of the champions Each one closes their eyes for a moment and clearly affirms visualizes themselves completing the event flawlessly just before starting Then they win gold medals and become champions That s merely one example of how the real power of mind can elevate you above any of life s challenges By reading this book you will feel totally that life deserves to be lived and enjoyed every moment and that everything that you propose for yourself becomes easy for you to fulfill Nicholas will guide

you to touch your longed for dream and will make you see life from a new perspective full of freshness and success This book helps you step by step in a natural way in just 3 minutes a day to change your misguided way of thinking and to Stop Yourself from Throwing Yours Away NOTE For good Nicholas keep the price of the book as lower as he can even if is a hard work behind this project A significant portion of the earnings from the sale of the book are used for these purposes for charity volunteer projects nature restoration and other inspired ideas to do good where it is needed If you can not afford to buy the book please contact Nicholas and he will give you a free copy You also have a bonus in the pages of the book that makes you live your success by doing a seemingly trivial thing You will feel the difference Yes The Miracle is possible Get Your Copy Now
