**Triumphs and Tragedies of the Modern Congress** Maxmillian Angerholzer III,2014-10-10 Published in partnership with the Center for the Study of the Presidency and Congress this book offers insightful examinations of congressional success and failure from the New Deal to today by leading political scholars and journalists This analysis identifies lessons learned throughout history relevant to present and future politics In many ways Congress has shaped decades of prosperity at home and what is known as the American Century abroad Great individuals have shaped the institution while also overcoming partisanship and rivalry for the sake of the nation Still others have succumbed to hubris and the pressure for partisan discord Throughout this narrative power has shifted regularly between Congress and the president creating a very different era of conflict and collaboration This book examines what has worked and what has failed the extraordinary individuals who have led America s citizen legislators and the landmark battles and victories that have shaped our nation s history It offers the stories behind the headlines the thinking behind key decisions and the difficult compromises that have marked the most important episodes in Congressional history An invaluable resource for political science majors and researchers in the field professionals in Washington working in congressional offices and readers interested in how Congress works and the reasons for recurring gridlock in government **Triumphs and Tragedies of the Modern Congress Case Studies in Legislative Leadership** describes how Congress has fought internally and externally to define itself and protect its prerogatives identifying means and methods politics and pitfalls collaboration and conflict challenges and breakthroughs and unintended consequences throughout history Case studies of notable congressional leaders that highlight their significant actions both good and bad are also provided *Budget issues budget enforcement compliance report : report to the*

*Chairman, Committee on the Budget, House of Representatives* ,      *Nomination of Janet Louise Yellen* United States.  
 Congress. Senate. Committee on Banking, Housing, and Urban Affairs,1997      **Social Security Under the Gun** Arthur  
 Benavie,2015-01-13 The US public has been led to believe that Social Security is going bankrupt and that our children will be  
 burdened with supporting the elderly unless it is reformed Benavie will refute these arguments While it is true that our  
 public pension system can be improved this book will separate the widely accepted economic facts of the issue from personal  
 value judgements This book is an invaluable guide to understanding and making informed decisions about one of our most  
 important social welfare systems      Administrative Notes ,1997      **Paying for Military Readiness and Upkeep** ,1997  
 This analysis prepared by the Congressional Budget Office CBO for the Defense Subcommittee of the Senate Committee on  
 Appropriations examines how O M spending grew in the 1980s and fell in the 1990s The study highlights changes that could  
 be made to achieve lower levels of spending by 2002 In keeping with the CBO s mandate to provide objective analysis the  
 study makes no recommendations Preface      **Air Force and Space Digest** ,1996      **Public Budgeting** Irene S.  
 Rubin,2015-01-28 Some of the best writings on public budgeting and finance can be found in the journals that ASPA  
 publishes or sponsors For this volume editor Irene Rubin has brought together the best of these articles emerging classics  
 that address the most important theoretical and practical problems underlying public budgeting The anthology is organized  
 topically rather than historically with an effort to delineate the issues needed to understand some of the more recent  
 controversies in the field Rubin s introductory essay and section openers frame the key issues and provide historical context  
 for each article The collection begins with descriptions of what public budgeting is where it comes from and what it is for It  
 moves on to the relationship between budget processes and outcomes constraints on budgeting the legal context in which it  
 operates and adaptations to those constraints such as contracting out The book concludes with a discussion of the ethics and  
 norms that underlie budgeting in a democracy Throughout the anthology the emphasis is on areas of disagreement and  
 debate so students can get involved and explore different viewpoints      **List of Publications** United States. Congressional  
 Budget Office,2002      **Retrenchment in the American Welfare State** Martin Schuldes,2011 The consolidation of public  
 finance has become the most prevalent topic in recent policy discourse in the US However the political debate about fiscal  
 belt tightening stretches back to the last decades of the past millennium induced by deteriorating economic conditions which  
 followed the first oil price shock in the early 1970s Retrenchment in the American Welfare State investigates to what extent  
 different welfare state programs in the US were affected by cutbacks during the Republican Reagan era on the one hand and  
 during the Democratic Clinton era on the other and to what extent these cutbacks reveal certain patterns of retrenchment  
 and how the measured discrepancies can best be explained Series Studies in North American History Politics and Society  
 Studien zu Geschichte Politik und Gesellschaft Nordamerikas Vol 30      *The Challenge of Legislation* John L.  
 Hilley,2008-04-01 In 1995 the budget standoff between Democrats and Republicans forced the federal government to shut

down Two years later the parties joined forces to pass the first balanced budget in a generation In *The Challenge of Legislation* John Hilley the Clinton administration s chief liaison to the Republican controlled Congress tells the inside story of this dramatic turnaround Hilley weaves together a detailed narrative and vivid portraits of the key players including then Speaker Newt Gingrich Senate Republican leader Trent Lott and President Bill Clinton in this comprehensive account of the Balanced Budget Act of 1997 Equally at home with the complexities of the legislative process and the realities of political combat he offers unique insight into the highly charged relationship between party leaders and their rank and file the interplay between elected officials and their professional staff the delicate art of partisan negotiations and the role of uncertainty and surprise The result is a compelling look at how public policy is made rich in enduring lessons for both policymakers and students of legislative politics Ten years ago bipartisanship triumphed against daunting odds *The Challenge of Legislation* shows how it happened and what it will take for bipartisanship to succeed again

**Congressional Record** United States.
