Economic Evolution Elbert V. Bowden, 1985-01-01      **Money in Islam** Masudul A. Choudhury, 2005-10-09 This volume takes a unique and challenging look at how money has operated in Islamic society and at how Islamic theoretical frameworks have influenced perceptions of money The author draws upon historical data and policy analysis to present a comparative study of monetary theories including recent treatment of money by Islamic economists Discussion also covers the nature of joint venture stock markets banks and financial intermediaries price stability and international trade This work sheds pioneering light in this area and will be of interest to academics graduates and researchers internationally      **Economic Theory and Social Institutions** Masudul Alam Choudhury, 1994 This book introduces students to the present state of the art in the economics of institutionalism and social policy It also introduces the reader to a critique of mainstream economic thinking followed by the development of a humanistic social interaction model of economic institutions behavior and social policy The author takes a broad look at some of the major problems of social institutions and policy in the Canadian context Contents List of Figures List of Tables Acknowledgments Introduction Economics and Social Institutions The Nature of Economic Theory Resolution of the Great Economic Problems of Contemporary Times Economic Issues of the Public Sector Economic Problems of the Private Sector Socio Economic Issues Related to the Problem of Poverty Economic Growth and Development Regional Economic Development Labour Market Inflation and Unemployment Social Contractarianism for Humanistic Institutionalism Economics of Canadian Constitutional Provisions under the Unity Accord Institution Economy Interface of Canadian Debt and Deficits      Microeconomics Jacobus Willem Mostert, 2002 A comprehensive introduction to micro economics in general this book is set against a contemporary South African background Straightforward language practical examples and numerous graphs illustrate the theory in this textbook and make it especially accessible for distance learners      Studies in Islamic Social Sciences Masudul Alam Choudhury, 1998-03-15 This book is a project toward the continuing theme of the Islamic worldview of economy society institution interactions in national and international forums wherein individual and group preferences are created and sustained by the regeneration of knowledge into higher levels of realising truth Truth and the medium of knowledge for realising higher levels of truth are argued to be the only most immutable character of all systems      **Political Economy, Ideology, and the Impact of Economics on the Third World** Derrick K. Gondwe, 1992-03-23 This work examines the practical impact of economics and economic ideology on the Third World Gondwe argues that the scientific and technical veil covering economics reduces its capacity to affect current and future economic problems Further by attempting to shed itself of its ideological underpinnings economics particularly neoclassical economics is running the risk of becoming socially irrelevant The author concludes that economics as it is now being practiced is inadequate to deal with real world problems because its assumptions and methods bias it toward intellectual games and away from solutions to social problems Economics he argues should return to the political economy it

was before it was reduced to a mere study of markets and the reintegration of economics into political economy should focus upon people not wealth as the subject and object of all economic activity This important work flies in the face of conventional economic wisdom and will be of interest to scholars in economics political economy political science and economic history
