Skincare Allan Balzano, 2015-12-27 For as long as one can remember it has always been the pursuit of many to keep their youthful looks even at great costs And in this day and age the trend has not changed Now more than ever methods techniques and treatments meant to retain that youthful glow proliferate everywhere As it is the most telltale sign of getting old anti ageing goods and services account for billions of dollars spent in the hopes of delaying the onset of skin ageing Unfortunately many have been and are misinformed on how and why the skin ages misleading these same people into buying products that only offer short lived if not unsuccessful and disappointing results It is therefore only smart to know just how the skin develops over time In understanding the hows and whys of ageing skin the correct habits and treatments can then be developed to retain as much one's youthful looks for as long a time as possible
