Good Mourning Help Understanding In Time Of Pregnancy Loss:

Good Mourning Judy Gordon Morrow, Nancy Gordon DeHamer, 1989 Pastoral Care in Pregnancy Loss Thomas Moe, 2014-01-02 Until now the church has been unaware of the need for ministry to those suffering from pregnancy loss At a time when approximately one in four pregnancies ends in loss the need to understand and provide caring ministry is painfully obvious Pastoral Care in Pregnancy Loss introduces the religious community to the issue of pregnancy loss and describes the ministries that can be helpful to those who experience these tragedies Effective ministry in pregnancy loss requires that one develop basic life theories in order to prepare for such in depth care Thus the book is more than a how to as it explores why there is suffering and why some suffer more than others how to find grace when God seems far away how to minister when we don t have answers and how religious ministry can consistently work with other helping professionals in support of the individual With the foundation of ministry theory provided by Pastoral Care in Pregnancy Loss you can help your faith community develop strategies for ministry to those suffering from pregnancy loss Numerous case studies illustrate what is usually done wrong in providing pastoral care in these difficult and delicate situations and explain why those who experience loss may blame themselves why they may blame God and why they may not feel able to return to church Providing helpful insight to hospital pastoral care departments church libraries funeral directors counselors and psychologists nursing and obstetrics professionals and seminaries with a marriage and family ministry specialty this book provides readers with information about three types of pregnancy loss miscarriage still birth and neonatal loss church outreach the grieving process victims as consenters or experiencers the spiritual needs of those suffering loss practical ministries crisis support and long term support Pastoral Care in Pregnancy Loss furthers your understanding of pregnancy loss by enumerating theories on how suffering and loss are viewed by those suffering either as a time of testing a time of training a mystery of God a sign of punishment and warning or as having no meaning The book also shows how pregnancy loss affects five different types of personal relationships and discusses both immediate and long term concerns of providing pastoral care From helping the victim find meaning or reason for the loss to providing support in preparing for future pregnancies this book provides much needed guidance to an often neglected ministry Help, Comfort, And Hope After Losing Your Baby In Pregnancy Or The First Year Hannah Lothrop, 2009-04-13 Through her own experience with miscarriage as well as through the voices of other parents who have suffered the devastation of their baby s death psychologist Hannah Lothrop guides parents through the experience of bereavement from shock and disbelief to renewal and growth This warm insightful book also provides specific information for caregivers hospital staff clergy relatives or counselors Thoughtful questions throughout help readers assess their emotions and identify their needs and an extensive list of resources provides additional sources of support **When Pregnancy Isn't Perfect** Laurie A. Rich, 1993 Complete with advice on coping with such problems as multiple pregnancy and cesarean delivery plus a special chapter for fathers this helpful book is packed with comprehensive

information and reassurance for women who develop problems during their pregnancies **Understanding Pregnancy**

Loss Christine Moulder, 1998-11-11 Stillbirth miscarriage and termination of pregnancy are emotionally laden experiences providing particular challenges for health professionals Based on original research this book provides insight into subjective experience and professional response It grows out of in depth interviews with women and with the full range of health professionals who were significant in their care These experiences are drawn upon to explore the dilemmas in providing good care and to suggest ways in which practice might be improved *Understanding baby loss* Kate Reed, Julie Ellis, Elspeth Whitby, 2023-11-21 This book offers a detailed and sensitive account of how parents experience different forms of baby loss and subsequently make decisions about post mortem examination It also analyses some of the challenges professionals face when working in this highly sensitive field of medicine It draws on data from an ESRC award winning UK based study on the development of minimally invasive post mortem to examine a range of sociologically pertinent issues relating to trauma emotions decisions care technology memory and the role of social and biological relationships By shedding light on this taboo aspect of healthcare the book provides a highly original contribution to sociology offering a comprehensive analysis of some of the most pressing concerns in the field to date **Maternal Child Nursing Care in Canada - E-Book** Lisa
