Spurgeon,2016-12-30 Winning souls is the greatest joy and highest calling of a Christian but to so many of us it feels like a dreaded necessity or feared obligation In a day when evangelism has become a confusing jumble of methodology Spurgeon s crystal clear explanation of what true evangelism is meant to be is life giving Spurgeon s own great faith in God to win souls that shines through on every page of this book is inspirational and moves us to action Claimed by many as one of the best books ever written on the topic of evangelism this book will not only ignite a passion for soul winning within you it will draw you closer in love to the very heart of God *Modern Revivalism* William G. McLoughlin,2004-10-28 This book is concerned with religious revivalism in the United States since 1825 It attempts to explain the part which revivalism has played and is playing today in the social intellectual and religious life of America The aim has been in describing the development of modern revivalism and the men who devoted their lives to it to look below the surface phenomenon in an effort to discover why revivals have constantly recurred what their effects have been and what they meant not only to those directly concerned but to all Americans If the revivals of the past century and a quarter have not always been the crucial factors in the course of American history that their devout exponents claimed they have nevertheless been more significant than the social historians have yet acknowledged from the Preface *New-York Observer* ,1903 **Herald of Gospel Liberty** Elias Smith,1908 Book News ,1896 Continent ,1913 **Biblical Counsel** ,1993 **Book News Monthly** ,1896 **The Congregationalist** ,1919 **The Institute Tie** ,1909 The End of Evangelicalism? Discerning a New Faithfulness for Mission David E. Fitch,2011-02-04 In *The End of Evangelicalism* David Fitch examines the political presence of evangelicalism as a church in North America Amidst the negative image of evangelicalism in the national media and its purported decline as a church Fitch asks how evangelicalism s belief and practice has formed it as a political presence in North America Why are evangelicals perceived as arrogant exclusivist duplicitous and dispassionate by the wider culture Diagnosing its political cultural presence via the ideological theory of Slavoj Zizek Fitch argues that evangelicalism appears to have lost the core of its politic Jesus Christ In so doing its politic has become empty Its witness has been rendered moot The way back to a vibrant political presence is through the corporate participation in the triune God s ongoing work in the world as founded in the incarnation Herein lies the way towards an evangelical missional political theology Fitch ends his study by examining the possibilities for a new faithfulness in the current day emerging and missional church movements
