Good Nights:

Good Nights Maria Goodavage, Jay Gordon, 2025-09-23 Your baby sleeps in your bed and you love it Except for those nagging worries about safety She s so small I m so big And what your relatives are saying She ll never leave your bed And that little foot that always ends up on your face Worry no more Good Nights puts your concerns about the family bed to rest with fun and easy to use guidance on safety coping with criticism and even keeping the spark in your marriage albeit outside the bedroom With warmth and humor Dr Jay Gordon a nationally recognized pediatrician who has endorsed the family bed for decades and Maria Goodavage a former USA Today staff writer with training in sleep research give you everything you ll need in order to thrive and at times simply survive with the family bed Good Nights provides a comprehensive look at SCIENTIFIC RESEARCH Science is uncovering a wealth of advantages including possible protection from SIDS for babies who share their parents bed SURPRISING BENEFITS Parents of young babies get much more sleep with the family bed And little ones who spend time sleeping next to parents end up more independent you read that right and closer to their parents than their cribbed peers SAFETY The authors give simple to follow advice on how to make your family bed at least as safe as a crib SOUND SLEEP Yes it can be had Good Nights lets you know how to overcome the obstacles SEX Ditto SAYING GOOD BYE Your child really will leave your bed Good Nights helps you help your child move on when the time is right If you re among the record number of parents turning to the family bed turn to Good Nights It s a bedside companion you won t want to be without *Good Nights Out* Aleks Sierz, 2019-12-12 London s West End is a global success story staging phenomenal hit shows that have delighted millions of spectators and generated billions of pounds in revenue In *Good Nights Out* Aleks Sierz provides a thematic survey of such popular theatre shows that were enormous commercial successes over the past 75 years He argues that these outstanding hits have a lot to say about the collective cultural social and political attitudes and aspirations of the country and about how our national identity and theatre s role in creating it has evolved over the decades The book spans a range of work from almost forgotten plays such as R F Delderfield s *Worm s Eye View* and Hugh Hastings s *Seagulls Over Sorrento* to well known mega hits such as *The Mousetrap* and *The Phantom of the Opera* Such popular work has tended to be undervalued by some critics and commentators mainly because it has not been thought to be a suitable subject for inclusion in the canon of English Literature By contrast Sierz demonstrates that genres such as the British musical light comedy sex farce or murder mystery are worth appreciating not only for their intrinsic theatrical qualities but also as examples of the dream life of the British people The book challenges the idea that mega hits are merely escapist entertainments and instead shows how they contribute to the creation of powerful myths about our national life The analysis of such shows also points towards the possibility of creating an alternative history of postwar British theatre Get a Good Night's Sleep Katherine A. West,2010-05 A husband and wife both medical professionals are gravely ill Rather than living in pain they choose to end their lives and they turn to their son for help Despite the legal risks and certain emotional turmoil he agrees and ultimately performs an act of love more difficult than any other The Last Goodnights provides a unique powerful and unflinching look inside the reality of one of the most galvanizing issues of our time assisted suicide Told with intensity and bare honesty John West s account of the deaths of two brave people is gritty and loving frightening and illuminating nerve wracking and even at times darkly humorous As West s story places him in one of the most difficult experiences anyone can endure it also offers a powerful testament to the act of death by choice and reveals the reasons why end of life issues are far too personal for government intrusion Intimately told The Last Goodnights points out the unnecessary pain and suffering that is often forced upon dying people and their families and honors the choice to die with purpose and dignity In the end this story is not just about death it is also about love courage and autonomy **The Plays of William Shakespeare** William Shakespeare,1823
