Early American Proverbs and Proverbial Phrases Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor's Dictionary of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting's authority a proverb or proverbial phrase is what

BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious *Good Riddance* Barbara Abercrombie,1979

Green Day , *The iPINIONS Journal* Anthony Livingston Hall,2007-05-16 The iPINIONS Journal Commentaries Vol II In this volume of political and social commentaries Anthony Livingston Hall synthesizes the most critical developments of 2006 with remarkable clarity and inimitable wit But unlike more celebrated columnists who trade in partisan political talking points Hall seems beholden to no ideology and is definitely an equal opportunity critic Moreover you would be hard pressed to find another columnist anywhere who writes as persuasively about the international menace of Iran s nuclear program as he does about the interpersonal dynamics of an NBA Championship series or what the latest oops from Britney Spears portends for western civilization Hall s refreshing worldview may stem from the unique fusion of his Caribbean heritage and American education But it is clearly the informed passion that permeates all of his commentaries that makes this book so riveting *Northern Fascination* Jennifer Labrecque,2011-09-20 Back in Georgia Jenna Rathburne was known as just the pretty blonde But from crushing on the smartest boy in school and being rejected by him to starting her own business in Alaska Jenna has always defied everyone s expectations Still when her high school crush comes to Good Riddance Jenna knows her own expectations and her self control are about to get seriously tested Geologist Logan Jeffries is in Alaska on business Specifically to buy out the town of Good Riddance for a mining company It s a fantastic offer if only he could get someone interested in it But someone is very interested in Logan and he doesn t need a science degree to know his chemistry with Jenna is off the charts And the longer he stays the harder it is to say so long to Good Riddance Miscellaneous Publication ,1983 *The Two Loves of Sophie Strom* Sam Taylor,2024-04-30 Lyrical and profound delving into the depths of human connection You will cry GLAMOUR Impressive it gripped my heart and imagination JO BROWNING WROE Intriguing there is also significant charm and energy GUARDIAN Compulsive electrifying SPECTATOR One man one choice two lifetimes In one unforgettable night thirteen year old Max Spiegelman s life splits in two As Max sleeps a house fire creeps through his parents shop Woken by smoke Max manages to escape orphaned disfigured and adopted by an Aryan family who change his identity and his prospects But when he awakes a second time to smoke he finds he has the chance to save his parents and escape unharmed facing life as a Jew in 1930s Austria In each parallel universe he is haunted by visions of what could have been But in both worlds he and his alter ego share a love with an enchanting grey eyed girl READERS ADORE THE TWO LOVES OF SOPHIE STROM More than once moved me to tears One of my top reads of the year Incredible Thought provoking compelling and deeply moving Absolutely blew me away I cannot recommend this book enough Eye opening and thoroughly enjoyable I found myself wishing that the story would not end 5 5 ,2015-07-13 castling our home in the air put the horse before the cart put the cart before the horse 5 *A Year of Light* Caridad Svich,2016-11-07 A Year of Light by Caridad Svich A dream play that takes a journey through the interlocking stories of passengers on a train over the course
