**Being A Teacher In Higher Education** Peter Knight,2002-07-16 Being A Teacher in Higher Education draws extensively on research literatures to give detailed advice about the core business of teaching instruction learning activities assessment planning and getting good evaluations It offers hundreds of practical suggestions in a collegial rather than didactic style This is not however another book of tips or heroic success stories For one thing Peter Knight appreciates the different circumstances that new part time and established teachers are in For another he insists that teaching well and enjoying it is as much about how teachers feel about themselves as it is about how many slick teaching techniques they can string together He argues that it is important to develop a sense of oneself as a good teacher particularly in increasingly difficult working conditions and it is for this reason that the final part of this work is about career management and handling change This is a book about doing teaching and being a teacher about reducing the likelihood of burn out and improving the chances of getting the psychic rewards that make teaching fulfilling It is an optimistic book for teachers in universities many of whom feel that opportunities for professional fulfilment are becoming frozen **Socialization in Higher Education and the**

**Early Career** John C. Weidman,Linda DeAngelo,2020-02-17 This book celebrates the contributions of John Weidman and his colleagues to the understanding of student socialization in higher education It includes innovative chapters reflecting new approaches to higher education student socialization with respect to students of color gender STEM and students in higher education systems outside the USA Specifically the book examines socialization between and within in a range of groups including national international and minority students parents doctoral students early career faculty and scholarly practitioners The book assesses methodological approaches and suggests directions for reformulating theory and practice Using sociological perspectives to address issues and concerns at both the undergraduate and graduate levels the book gives

renewed life to the college impact literature It includes revisions and expansions of the original Weidman frameworks based on the synthesis of existing research with new work reflecting unique perspectives by a variety of authors John Weidman has been an indisputable force in the study and understanding of student socialization in higher education This new book by Weidman and his coeditor Linda DeAngelo represents an undeniably significant and welcomed expansion of the original Weidman model of student socialization In updating and revising the original model chapter authors give attention to various contemporary issues such as student diversity gender differences early career experiences and internationalism Whether one samples only some of the articles that constitute this book or reads all of them the professional payoff will be substantial Kenneth A Feldman Professor of Sociology Stony Brook University John Weidman has made a number of groundbreaking contributions to our understanding of student socialization in postsecondary education This book edited with Linda DeAngelo brings together a group of fine scholars whose contributions will push our understanding even further It is a significant addition to the college impact literature Ernest T Pascarella Petersen Chair in Higher Education University of Iowa

**Survive and Thrive** Wendy Crone, 2022-05-31 The experience of an untenured faculty member is highly dependent on the quality of the mentoring they receive This mentoring may come from a number of different sources and the concept of developing a constellation of mentors is highly recommended but a mentoring relationship that is guided by the mentee's needs will be the most productive Often however the mentee does not know their own needs what questions to ask and what topics they should discuss with a mentor This book provides a guide to the mentoring process for untenured faculty Perspectives are provided and questions posed on topics ranging from establishing scholarly expertise and developing professional networks to personal health and balancing responsibilities The questions posed are not intended for the mentee to answer in isolation rather a junior faculty member should approach these questions throughout their untenured years with the help of their mentors *Survive and Thrive A Guide for Untenured Faculty* will help to facilitate the mentoring process and lead junior faculty to a path where they can move beyond just surviving and truly thrive in their position Table of Contents Tough Questions About Why You Are Here Joining Your Department and Discipline Establishing Expertise Developing Networks Relationships and Mentoring Activities Getting Support and Evaluating Your Personal Health Planning for the Future Conclusion [How to find success as a Criminal Justice faculty member](#) Craig Hemmens, 2018-10-11 Professional development is an issue of interest to all criminal justice faculty from the newest Assistant Professor to the most senior Full Professor The annual Academy of Criminal Justice Sciences conference has a number of panels and workshops that deal with the wide variety of issues that criminal justice faculty deal with as they move through their career These panels are well attended attesting to the interest that faculty have in this topic Given the importance of staying apprised of changes in the discipline from hiring expectations to tenure and promotion requirements the fact that academic study of criminal justice has changed a great deal in the past decade and that more is now expected of graduate students pre tenure faculty and even

senior faculty this book is an attempt to address some of the most important topics that those engaged in the academic study of criminal justice are faced with as they move through their career Each chapter is written by a well regarded academic with experience in the area upon which they are writing This book was originally published as a special issue of the Journal of Criminal Justice Education *The RoutledgeFalmer Reader in Higher Education* Malcolm Tight,2004 All those with an interest in higher education and higher education research will find this comprehensive collection of the past two decades most influential readings on the topic an absolutely essential companion *On Becoming a Scholar* Susan K. Gardner,Pilar Mendoza,2023-07-03 Despite considerable research that has provided a better understanding of the challenges of doctoral education it remains the case that only 57% of all doctoral students will complete their programs This groundbreaking volume sheds new light on determinants for doctoral student success and persistence by examining the socialization and developmental experiences of students through multiple lenses of individual disciplinary and institutional contexts This book comprehensively critiques existing models and views of doctoral student socialization and offers a new model that incorporates concepts of identity development adult learning and epistemological development The contributors bring the issues vividly to life by creating five student case studies that throughout the book progressively illustrate key stages and typical events of the socialization process These fictional narratives crystallize how particular policies and practices can assist or impede the formation of future scholars The book concludes by developing practical recommendations for doctoral students themselves but most particularly for faculty departments universities and external agencies concerned with facilitating doctoral student success **Proceedings of the ...
