Things Hidden Richard Rohr, 2022-02-01 There are a number of misconceptions about the Bible Many look at it as information only but what they are missing is the key the Bible is about transformation World renowned author Richard Rohr invites you to revisit the Bible to experience the Scripture as spirituality This can help your relationship with God evolve into something more meaningful and fulfilling This book will help you discover how reading the Bible and understanding it in a new way can change your life Only when the two come together inner and outer authority do we have true spiritual wisdom We have for too long insisted on outer authority alone without any teachings of prayer inner journey and maturing consciousness The results for the world and for religion have been disastrous I offer these reflections to again unite what should have been separated Sacred Scripture and Christian Spirituality from the introduction This spiritual companion unearths the Bible s take on morality power wisdom and the generosity of God in a way that demands a life changing response from believers It illustrates the Biblical God as full of grace and abundance and who calls us to be fully alive in a world full of scarcity judgement and fear Rohr s intention is to revitalize your relationship with the Bible and leave you feeling hopeful fulfilled and better able to embody a Christ based spirituality This in turn will help you to change how you treat yourself others and the world
