## **Good Little School:**

*A Good Little School* Carole G. Basile, 2012-02-01 A Good Little School pays homage to Jefferson County Open School a public school of choice with a thirty year history of providing an alternative education for students in K 12 Chronicled in this book are the personal experiences and anecdotes of teachers parents and students within the school and how their contributions make it unique In so doing these reflections demonstrate to others that there is more to education than conventional subject areas such as math and reading Also examined are the ways in which the school preserves the core elements that support the students best personal social and intellectual interests These self reflective accounts create a learning environment with humanity at the center giving students the skills necessary to lead compassionate lives **A**

**The SAS 'Deniables'** Tony May, 2023-03-08

During the 10,000-day Vietnam war, Australia had agreed with the United States to have a team of Australian Army Special Air Services (SAS) soldiers conduct covert missions into Cambodia. The SAS soldiers would be bivouacked in Thailand. With their names changed for security and personal safety reasons, this is a dramatized story of events that actually happened involving a small band of Australian Special Air Service trained specialists involved in covert intelligence activities who were co-opted into the Defence Intelligence Organisation (DIO) repertoire of Plausibly Deniable assets deployed worldwide into the shadows of political indulgence in locations where Australian forces should not be seen or heard. These Australian SAS Covert operations undertaken are incidents that have never before been exposed and include cross-sovereign border infiltrations into Cambodia and the daily operations of the elimination of Viet Cong munition dumps. Also revealed are an unauthorized fatal attack by United States Army helicopters on SAS warriors, the rescue of French tourists kidnapped by Muslim terrorists in Mindanao, Philippines, and Operation Eye of the Storm into Northern Kuwait. Eastern Iraq evolving into Desert Storm. As revealed, these covert operations included offshore intervention of East Timorese Fretilin Terrorists sabotaging Australian offshore Exploration and Oil Drilling activities in the Timor Sea. Back Door into Hell during the Somalia conflict plus covert black ops elimination of Muslim Jihadist activities on homeland soil assisted by Israeli intelligence. This astounding exposé opens the closed door behind which governments operate to deal quietly with situations they prefer not to mention.
