Good Reading:

How to Get a Good Reading from a Psychic Medium Carole Lynne, 2025-09-12 How to Get a Good Reading from a Psychic Medium was born from Carole Lynne's desire to help her own potential clients plus the thousands of people interested in contacting those who have gone to live in the world of spirit know what to expect from a reading with a medium. For the grieving the curious the skeptical but desperate Lynne offers straightforward plain talk about what mediums can and can't do and how to prepare to get the most out of an encounter with the world of spirit. Chapters on The great and not such great reasons to see a medium Where to find a good medium and How long is a reading and what does it cost explain the very practical elements of dealing with a spirit communicator. This is not a scientific book writes Lynne I'm not going to try to prove anything to you. But she does dispense invaluable advice about getting the most out of working with a medium. What questions should you ask When should you listen When should you talk What can you do with the information you get. Answers to all these questions and so many more. There is no other place where readers will find such useful advice about how to evaluate a reading and what to do with the evidence and advice they might receive. Unlike many Lynne doesn't set herself up as a guru and advises against treating any reading from any medium that way. S. Lewis,1992-01-31 Professor Lewis believed that literature exists above all for the joy of the reader and that books should be judged by the kind of reading they invite He doubted the use of strictly evaluative criticism especially its condemnations Literary criticism is traditionally employed in judging books and bad taste is thought of as a taste for bad books Professor Lewis experiment consists in reversing the process and judging literature itself by the way men read it He defined a good book as one which can be read in a certain way a bad book as one which can only be read in another He was therefore mainly preoccupied with the notion of good reading and he showed that this in its surrender to the work on which it is engaged has something in common with love with moral action and with intellectual achievement In good reading we should be concerned less in altering our own opinions than in entering fully into the opinions of others in reading great

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
