**I can't say what im feeling  
i just can't seem to talk  
you're really leaving? -time is ticking  
time is running right out of the clock**

**I've never felt this way before  
please don't make me lose you now  
i've never been able to tell you the words  
so ill do the best i know how**

**I'm happy inside when you're around  
when you're not i sit and sigh  
but if you leave me forever and ever  
i'll even start to cry**

**the feeling inside me  
when you hold my hand  
is just like the feeling i get  
when my toes are in the sand**

**when im mad sad or lonely  
and my mind goes into space  
all i do-is think of you  
and a smile comes across my face**

**this time ill try to keep my heart  
this time i will not fall apart**

**I can make it you know, you know i can  
just think of what we could've been**

**so happy together you know its true  
don't worry, this isn't the end some day i will find you**

**maybe tonight ill be able to sleep  
the feeling won't be so bad and it won't hurt so deep**

**someday we will meet again  
just never ever forget me, my friend**

**it doesn't matter if you go  
across the country, or state, or whatever  
just promise me, that you agree  
that goodbye does't mean goodbye forever**

particularly Romeo and Juliet Hamlet Othello and King Lear have been recontextualized into films like O and King of Texas or television shows such as The Gilmore Girls Cheers and Clueless This book illustrates how Romeo and Juliet is the most shamelessly appropriated of Shakespeare's scripts for contemporary use because its plot fits so neatly into the teenage culture that has burgeoned since the late 1950s Shakespeare Translated looks at what has happened to Shakespeare for better or more often for worse as the new millennium begins
