among the top five scorers in the NHL No one has come close to scoring 100 points after the age of forty It seems impossible that anyone will ever again play for Team Canada against the Russians while sharing the ice with his two sons What seems even less likely is that another player will suit up as a professional hockey player in six different decades Still Howe did not inspire generations of hockey players only by rewriting the record books or by getting his name engraved on the league's more coveted trophies When fans and players talk about Gordie Howe it's not so much the player they revere as the man Despite Howe's unyielding ferocity on the ice his name has long been a byword for decency generosity and honesty off it Even those who were too young to see him play know him as a person of his word and a family man Going back to Howe's Depression era roots and following him through his Hall of Fame career his enduring marriage to Colleen his extraordinary relationship with his children and into the present Mr Hockey is the definitive account of the game's most incredible legacy
