Gospel According To Jesus:

The Gospel According to Jesus Stephen Mitchell, 1993-02-19 A dazzling presentation of the life and teachings of Jesus by the eminent scholar and translator Stephen Mitchell

The Gospel According to Christ Mark A. Stelter, 2011-11-14 Christianity is in crisis We live in a time when millions of people profoundly misunderstand the message of the Gospel They believe that being a Christian means little more than being a nice person They view Jesus as a wise moral teacher who showed us how to live better lives and they conclude that the love of humanity is our greatest cause and its progress our primary purpose Whatever else may be said of this view of Christianity it is certainly not what Jesus taught It is an attempt to replace the concepts of sin redemption and salvation with the more socially acceptable virtues of tolerance compassion and social progress It elevates humanity and the world above God and his kingdom and reduces Jesus to a mere moral philosopher But who did Jesus say he was What was the essential message of Christ The Gospel According to Christ answers those questions by examining the words of Jesus in their context and in their entirety The answers will be shocking to many Christians

The Gospel According to Jesus Christ José Saramago, 1994-09-28 A fictional account of the life of Christ illuminated by ferocious wit gentle passion and poetry from the Nobel Prize winning author of *Skylight* Los Angeles Times Book Review For José Saramago the life of Jesus Christ and the story of his Passion were things of this earth a child crying a gust of wind the caress of a woman half asleep the bleat of a goat or the bark of a dog a prayer uttered in the grayish morning light The Holy Family reflects the real complexities of any family but this is realism filled with vision dream and omen Saramago's deft psychological portrait of a savior who is at once the Son of God and a young man of this earth is an expert interweaving of poetry and irony spirituality and irreverence The result is nothing less than a brilliant skeptic's wry inquest into the meaning of God and of human existence Enough to assure Saramago a place in the universal library and in human memory The Nation Fiction that engages the mind as well as the spirit Kirkus Reviews Mixes magic myth and reality into a potent brew Booklist Praise for José Saramago The greatest writer of our time Chicago Tribune A literary master The Boston Globe Saramago is the most tender of writers With a clear-eyed and compassionate acknowledgment of things as they are and a quality that can only be termed wisdom We should be grateful when it is handed to us in such generous measure The New York Times Saramago's fiction operates in a realm not far from fable the territory of Kafka Gogol and Borges Los Angeles Times

The Gospel according to God John MacArthur, 2018-02-20 He was pierced for our transgressions he was crushed for our iniquities upon him was the chastisement that brought us peace and with his wounds we are healed Isaiah 53:5 Often hailed as one of the greatest chapters in the Bible the prophecy of the suffering servant in Isaiah 53 foretells the crucifixion of Jesus the central event in God's ultimate plan to redeem the world This book explains the prophetic words of Isaiah 53 verse by verse highlighting important connections to the history of Israel and to the New Testament ultimately showing us how this ancient prophecy illuminates essential truths that undergird our lives today

The Gospel According to

St. John John J. Huckle, Josef Blank, 1981 **The Gospel According to Mark** George Martin, 2005 At the heart of this book is a verse by verse exposition of the New American Bible text of Mark's Gospel Interspersed throughout the text are dozens of short essays giving the social political economic and religious background and questions for reflection **The Gospel of Jesus** William Reuben Farmer, 1994-01-01 William Farmer has devoted much of his career to addressing the question of the relationship among the three Synoptic Gospels Matthew Mark and Luke In particular Farmer has challenged the Two Source Hypothesis which says that Mark is the earliest Gospel and that Matthew and Luke used Mark and another document called Q as the two primary sources for their own Gospels Instead Farmer argues that Matthew was the Earliest Gospel that Luke used Matthew and other traditions known to him and that Mark used both Matthew and Luke in compiling a shorter more ecumenical account of Jesus' career This competing theory is called the Two Gospel Hypothesis *The Gospel According to Mark* James R. Edwards, 2002 This new Pillar volume offers exceptional commentary on Mark that clearly shows the second Gospel though it was a product of the earliest Christian community to be both relevant and sorely needed in today's church Written by a biblical scholar who has devoted thirty years to the study of the second Gospel this commentary aims primarily to interpret the Gospel of Mark according to its theological intentions and purposes especially as they relate to the life and ministry of Jesus and the call to faith and discipleship Unique features of James Edwards's approach include clear descriptions of key terms used by Mark and revealing discussion of the Gospel's literary features including Mark's use of the sandwich technique and of imagistic motifs and irony Edwards also proposes a new paradigm for interpreting the difficult Little Apocalypse of chapter 13 and he argues for a new understanding of Mark's controversial ending *The Gospel According to Mark* G. Campbell Morgan, 2010-04-01 Mark was probably the first Gospel to be written and traditionally has been associated with Peter who opened the door of faith to the Romans as the human source Service is its keynote and speed its characteristics There is a charm about it which is distinctively its own much of which is created by the bluntness and brevity of the writing of a man evidently untrained in literary methods but also by its fast moving chronological continuity There is a freshness and vigor about it which immediately grips and binds In reading it we are able swiftly but with keen and alert interest to move with Jesus of Nazareth through the wonderful crowded years of His public ministry Dr Morgan prepared these expositions in the very spirit of the Gospel while preaching frequently and moving rapidly but with captured heart Their supreme purpose is to help hurrying men and women in these rushing days to go in the company of Jesus of Him who ever moved with haste but always with poise and peace along the tortuous and at times terrifying highway of life *The Authentic Gospel of Jesus* Geza Vermes, 2004-09-30 There can be no doubt that Jesus a religious genius as Geza Vermes describes him lived and taught in Palestine some 2000 years ago The influence he has had is incalculable How though can we distinguish between the doctrines shaped to the needs of the burgeoning Christian church and the original views laid out by Jesus himself How can we dig back through the additions misinterpretations and confusions of later writers and two

millennia of tradition to get back to the authentic gospel of Jesus In his new book Vermes subjects all the sayings of Jesus to brilliantly informed scrutiny The result is a book of unique value and novelty scraping aside the accretions of centuries to come as close as we can hope to be to the true Jesus *The Gospel of Jesus* James M. Robinson, 2024-01-17 We know Matthew Mark Luke and John but what was the gospel of Jesus The message is intense and simple a valuable addition to the Jesus canon Booklist Is it possible to know what Jesus s original audience heard as the good news Jesus s gospel has been lost from sight hidden behind the version preferred by the church In *The Gospel of Jesus* James M Robinson acclaimed expert on early Christian studies gets to the true historical message of Jesus The Gospel of Jesus draws on a combination of the most ancient and authentic texts to reveal what Jesus really said and to illuminate what he may still have to say to us today Robinson not only reconstructs the good news Jesus preached and practiced two thousand years ago but also shows how relevant that message still is and how we can apply it to our lives The Gospel of Jesus offers one of the most authentic and stirring accounts ever written of the message preached by Christ A dramatic account of the original messages of Jesus of Nazareth before honorific titles were applied to him and dogmatic statements were formulated about him a book of wisdom insight and passion Marvin Meyer author of *The Gnostic Gospels of Jesus* The distillation of a distinguished career devoted to the exploration of Christian origins a succinct account of what the historical Jesus taught Robinson s reconstruction of Q the sayings source underlying Matthew and Luke provides the script on which he builds his judicious and moving portrait of Jesus Harold Attridge Dean Yale Divinity School **The Gospel According to Paul** Graham H. Twelftree, 2019-11-20 Paul s gospel is misunderstood Paul s gospel is seen as his message perhaps an empowered message he saw it differently His gospel can be many things tradition about Jesus Jesus Christ himself the ministry of Jesus the replication of the ministry of Jesus God s salvific drama the salvation experience of people a message and something that can and should be embodied or lived And the gospel does not come to people in Paul s preaching He says it comes or takes place in both his message and the miraculous Without the involvement and acts of God in the miraculous for Paul there would have been no gospel only preaching It is not that the miraculous was simply a proof or demonstration of the gospel it was integral to it In the gospel s coming or establishment it is clear that at heart the gospel is God s salvation the presence of God himself in Christ experienced in the symbiotic relationship between Paul s message about God s Son Jesus Christ and the activity of God in the miraculous Not surprisingly then Paul rarely talks of preaching the gospel He sees himself as gosselling *The Gospel According to Luke* James R Edwards, 2020-05-21 This new Pillar commentary devotes attention throughout to the vocabulary historical background special themes and narrative purpose that make the book of Luke unique among the four Gospels Though the Gentile focus of Luke is often held to be primary James Edwards counterbalances that by citing numerous evidences of Luke s overarching interest in depicting Jesus as the fulfillment of the providential work of God in the history of Israel and he considers the possibility that Luke himself was a Jew Edwards also draws out other important thematic issues

in excursions scattered throughout the commentary including discussion of Luke's infancy narrative the mission of Jesus as the way of salvation and Luke's depiction of the universal scope of the gospel This readable relevant commentary attends to the linguistic historical literary and theological elements of Luke that are essential to its meaning and considers Luke's significance for the church and the life of faith today

The Beginning of the Gospel Eugene LaVerdiere,1999 Mark wrote the beginning of the Gospel for Christians who thought it was the end For that he told them a story of another time when Jesus disciples thought it was the end but turned out to be the beginning That is why the passion resurrection of Jesus dominates the Gospel according to Mark Using rhetorical and literary analysis Father LaVerdiere introduces Mark's story as the beginning of the Gospel as we enter a new millennium

[The Gospel According to Jesus: Reflections On The Last Teaching Of Jesus: Commentary On John 16](#) Charles Morris,2023-01-14 What is The Gospel According To Jesus The Gospel According to Jesus challenges us to re evaluate our commitment to Christ and choose to be faithful in faithless times Conversion to Christ is more than a point in time event living for Christ requires an authentic faith Trials tribulations and difficult times are among us We watch bills pile up while our savings accounts deplete our marriages fail and the pandemics roar across the land Many are without work and the stress levels at home school and roadways are spiking to chaotic rage levels Pastors and parents are at wit's end seeking the power to calm life's chaos But Pastor Charles Morris has great news from The Gospel According to Jesus The disciples had left everything for Christ and after 3 1 2 years Jesus told them He was going away Jesus had to leave so we could encounter the power of the Holy Spirit Like the disciples we're weary from the commitments and challenges we face and have questions we cannot answer and problems we cannot solve The Gospel is as powerful and life changing today as it was two thousand years ago In The Gospel According to Jesus we find Jesus just hours away from His crucifixion giving His final discourse to the disciples Pastor Morris gives us a solid Scripture based commentary of John 16 calling for a return to the gospel Jesus preached This book is a must read and will guide us into a deeper relationship with Jesus Christ In The Gospel According to Jesus you will gain the tools you need to Experience the Holy Spirit as our Comforter to help us Overcome sorrow that comes like a woman in travail Face any difficulty in the power of the Holy Spirit
