## **Gospel Church Mission:**

*Gospel Church and Kingdom* James A. Scherer, 2004-06-17 What is the goal of mission What strategies are needed today How do evangelism and social problems relate What is the role of dialog between Christians and non Christians These questions and more are the concerns of Protestant evangelical Lutheran and Roman Catholic churches Dr Scherer analyzes the various approaches of churches in mission and sharpens the biblical goal of making disciples of all nations [Gospel, Church, Mission](#) Kent S. Knutson, 1976 [What Is the Mission of the Church?](#) Kevin DeYoung, Greg Gilbert, 2011-09-08 Social justice and mission are hot topics today there s a wonderful resurgence of motivated Christians passionate about spreading the gospel and caring for the needs of others But in our zeal to get sharing and serving many are unclear on gospel and mission Yes we are called to spend ourselves for the sake of others but what is the church s unique priority as it engages the world DeYoung and Gilbert write to help Christians articulate and live out their views on the mission of the church in ways that are theologically faithful exegetically careful and personally sustainable Looking at the Bible s teaching on evangelism social justice and shalom they explore the what why and how of the church s mission From defining mission to examining key passages on social justice and their application to setting our efforts in the context of God s rule DeYoung and Gilbert bring a wise studied perspective to the missional conversation Readers in all spheres of ministry will grow in their understanding of the mission of the church and gain a renewed sense of urgency for Jesus call to preach the Word and make disciples **The Church Between Gospel and Culture** George R. Hunsberger, Craig Van Gelder, 1996 This excellent collection of essays written by a diverse group of Christian leaders working on the frontier of mission within the present North American context lays the groundwork for the newly emerging missionary encounter of the gospel with North American culture Demonstrating that the missionary identity of the church is to be found at the intersection of culture gospel church these essays outline the missionary agenda now before the church as it confronts North American assumptions perspectives preferences and practices *The Church in Mission* Bertil Ekström, 2016-06-01 Foundations and Global Case Studies What does it mean today to be a church totally committed to the gospel and fully engaged in God s mission What major religious and sociological trends in our world are affecting the role of the global church and local churches How must we understand and be prepared to face these trends How do we define church in the twenty first century being faithful to the Scriptures and at the same time relevant to a generation that does not believe in the institutional church anymore What are some good models of missional churches in different regions of the world that will encourage and inspire those who long to see a church making difference in society and in the world These are some of the issues that the book you are holding in your hands addresses There are certainly no final answers and magical forms rather we present a broad and deep discussion on how the gospel should be lived out by Jesus followers in our time and through our communities Questions are raised and analyzed both from the perspective of a local church as well as from a global and general understanding of the Christian

church Some of our examples will focus more on local realities others more on global challenges The first part of the book is dedicated to a biblical and theological reflection on gospel church and mission It includes Old and New Testament studies on the theological implications of being church based on the biblical narrative The second part deals with a variety of contemporary missiological issues related to the broader theme of church and mission Different perspectives from current discussions and dialogues around the globe are included covering both ideological reflections and practical aspects of being a mission shaped church The third part presents regional and national case studies that show the enormous creativity in church planting and engagement of local communities in their own societies Models applied in the secularized Europe are contrasted to ways of functioning as church in fast growing congregations in the global South

**Life on Mission** Dustin Willis, Aaron Coe, 2014-08-26 If you had a ladder made of splinters would you stand on it Unfortunately the mission practices of most churches stand on weak foundations Life on Mission gives gospel centered biblical practical foundations for how missions was meant to be an everyone together effort Life on Mission is a thorough yet simple guide for everyday missionaries electricians lawyers church planters students etc that equips them with truths and practices for living out the gospel within their own community Adaptable to any context Life on Mission functions great as both an individual and small group study Threaded with engaging stories and probing reflection questions Life on Mission will help you and your community take bold steps to living life on mission

**Everyday Church** Tim Chester, Steve Timmis, 2012-09-30 HOW DOES THE CHURCH REACH THE UNCHURCHED We live in an increasingly post Christian culture More and more we find ourselves on the margins as less and less people have any intention of ever attending church What used to work doesn't work anymore and we need to adapt Helping us to see the way forward this book offers practical ideas and personal stories for engaging with Western society Find out how to effectively reach people in the context of everyday life and take hold of the opportunity to develop missional communities focused on Jesus

Leading Voices from across Christian Traditions Discuss the Mission of the Church What is the mission of the church Every seminarian and church leader must wrestle with that question No matter what designation a church uses to describe itself it must also think critically about why it exists and what it should be doing In this book five leading voices representing a range of Christian traditions engage in an enlightening conversation as they present and compare their perspectives on the mission of the church Each contributor offers his or her view and responds to the other four views Contributors include Stephen B Bevens Darrell L Guder Ruth Padilla DeBorst Edward Rommen and Ed Stetzer The book s format is ideal for classroom use and will also benefit pastors and church leaders

**Mission in the Gospels** Geoffrey Harris, 2014-01-27 Mission in the Gospels considers the gospels through a twin lens first the nature of Jesus own mission as understood by the evangelists and secondly the desire of the gospel writers and their churches to gain some understanding of their own mission by interpreting Jesus attitudes and actions especially with regard to the Gentiles The principles for mission that arise out of this investigation shed a good deal of new light on the gospels and the motives for their writing and on their theological insights

**Mission of the Gospel Church** Emanuel King Love, 1880 Emanuel K Love a prominent Baptist cleric was at this time minister at Thomasville Ga Here he talks about the evangelistic mission of the Church

**Missional Church** Lois Barrett, 1998-02-09 What would a theology of the Church look like that took seriously the fact that North America is now itself a mission field This question lies at the foundation of this volume written by an ecumenical team of six noted missiologists Lois Barrett Inagrace T Dietterich Darrell L Guder George R Hunsberger Alan J Roxburgh and Craig Van Gelder The result of a three year research project undertaken by The Gospel and Our Culture Network this book issues a firm challenge for the church to recover its missional call right here in North America while also offering the tools to help it do so The authors examine North America s secular culture and the church s loss of dominance in today s society They then present a biblically based theology that takes seriously the church s missional vocation and draw out the consequences of this theology for the structure and institutions of the church

[Contemporary Issues In Mission: What Christians Need To Know](#) Thorsten Prill, 2015-03-31 Document from the year 2015 in the subject Theology Miscellaneous language English abstract There are an

increasing number of missionaries and church leaders in Africa and Europe whose views of the gospel and the principle of submission are not very clear Some views of the gospel are obviously shaped by postmodernism feminism or liberation theology and while some church and mission leaders understand submission in authoritarian terms others favour a laissez faire approach These different views and attitudes however raise some important questions How can missionaries work together in a team or cooperate with indigenous churches if they do not agree on the nature of the gospel What motivates missionaries for ministry if it is not the Good News as we can find it in the Bible How can missionaries serve on the mission field if they hold to or are confronted with an unbiblical view of submission The first part of this book examines several false versions of the gospel which Christians encounter on the mission field in Africa and elsewhere today Furthermore it looks at the difference the biblical gospel makes in our lives and calls us back to the cross of Christ as our only hope The second part of this book examines the complex issues of submission authority and accountability in the various relationships that exist whenever a missionary goes out to serve God and His Church Some of the most vivid contemporary problems are addressed from a biblical perspective It is my hope that everyone from sending church mission organisation receiving church and missionaries themselves will find this book an important read to clarify the issues and be better prepared to serve in cross cultural mission
