Gospel Horizons III John G. Lynch, 1987 **The Cumulative Book Index**, 1989 A world list of books in the English language **Gospel Horizons VI** John G. Lynch, 1988 American Book Publishing Record, 1997-09 **Forthcoming Books** Rose Army, 2001-06 *The Pentecostal Gender Paradox* Joseph Lee Dutko, 2023-11-16 The distinct subjects of eschatology and gender equality have seen an explosion of interest in recent decades particularly within Pentecostal scholarship Pentecostalism is regarded ideally as both an eschatological and egalitarian movement However many Pentecostals have lamented the inconsistency between the early egalitarian impulse of the movement and its current restrictive practices This situation has been described as the so called Pentecostal gender paradox referring to the conflicting freedoms and limitations experienced by Pentecostal women Pentecostals have also recognized the waning eschatological fervor within the movement and its shifting eschatological convictions leading to calls to rediscover the eschatological heart of the movement Despite the renewed interest in both eschatology and women s equality little research has been done to put these two areas into conversation with each other eschatological convictions are often absent in the debate on gender roles in the church For Pentecostals eschatology has often been about urgency in saving souls rather than attending to social issues but could Pentecostal eschatology be the key to re discovering greater equality for women in the church Is the waning of both eschatology and women s equality within Pentecostalism potentially interrelated For over one hundred years the role of women in Pentecostalism has been debated without a firm consensus By examining gender solely through an eschatological lens in history Scripture and praxis this work provides a valuable and creative contribution to one of the most important theological and global issues of our time women s in equality This book is also one of the first comprehensive studies to approach a single social issue solely through an eschatological lens and to provide attention to developing a thorough and methodologically connected eschatological praxis By uncovering the unified eschatological egalitarian narrative thread within both the Pentecostal and biblical story this work suggests that the present end of women s inequality begins with fidelity to the future eschaton of gender equality Subject Guide to Books in Print, 1975

comfort and provoke words that empower and give us vision of a better world His sermons build on the gospel texts to bring spiritual insight and hope in place of cynicism and despair Bringing the ancient biblical wisdom to bear on contemporary society this volume is excellent for inspiration study and discussion These sermons tell the truth unsettling or devastating as this may be to conventional Christian ears I love this little book It weaves through our scripture with verve dignity and good humor the touch is now light now a flick of the whip the words rife with the truth that both hurts and heals from the

Eyes of Faith David R. Cartwright, 2011 One of the enduring legacies of the Revised Common Lectionary is its ability to draw different parts of scripture together to form a coherent narrative drawing congregations from around the world into the life changing message of faith in Jesus Christ Each element of the lectionary brings its own point of view into this message giving us insights into its origins the impact on its original hearers as well as its relevance for our lives today In the gospel message we see the drama of Jesus life and ministry and are challenged to join in it Eyes of Faith journeys through the gospel texts for the first third of the Pentecost season Cartwright guides us through these seemingly familiar passages of scripture illuminating them for today's generation Looking at the words and events of Jesus life through new eyes Cartwright explains how we can apply that new vision to our daily Christian walk This collection of sermons is a valuable resource for Sermon starters and illuminating illustrations Gaining a new homiletical perspective to the lectionary Offering a newer deeper understanding and appreciation of scripture Using as a starter for adult Bible study groups or personal devotions This sermon collection includes The Teacher Who Wanted to Learn Promising Too Much Satisfied in Christ and many more David R Cartwright is the Minister Emeritus at Hazelwood Christian Church Disciples of Christ in Muncie Indiana He holds degrees from Washington University St Louis Missouri Yale Divinity School and Christian Theological Seminary Indianapolis Indiana He has served in various pastoral roles in Christian churches in Indiana since 1965 and he also serves as a regional elder Cartwright is the author of Guided by the Spirit part of Sermons on the Gospel Readings Series II Cycle C CSS His hobbies include reading swimming cooking and travel
