The Gospel and Its Ministry Sir Robert Anderson, 1886 The Gospel and Its Meaning Harry Lee Poe, 1996 The Gospel speaks to a broad range of concerns concerns that differ from person to person group to group culture to culture Yet the practice of the twentieth century church has been to concentrate on one part of the Gospel repentance and justification as if it were the whole and to proclaim that part uniformly often without meaningful context that would demonstrate the relevance of Christ to the hearer The Gospel and Its Meaning breaks fresh ground for evangelism It equips the students of evangelism with theological foundations for reaching diverse groups from Hindi pantheists to radical environmentalists without compromising the Gospel s integrity The Gospel and Its Meaning Identifies the basic elements of the Gospel Shows the relationship of these elements to specific doctrines of theology Identifies theologians and systems that have focused on particular doctrines Shows which elements of the Gospel deal most clearly with various issues of evangelism Suggests avenues of ministry that can address each evangelistic issue By showing how different parts of the Gospel address the concerns of people within and without the Judeo Christian worldview The Gospel and Its Meaning helps those in any kind of evangelistic ministry to develop a means for connecting the Gospel directly to the world of the hearer while distinguishing it clearly from philosophies of relativism and pluralism **The Ministry of the Gospel** J.C. refugee African tribal and Western secular urban Honor Shame and the Gospel provides valuable resources to impact the ministry efforts of the church locally and globally Linked with its ancient honor shame cultural roots the gospel paradoxically is ever new offering fresh wisdom to Christian leaders and optimism to the church for our quest to expand Christ's kingdom and serve the worldwide mission of God Reshaping Ecumenical Theology Paul Avis, 2010-02-11 Reshaping Ecumenical Theology is a major contribution to the study of the Church It provides clear and authoritative orientation for the student while probing deep into a range of key issues in ecclesiology and ecumenical dialogue from a critical standpoint that will stimulate discussion among scholars and ecumenists It reclaims some old orthodoxies while challenging some new ones and points to a deeper and more personal engagement with the major traditions of the Christian Church as the way to fuller unity and more effective mission Reshaping Ecumenical Theology argues that the values of difference and diversity and the priority of mission and evangelisation must shape our picture of unity It transcends old arguments about establishment by showing that all churches are compelled to develop a constructive relationship to the modern state wherever possible if they are to be effective in mission The central ecumenical notion of reception is re interpreted not as the faithful unquestioningly receiving the teaching of church authorities but as the process whereby the whole Church discerns the truth of new developments The mantra baptism is complete sacramental initiation is challenged and the place of confirmation is secured within a total process of initiation The ministry of the episcopate is affirmed but only by being related to the gospel on which the Church is founded The nature of communion is examined and the imperative of maintaining it against divisive tendencies is affirmed The hermeneutics of unity shows that we are shaped by each other through the conflict or rivalry of traditions We are what we are because you are what you are The Gospel Ministry and Its Results Nicholas J. Marselus, 1842 Gospel Reid Hensarling, 2012-06 This book explores the only sure solution to the ongoing problems of our world the biblical gospel of Iesus Christ A variety of viewpoints are presented from our religious political and economic spectrums but only the absolute truth of the gospel of Christ has the message that ultimately answers the most pressing questions and serious concerns of the human soul The book is concerned with encouraging and helping church leaders bring spiritual renewal to their people through the biblical gospel Chapter one explains what the gospel is and the importance of the Bible and shows how a limited number of biblical figures were used by the Lord to bring spiritual renewal to their people Chapter two describes the profound transformation that the proclamation of the gospel had upon sixteenth century England The pernicious dangers of our current postmodern culture are examined in chapter three along with the only effective solution the proclamation and reception of the biblical gospel Chapter four proposes a model for growth and transformation in Christ through the renewal of the clergy and laity The book concludes that mankind s only hope for eternal security and truth is found in the gospel of Jesus Christ as presented through the pages of the Bible The book illustrates that regardless of time place or nationality the gospel declaration alone has the power to change human beings from lives of sin and rebellion

against God and one another to lives filled with love and devotion to Jesus Christ and others This book is designed to draw significant attention and interest to the churches obligation and critical calling by God to present the Holy Scriptures in a loving and truthful way to congregations that will bring lasting change to the body of Christ Only the gospel has the ability to renew and transform people from a life of sin and rebellion against God to a life of love devotion and service to Christ Lives start to change and people begin to think live and act more like Christ The promises and truths of the gospel bring to the believer eternal security lasting peace and unspeakable joy What an extraordinary additive to everyday living The faithful pastor is entrusted with God's Word to preach and teach absolute truth which upon reception by the people brings repentance forgiveness salvation and freedom Ministers who are obedient to the gospel bring tremendous blessing and hope to their flocks God's people are transformed and renewed and the kingdom of God is extended into a world desperately needing love and truth An Exposition of the Second Epistle to the Corinthians Charles Hodge,1876 The Minister's Hope and Its Influence on His Preaching and Character.
