*Exposing Universalism* James B. De Young, 2018-03-08 In recent decades universal reconciliation UR has sharpened its attack on evangelical faith By their fiction and nonfiction and by film The Shack universalists such as Paul Young Brian McLaren Rob Bell and others are propagating the idea that the love of God trumps all other attributes of God including his holiness and justice From this starting point universalists believe that all people are born as children of God that all are going to heaven that all must embrace God's love Those who reject God in this life will repent after death and escape hell Even the devil and his angels will repent from hell and go to heaven Universalism is an old idea Christians have confronted UR since the third century and refuted it as heresy heresy because UR believes that faith in Jesus is unnecessary Thus the death of Jesus Christ as an atonement for sin becomes unnecessary Through his acquaintance with Paul Young De Young is increasingly concerned that Young and other universalists are misleading many In this book De Young challenges all the arguments that universalists make their appeals to the Bible to logic and reason and to church history and shows that they are unconvincing

*The Good News of God* Charles Kingsley, 2019-11-29 In *The Good News of God* Charles Kingsley presents a compelling synthesis of Christian theology and Victorian thought exploring the contemporary relevance of traditional religious beliefs Written in a fervent and accessible style the book serves as a spiritual guide addressing the moral and ethical imperatives of Christianity while intertwining elements of social justice and natural history Kingsley's eloquent prose marked by vivid imagery and rhetorical flourish invites readers to reconsider the significance of faith amid industrial change highlighting the interplay between science and religion in a rapidly evolving world Charles Kingsley was a notable Victorian cleric novelist and social reformer whose diverse interests shaped his theological perspectives Influenced by the social challenges of his time including the plight of the working class and the rise of scientific rationalism he sought to reconcile the spiritual and the material Kingsley's background as a historian and his commitment to social reform provide a critical context for understanding his vision of a Christianity that embraces both moral rectitude and social responsibility fostering a compassionate and active faith Readers seeking an enlightening exploration of faith intertwined with social advocacy will find *The Good News of God* to be an

inspiring work Kingsley's pilgrimage through complex theological terrain offers not only a deepened understanding of Christian principles but also a call to action urging believers to embody their faith within the context of societal needs

The Good News of the Apocalypse Ione L. Sedinger, 2010-10 Today there is a renewed interest in the Biblical book of Revelation which naturally brings to mind the word apocalypse Because Revelation is best known for its wild symbolic imagery some people will naturally assume this title to imply the same approach This isn't the case the word can also mean simply prophetic and that certainly describes the Bible We are daily presented with the bad news of the world In contrast the Bible is the Good News the rain that cleanses our soul the amazing grace assuring us that God is still in control regardless of the situation Through studying his Word we are programming our conscience for right or wrong in thought and action That is the reason we need not only to read but to study the Bible daily The Good News of the Apocalypse offers assistance with that study with a brief comprehensible discussion of every book in the bible arising from Sedinger's experience with a study group for teenagers Everything in life is under God's control and so Pastor Sedinger refers to life as God's Dance The Good News is that Jesus came to teach us how to dance with God

**Sparks of Divine Glory: A Practical Study of the Attributes of God** C. Matthew McMahon, 2022-03-16 Is there a good reason to study the doctrine of God Knowing God or not knowing God has eternal consequences to it The Savior came to explain the Father John 1:18 and he said that eternal life is knowing God and knowing Jesus Christ whom God sent John 17:3 Such a knowledge must include something more than a mere knowledge of facts It must show a relationship of those facts one to another and how they relate as a whole to the life of the believer Such a study must show what the spiritual benefits are to the redeemed which then turns to the spiritual experience they have as they grow in Christ This volume deals with the application of the knowledge of God and how the doctrine of God should be a practical every day consideration in the life of the redeemed believer McMahon covers all the revealed Biblical attributes and perfections of God which also include some not generally considered He covers that God is incomprehensible Trinitarian glorious a pure spirit self sufficient simple unified impassible immutable infinite omnipresent eternal invisible omniscient all wise light truth free holy good faithful love gracious merciful longsuffering sovereign omnipotent righteous just wrathful jealous and eminently beautiful He ends with a concluding chapter on how the Christian should always be rejoicing in God's majesty

**Ecumenical Missionary Conference, New York, 1900** Ecumenical conference on foreign missions, 1900 *Worldviews and Christian Education* W. Shipton, 2013-08-14 Christ's instruction to his disciples was to witness to others about his plan of salvation This may be relatively easy when it involves our contemporaries and peers But when we are working with people from a different cultural background or belief system it can be difficult or seemingly impossible In *Worldviews and Christian Education* editors W A Shipton E Coetzee and R Takeuchi have brought together works by experts in cross cultural religious education The authors and editors have a wealth of personal experience in presenting the gospel to individuals with various worldviews that differ greatly from those held by

Christians who take the Bible as authoritative They focus on the beliefs and issues associated with witnessing to seekers for truth coming from backgrounds as diverse as animism Buddhism Confucianism Hinduism Islam Marxism Taoism and postmodernism The emphasis is on educational settings but the sensitivities highlighted and lessons learned are applicable to situations outside this area Leaders pastors teachers and laypersons will find valuable conceptual models practical ideas and bibliographic references presented here Worldviews and Christian Education challenges all readers to be faithful to the biblical worldview and to approach everyone with sensitivity so that like the apostle Paul they may reach some

**God's Man for the Gilded Age** Bruce J. Evensen, 2003-09-25 At his death on the eve of the 20th century D L Moody was widely recognized as one of the most beloved and important of men in 19th century America A Chicago shoe salesman with a fourth grade education Moody rose from obscurity to become God's man for the Gilded Age He was the Billy Graham of his day indeed it could be said that Moody invented the system of evangelism that Graham inherited and perfected Bruce J Evensen focuses on the pivotal years during which Moody established his reputation on both sides of the Atlantic through a series of highly popular and publicized campaigns In four short years Moody forged the bond between revivalism and the mass media that persists to this day Beginning in Britain in 1873 and extending across America's urban landscape first in Brooklyn and then in Philadelphia New York Chicago and Boston Moody used the power of prayer and publicity to stage citywide crusades that became civic spectacles Modern newspapers in the grip of economic depression needed a story to stimulate circulation and found it in Moody's momentous mission The evangelist and the press used one another in creating a sense of civic excitement that manufactured the largest crowds in municipal history Critics claimed this machinery of revival was man made Moody's view was that he'd rather advertise than preach to empty pews He brought a businessman's common sense to revival work and became much against his will a celebrity evangelist The press in city after city made him the star of the show and helped transform his religious stage into a communal entertainment of unprecedented proportions In chronicling Moody's use of the press and their use of him Evensen sheds new light on a crucial chapter in the history of evangelicalism and demonstrates how popular religion helped form our modern media culture

*Zwingli's Thought: New Perspectives* Gottfried Wilhelm Locher,2022-03-28 *All Things Spiritual* Phillip Eldridge  
Williams,2022-01-12 This short quip referred to in conversation and seen often in descriptive writing as well as various and  
sundry speeches is in reality on shaky ground when taken apart The truth has been the object of the search of man since he  
became serious with his ontology from earliest recorded history and finds its way in most academic institutions with each  
Latin phrase in its logo Matter has always been taken for granted but until recently 1939 with the declaration of the  
Physicists community in Copenhagen Denmark has acknowledged that indeed there is no final field theory for locating reality  
In this book I will attempt to speak to this lack of reality by delving into the state of being or lack thereof I will refer to as  
spirituality and the Native American priority given to the Great Spirit and the answer they give to one s ontology why one is  
here known as their vision quest We will investigate spirituality as that encounter we all must deal with in our religious  
medium for finding some sense of meaning and its answer to our need for respect I ll look at the Judeo Christian offering of  
the image of God and the spooky goings on at a distance stipulated by Albert Einstein as well as the implications of Galileo s  
insightful declaration in the 17th century that all meaning begins with experience spirituality and ends with experience that  
spirituality is all that there is and to offer proposals based upon purely logic alone is meaningless as regards reality  
Spirituality in the best sense of the word is your taking serious your honor as well as that of others This could be seen as the  
First and Greatest Commandment and the Second like unto it Thy neighbor as thyself This work is the culmination of 15  
years of writing and a lifetime of seeking first the kingdom of God and his righteousness having all these things being added  
unto me Matthew 6 33 Now to have all these things added unto you is to be quickened with eyes to see and ears to hear  
things matter as they are and not from the might makes right syndrome or the what s in it for me modus operandi This  
quickenng power is the mighty hand of God as opposed to the hand of God revealing the nature of truth God s righteousness  
as being no respecter of persons time place or thing and doing so unconditionally This is indeed the Final Field or the Truth

of the Matter      **Village Sermons** George Burder,1840      **The Christian Treasury** ,1861      *Break the Curse* David P Samuel,2020-07-03 This book *Break the Curse Find Your Path to a Blessed Life* reveals that billions of people around the world suffer miseries as they are driven by their hidden curses irrespective of faith Find out how life is designed not merely on man s plans but mainly by the forefathers with their good traits lest curse devour Sweet fruits are not produced by the tree but ordered by the good seed so man s joy This book teaches you how to set your life on the mountain not under the basket
