Containing information on everything from how to make a good cup of coffee or tea to producing the perfect pie, this early cook book is highly recommended for those with an interest in making traditional British food and would make for a fantastic addition to culinary collections. Contents include English Breakfast, Frying and Grilling, Home made Bread, Huddles, Wigs, Oatcakes etc, Luncheon, Dinner and Supper Dishes, Appetisers and Food Adjuncts, Soups, Sauces and Stuffings, Fish, The Roast Meat of Old England, Oven Cookery and Stews, Boiled Meats etc. Many vintage books such as this are becoming increasingly scarce and expensive. John Pilger: Britain is a well documented nation. We know a lot about the characteristics of our society, who we are and what we do. We know much less about what we think and feel about our world and ourselves. The indispensable annual British Social Attitudes survey fills this gap. It compiles, describes and comments on a range of current social attitudes. The information is derived from interviews carried out by the National Centre for Social Research's own interviewers among a nationwide sample of around 3,500 people each year. The series seeks to chart changes in British social values over a period of time in relation to other changes in society and is core funded by the Gatsby Charitable Foundation. A full report is published each year. The 17th Report summarizes and interprets data from the most recent survey as well as making comparisons with findings from previous years. The data are publicly available through the ESRC Data Archive at the
