Good Says Jerome:

The Good Ones LaWanda Butler, 2022-05-03 Mark's past has sent him down a path with danger at every turn putting him at odds with the city's most dangerous crime mob. Mark would like to think he's a good man. After all, he's a loving husband and dedicated policeman living the life of his dreams. There's just one problem: Mark has a dark history, and the secrets of his past have no intention of staying in the shadows. Every night he dreams of a childhood ruled by the mob where his parents robbed banks for a living and his only friend was a girl named Sonya. But what little normalcy he had wasn't to last. In the dark of the night, his whole life was ripped away when the gangsters' hideout was discovered and almost everyone, including his parents, were killed. With his only family, the little girl he'd all but adopted as his sister, spirited away in the chaos, Mark had no choice but to put his past behind him and move on. Until now. With his badge in hand and all the resources of the police department at his disposal, Mark makes it his mission to track down Sonya and uncover the truth of what really happened that night all those years ago. Unfortunately for him, his little sister remains in the clutches of a notorious mobster, one who will do anything to keep them apart.

Chain and Other Stories John Omar Larnell Adams, 2015-02-11 The book *Chain and Other Stories* contains nine stories. The first story, *Chain*, is about two federal agents who go undercover in Anchorage, Alaska, with two NYC detectives to investigate whether or not an oil mogul is using kidnapped kids to make weapons sold throughout the United States, if so, stop him. The next story, *Gradill*, is about an FBI agent who is investigating a case in Chicago where a bioterrorist is using SARS and Anthrax to poison or sicken CEOs of biochemical companies and local politicians who are giving them leeway to get funding and do research. The last of the first stories is *Shatter Blue Magic*, a story dealing with a young man who is an assassin who leaves a person alive; he was supposed to kill, now he is only having to kill the person before he kills him and the lady he loves. The second batch of stories starts with *Shatter Blue Magic 2*, which is about the assassin from the first story having to kill his younger brother and sister-in-law who have both been assigned to kill him, his wife, son, and employers. *Web* is the sequel to *Chain* where the two federal agents from the first story go undercover in Phoenix, Arizona, with two Phoenix detectives to investigate and stop two nightclub owners in Phoenix from kidnapping teenage girls and selling them to the adult entertainment industry to work as adult film stars. *Gradill 2* is where the FBI agent from the first story is going undercover in Chicago to investigate a local domestic terrorist group and stop them from wrecking havoc in Chicago. The third batch of stories is *Gradill 3*, where the FBI agent from the two previous stories goes undercover with her sister to investigate a growing local domestic terrorist group who is causing trouble in Chicago and to stop them. *The Last Call for Shatter Blue Magic* picks up where the second story left off, healing his wounds from his encounter with his brother and sister-in-law; the assassin takes one last job where he must go around the world killing criminal organizations, corrupt policemen, crooked politicians, and terrorists, or he and his family and employers will be killed. *Link* is the last story in the *Chain* series where the two federal agents must go to Honolulu, Hawaii, with two Honolulu
