readers **A Writer of Our Time** Joshua Sperling, 2018-11-20 This engaging intellectual biography traces Berger's creative evolution, analyzes highlights from his vast output and situates them within his empathetic Marxism. *The New Yorker*. The first intellectual biography of the life and work of John Berger. John Berger was one of the most influential thinkers and writers of postwar Europe. As a novelist, he won the Booker prize in 1972, donating half his prize money to the Black Panthers. As a TV presenter, he changed the way we looked at art with *Ways of Seeing*. As a storyteller and political activist, he defended the rights and dignity of workers, migrants, and the oppressed around the world. Far from dragging politics into art, he wrote in 1953, art has dragged me into politics. He remained a revolutionary up to his death in January 2017. Built around a series of watersheds at once personal and historical, *A Writer of Our Time* traces Berger's development from his roots as a postwar art student and polemicist in the Cold War battles of the 1950s, London, through the heady days of the 1960s when the revolutions were not only political but sexual and artistic, to Berger's reinvention as a rural storyteller and the long hangover that followed the rise and fall of the New Left. Drawing on first-hand unpublished interviews and archival sources only recently made available, Joshua Sperling digs beneath the moments of controversy to reveal a figure of remarkable complexity and resilience. The portrait that emerges is of a cultural innovator as celebrated as he was often misunderstood and a writer increasingly driven as much by what he loved as by what he opposed. *A Writer of Our Time* brings the many faces of John Berger together, repatriating one of our great minds to the intellectual dramas of his and our time. **The Spectator**, 1875

A weekly review of politics, literature, theology, and art. *The Doctor in Literature: Private life* Solomon Posen, 2005 This is a structured, annotated, and indexed anthology dealing with the personality and the behaviour of doctors and doctor-patient relationships, ideal for medical humanities courses. *Doubly Erased* Allison E. Carey, 2023-07-01 The first book of its kind. *Doubly Erased* is a comprehensive study of the rich tradition of LGBTQ themes and characters in Appalachian novels, memoirs, poetry, drama, and film. Appalachia has long been seen as homogenous and tradition-bound. Allison E. Carey helps to remedy this misunderstanding, arguing that it has led to LGBTQ Appalachian authors being doubly erased, routinely overlooked both within United States literature because they are Appalachian and within the Appalachian literary tradition because they are queer. In exploring motifs of visibility, silence, storytelling, home, food, and more, Carey brings the full significance and range of LGBTQ Appalachian literature into relief. Dorothy Allison's *Bastard Out of Carolina* and Alison Bechdel's *Fun Home* are considered alongside works by Maggie Anderson, Doris Davenport, Jeff Mann, Lisa Alther, Julia Watts Fenton, Johnson, and Silas House, as well as filmmaker Beth Stephens. While primarily focused on 1976 to 2020, *Doubly Erased* also looks back to the region's literary elders, thoughtfully mapping the place of sexuality in the lives and works of George Scarborough, Byron Herbert Reece, and James Still. Nomination of Thomas J. Meskill to be United States Circuit Judge United States. Congress. Senate.
