Gettin' Around Jürgen E. Grandt,2018-12-15 Gettin Around examines how the global jazz aesthetic strives in various ways toward an imaginative reconfiguration of a humanity that transcends entrenched borders of ethnicity and nationhood while at the same time remaining keenly aware of the exigencies of history Jürgen E Grandt deliberately refrains from a narrow empirical definition of jazz or of transnationalism and true to the jazz aesthetic itself opts for a broader more inclusive scope even as he listens carefully and closely to jazz s variegated soundtrack Such an approach seeks not only to avoid the museal whiff of a golden age time past but also to broaden the appeal and the applicability of the overall critical argument For Grandt international simply designates currents of people ideas and goods between distinct geopolitical entities or nation states whereas transnational refers to liminal dynamics that transcend preordained borderlines occurring above below beside or along the outer contours of nation states Gettin Around offers a long overdue consideration of the ways in which jazz music can inform critical practice in the field of transnational American studies and grounds these studies in specifically African American cultural contexts *Motown in Love* Herb Jordan,2006 Presents the complete lyrics to over one hundred Motown love songs grouped into such categories as lessons of love the joy of love and love lost and including I ll Be There My Girl and Please Mr Postman [All Hearts Break the Same](#) Lance Lambert,2020-10-19 For years I have been terrified of the one thing that sets mankind apart from all other beings on this planet the human experience Emotion is what makes us human yet we shy away from it demonizing it until we shut the human part of us completely off This book changes all of that A teenager s battle with masculinity and heartbreak s intense emotion will open your eyes to the power of feeling It is neither weak nor soft to be human After all the hardest thing I have ever done is let a tear fall from my eye in front of someone I love **Billboard** ,1984-11-24 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
