Barratt, 2012-11-09 This political analysis of Harry Potter uses the beloved wizarding world to introduce readers to the equally murky and intimidating world of politics Rowling's work provides us with entries into all of the most important political questions in history from terrorism and human rights to the classic foundations of political thought *Teaching with Harry Potter* Valerie Estelle Frankel, 2013-03-07 The Harry Potter phenomenon created a surge in reading with a lasting effect on all areas of culture especially education Today teachers across the world are harnessing the power of the series to teach history gender studies chemistry religion philosophy sociology architecture Latin medieval studies astronomy SAT skills and much more These essays discuss the diverse educational possibilities of J K Rowling's books Teachers of younger students use Harry and Hermione to encourage kids with disabilities or show girls the power of being brainy scientists Students are reading fanfiction splicing video clips or exploring Rowling's new website Pottermore Harry Potter continues to open new doors to learning Field Guide to Harry Potter Colin Duriez, 2013-05-23 Everything you need to know about Harry Potter From plot summaries to refresh your memory Do you remember which book introduces the character of Luna Lovegood to a delightful glossary of characters places spells and special objects Do you know what the spell *aparecium* does this book authored by Colin Duriez is designed to be an excellent

companion to the Harry Potter books With loads of quotes from interviews you ll learn all about J K Rowling s life and her literary influences Chapters on the spirituality of Potter explore the question of how Rowling s faith is reflected in the stories what she believes about witchcraft and how the stories fit with Christian tradition Note unauthorized version      *Cultural Politics in Harry Potter* Rubén Jarazo-Álvarez,Pilar Alderete-Diez,2019-08-29 *Cultural Politics in Harry Potter* Life Death and the Politics of Fear is the first book length analysis of topics such as death fear and biopolitics in J K Rowling s work from controversial and interdisciplinary perspectives This collection brings together recent theoretical and applied cultural studies and focuses on three key areas of inquiry 1 wizarding biopolitics and intersected discourses 2 anxiety death resilience and trauma and 3 the politics of fear and postmodern transformations As such this book provides a comprehensive overview of national and gender discourses as well as the transiting bodies in between in relation to the Harry Potter books series and related multimedia franchise situates the transformative power of death within the fandom transmedia and film depictions of the Potterverse and critically deconstructs the processes of subjectivation and legitimation of death and fear examines the strategies and mechanisms through which cultural and political processes are managed as well as reminding us how fiction and reality intersect at junctions such as terrorism homonationalism materialism capitalism posthumanism and technology Exploring precisely what is cultural about wizarding politics and what is political about culture this book is key reading for students of contemporary literature media and culture as well as anyone with an interest in the fictional universe and wizarding world of Harry Potter      **The Arts and the Bible** Stanley E. Porter,Wendy J. Porter,2024-01-04 Throughout its history the Christian church has had a troubled relationship with the arts whether literature poetry music visual arts or other forms of artistic expression This volume is not designed to resolve the issues but it is designed to present a number of different statements about various dimensions of the arts in their relationship to the Bible The Bible is the document that stands behind the Christian church as an inspiration to it and to its arts As a result we have divided this volume into six parts perspectives on the arts culture and art visual enactments contemporary interpretations music and the Bible and literature Many of the issues that the history of the interaction of the arts and the Bible within the Christian church has uncovered are insightfully and artfully addressed by this book The wide range of contributors runs the gamut from practicing artists of various media to scholars within varied academic fields      **Literary Allusion in Harry Potter** Beatrice Groves,2017-06-14 Each chapter of *Literary Allusion in Harry Potter* consists of an in depth discussion of the intersection between Potter and a canonical literary work a discussion which aims to transform the reader s understanding of Rowling s literary achievement as well as to encourage wider reading and discovery of writers with who they may not be familiar      **Make Christmas Real** John Henson,2014 This book represents a compilation of two events an Advent series of seven sermons preached alternately by Ray Vincent and John Henson at St David s Pontypridd and John Henson s talks during another Advent given at the Othona Community in Dorset England Page xiii      *Understanding New Religious Movements* John A Saliba,2004-09-08 Discussions

of any religion can easily raise passions But arguments tend to become even more heated when the religion under discussion is characterized as new Divisions around the study of new religious movements NRMs or cults or nontraditional or alternative or emergent religions are so acute that there is even controversy over what to call them John Saliba strives to bring balance to these discussions by offering perspectives on new religions from different academic perspectives history psychology sociology law theology and counseling This approach provides rich descriptions of a broad range of movements while demonstrating how the differing aims of the disciplines can create much of the controversy around NRMs The new second edition has been updated and revised throughout and includes a new foreword by noted historian of religion J Gordon Melton For classes in religion or the social sciences or for interested individuals *Understanding New Religious Movements* offers the most objective introduction possible *A Parent's Guide to Harry Potter* Gina Burkart,2005-01-01 Explores the Christian parallels within the themes of the Harry Potter books and explains how parents can use these stories to address everyday issues and challenges with children *Harry Potter's Bookshelf* John Granger,2009-07-07 Harry Potter The name conjures up J K Rowling s wondrous world of magic that has captured the imaginations of millions on both the printed page and the silver screen with bestselling novels and blockbuster films The true magic found in this children s fantasy series lies not only in its appeal to people of all ages but in its connection to the greater world of classic literature *Harry Potter s Bookshelf The Great Books Behind the Hogwarts Adventures* explores the literary landscape of themes and genres J K Rowling artfully wove throughout her novels and the influential authors and stories that inspired her From Jane Austen s Emma and Charles Dickens s class struggles through the gothic romances of Dracula and Frankenstein and the detective mysteries of Dorothy L Sayers to the dramatic alchemy of C S Lewis J R R Tolkien and William Shakespeare Rowling cast a powerful spell with the great books of English literature that transformed the story of a young wizard into a worldwide pop culture phenomenon *Transfiguring Transcendence in Harry Potter, His Dark Materials and Left Behind* Mike Gray,2013-10-23 Three recent and commercially successful series of novels employ and adapt the resources of popular fantasy fiction to create visions of religious identity J K Rowling s Harry Potter books Phillip Pullman s Dark Materials and Tim LaHaye and Jerry Jenkins Left Behind series The act of creating fantasy counter worlds naturally involves all three stories in the creation of what Mike Gray terms transfigurations of transcendence hopeful albeit paradoxical encodings of the ambiguous non observable reality whose primary locus in modern society is the societally extra systemic human individual Popular fantasy fiction turns out to involve acts of world creation that are inherently religious and inherently paradoxical A substantive examination shows that all three are involved in more or less intentional re narrations of traditional Christian beliefs and narratives The atheist His Dark Materials series does not deny but re imagines the Christian visions of selfhood the traditionalist Left Behind series does not simply replicate but modifies its own declared values the apparent secularity of the Harry Potter series is shaped by its creative reception of Christian patterns and narratives While the stories visions of

selfhood clearly clash the basic paradoxes involved in their struggle to articulate transcendence expose significant parallels and a productive conversation with the Christian tradition It is not simply that popular fantasy fiction is theologically relevant the Christian Heilsgeschichte too proves to be highly relevant in popular culture However while far from obsolescent models of religious identity in contemporary society require criticism and creativity and as evinced most powerfully in the Harry Potter stories a flair for constructive engagement with paradox     *Ambiguity in »Star Wars« and »Harry Potter«* Christina Flotmann, 2014-03-15 The study combines theories of myth popular culture structuralism and poststructuralism to explain the enormous appeal of Star Wars and Harry Potter Although much research already exists on both stories individually this book is the first to explicitly bring them together in order to explore their set up and the ways in which their structures help produce ideologies on gender and ethnicity Hereby the comparison yields central insights into the workings of modern myth and uncovers structure as integral to the success of the popular genre It addresses academic audiences and all those wishing to approach the tales from a fresh angle
