El Evangelio en Solentiname Ernesto Cardenal,1975 *The Gospel in Art by the Peasants of Solentiname* Philip J. Scharper,1984 The Good Samaritan (Touchstone Texts) Emerson B. Powery,2022-04-12 The story of the good Samaritan in Luke 10 is one of Jesus s most well known parables It continues to fascinate readers with its powerful imagery and ethical significance In this exposition New Testament scholar Emerson Powery shows how this classic and beloved text can speak afresh to the life of the church today Powery explains that in every generation followers of Jesus need to be reminded that mercy is a natural consequence of faith Jesus s parable of the good Samaritan emphasizes this point in a dramatic way by placing an enemy as the central hero of the story Powery explores diverse interpretations of the good Samaritan carefully investigates this parable within the theology of the Gospel of Luke and connects the parable to contemporary events The book encourages readers to think through the ethical implications of this story for their own contexts The Touchstone Texts series addresses key Bible passages making high quality biblical scholarship accessible for the church The series editor is Stephen B Chapman Duke Divinity School **The Gospel in Solentiname (El Evangelio en Solentiname, engl.) Sanchez,2016-10-10 This commentary on the Gospels and Acts excerpted from the Fortress Commentary on the Bible The New Testament engages readers in the work of biblical interpretation Contributors from a diversity of perspectives connect historical critical analysis with sensitivity to current theological cultural and interpretive issues Each chapter Matthew through Acts includes an introduction and commentary based on three lenses ancient context the interpretive tradition and contemporary questions and challenges The Gospels and Acts introduces fresh perspectives and draws students preachers and interested readers into the challenging work of interpretation
Sandinista Narratives Jean-Pierre Reed,2020-10-21 Sandinista Narratives is an analysis of the role of agency in the Nicaraguan Revolution and its aftermath Jean Pierre Reed argues that the insurrection in Nicaragua was shaped by political contingency action specific subjectivity and popular culture He also examines how Sandinista ideology contributed to state building in Nicaragua while tracing the role of post revolutionary Sandinismo as a political identity Liberating Exegesis

Christopher Rowland, Mark Corner, 1989-01-01 This important book provides a sampling of liberation theology's use of biblical texts relating it to the standard methods of interpretation in Europe and America Divided into four sections the book sets out contemporary readings of the parable of Jesus influenced by a liberationist perspective identifies the biblical and theoretical foundations of liberation theology comparing them with the dominant exegetical paradigm in the first world explores the way in which liberation exegesis affects reading the canonical accounts of Jesus and argues that liberation theology cannot be seen solely as a third world phenomenon Cultural Interpretation Brian K. Blount, 2004-07-09 Building on insights into the social functions of language especially its interpersonal dimensions Blount constructs a culturally sensitive model of interpretation that provides a sound basis for ethnographic and popular as well as historical critical readings of the biblical text Blount's framework does more than acknowledge the inevitability of multiple interpretations it foments them His analysis demonstrates the social intent of every reading and shows the influence of communicative context in such diverse readings of the Bible as Rudolf Bultmann's the peasants of Solentiname the Negro spirituals and black church sermons Then Blount turns to Mark's account of the trial of Jesus where he shows how this hermeneutical scheme helps to assess the emergence and validity of multiple readings of the text and the figure of Jesus *Footprints of God* Charles E. Van Engen, Nancy Thomas, Robert Gallagher, 2011-07-27 Twenty five doctoral students from around the world recently set out to forge a new path toward a theology of mission As they blazed a new trail they discovered the footprints of God evidence that God was their trial guide Charles Van Engen led this group of mission practitioners pastors teachers and mission executives as they set out to discover answers to important questions such as What is theology of mission and What is missiology The team used a new approach to answer these questions employing narrative to integrate personal story community stories cultural stories and biblical stories Each writer brings his or her own unique context to bear on these important questions through personal story and by highlighting the work of a major missiologist who has impacted their life and work By drawing from personal stories the authors show how human factors affect missiology All of the chapters are set within a unique theological framework created by Charles Van Engen that focuses on mission of the way mission in the way and mission on the way This framework reveals that mission must be of the way Christ centered in the way happening among the peoples and cultures of the world and on the way moving forward over time through God's people as they anticipate Christ's present and coming kingdom If you are concerned about connecting the Bible theology and ministry with the complexity and variety of contexts facing Christians today then you will want to join this journey to discover the footprints of God As Van Engen says you will be encouraged to think theologically about mission and missiologically about theology *Culture, Human Rights and Peace in Central America* George F.
