**The Gossamer Thread** Anne Lowing, 1972      *Of Gossamer Thread* Ethel Messenger, 1993      The Spider's Thread Keith J. Holyoak, 2024-03-12 An examination of metaphor in poetry as a microcosm of the human imagination a way to understand the mechanisms of creativity In *The Spider's Thread* Keith Holyoak looks at metaphor as a microcosm of the creative imagination Holyoak a psychologist and poet draws on the perspectives of thinkers from the humanities poets philosophers and critics and from the sciences psychologists neuroscientists linguists and computer scientists He begins each chapter with a poem by poets including Samuel Taylor Coleridge Sylvia Plath Walt Whitman Emily Dickinson Robert Frost Theodore Roethke Du Fu William Butler Yeats and Pablo Neruda and then widens the discussion to broader notions of metaphor and mind Holyoak uses Whitman's poem *A Noiseless Patient Spider* to illustrate the process of interpreting a poem and explains the relevance of two psychological mechanisms analogy and conceptual combination to metaphor He outlines ideas first sketched by Coleridge who called poetry the best words in their best order and links them to modern research on the interplay between cognition and emotion controlled and associative thinking memory and creativity Building on Emily Dickinson's declaration the brain is wider than the sky Holyoak suggests that the control and default networks in the brain may combine to support creativity He also considers among other things the interplay of sound and meaning in poetry symbolism in the work of Yeats Jung and others indirect communication in poems the mixture of active and passive processes in creativity and whether artificial intelligence could ever achieve poetic authenticity Guided by Holyoak we can begin to trace the outlines of creativity through the mechanisms of metaphor      **Love Builders** ,      **An American Dictionary of the English Language** Noah Webster, 1875      Catholic World , 1910      **New Nash's Pall Mall Magazine** , 1898      Nature's Craftsmen Inez Nellie Canfield McFee, 1907      *Nature's Craftsmen* Henry Christopher McCook, 1907      *Job in the Light of Northwest Semitic* Walter L. Michel, 1987 Originally presented as the author's thesis Ph D University of Wisconsin Madison 1966      *The Seasonable Angler* Nick Lyons, 2013-06-01 Nick Lyons's first fishing book *The Seasonable Angler* is the story of a fisherman's year from the projects and fantasies of an angler's winter through the thrill of a June evening's rise on the Beaverkill and on to the pleasures and melancholia of autumn trout fishing In a book of spirited contrasts Nick Lyons recounts hilarious misadventures on opening day and on family trips as well as quiet moments when the fisherman becomes contemplative and close to nature Lyons captures the excitement of catching a first trout and the sadness of having killed at times too many fish There is an increasing respect for the natural world for conservation and for the spirit of the sport Throughout *The Seasonable Angler* Lyons evokes the humor and lore of a man who has loved fishing deeply since early childhood His book is not only for avid fishermen but also for everyone who appreciates fine writing about nature and who wants to understand what animates that strong clan of people who fish Skyhorse Publishing is proud to publish a broad range of books for fishermen Our books for anglers include titles that focus on fly fishing bait fishing fly casting spin casting

Lister-Kaye,2015-08-15 Gods of the Morning follows the year through the turning of the seasons at Aigas the Highlands estate John Lister Kaye has transformed into a world renowned wildlife center John s affection wisdom and lyricism sings off every page bringing the natural world around him to life from the rookery filled with twenty nine nests and distinct bird calls to descriptions of the winter morning light from the wood mice and the squirrels preparing for winter to tracking a fox s path through the snow In particular it brings John s lifelong love of birds his gods of the morning to the fore In the Highland glens bird numbers plummet as their food supplies natural fruits and every kind of creeping crawling slithering or flying bug begin to disappear By the first frosts the hills will have emptied down to a few hardy stalwarts such as the golden eagles the raven and the irrepressible hooded crows Silence settles across the land The few species that are left frequent a changed world Soon only the buzzards and wood pigeons will hang on in the woods and the coniferous forests will be host to flocks of chaffinches tits siskins and crossbills passing through The Darkening Spirit David Tacey,2013-06-26 The twenty first century could well be Jung s century just as the twentieth century was Freud s Jung predicted the demise of secular humanism and claimed we would search for alternatives to science atheism and reason We would experience a new and even unfashionable appetite for the sacred Educated people however would not return to unreconstructed religions because these do not express the life of the spirit as discerned by modern consciousness The sacred has developed a darker hue and worshipping symbols of light and goodness no longer satisfies the longings of the soul The new sacred cannot be contained by the formulas of the past but nor can we live without a sense of the sacred We stand in a difficult place between traditional religions we have outgrown and a pervasive materialism we can no longer embrace These changes in our culture have come sooner than Jung might have imagined In his time Jung struck many as eccentric or unscientific But his works speak to our time since we have experienced the full gamut of Jungian transformations the unsettlement of Judeo Christian culture the rise of the feminine the onslaught of the dark side the critique of modernism and positivism and the recognition that the Western ego is neither the pinnacle of evolution nor the lord of creation A new life is needed beyond the ego but we do not yet know what it will look like The outbreak of strong religion and terrorism are signs of the times but these are expressions of a distorted and repressed spirit and not one hopes genuine pointers to the future What the future holds is uncertain but Jung s prophetic vision helps to prepare us for what is to come and this will be of great interest to analytical psychologists and psychoanalysts as well as to theologians futurists sociologists and the general reader **The Flaming Sword** ,1900

adventures in the outdoors The stories are filled with true life antidotes of sport fishing and hunting experiences that encompass a large portion of a lifetime of adventure The author demonstrates his writing ability by letting the reader feel each story as they eagerly read through As each story is presented our ever present conservation concerns are addressed with emphasis on the philosophy of fair chase and outdoor ethics a philosophy any true outdoor adventurer will appreciate
