**D2** Phil McKinney II, 2019-03-12 Following Jesus is a lifelong journey of transformation Follow me These two words changed the lives of twelve unlikely individuals in the first century and they can change the course of your life as well Many people claim to follow Jesus but truly following him involves a commitment to transformational discipleship not just nominal acceptance Discipleship was the mission of Christ and therefore as disciples it is our mission as well both to be disciples and to make disciples Following as a disciple of Jesus

begins with hearing his call and then desiring to grow in our relationship with him. However, we are too often satisfied with simply receiving God's grace and neglect to give it back. We desire to gain all the privileges of a disciple minus the commitment to be one. As a result, we need to develop a consistent, coordinated and intentional plan for greater spiritual growth and discipleship focused on gaining an ever-increasing ability to apply God's Word to life. If you want more than sitting in pews and checking off church participation boxes, if you are ready to live the life Christ calls you to by following him with all your heart, soul, mind and strength, this book is for you.
