Schwarz, 2001-08 Four absolutely funny culturally outrageous who done it stories whose unique detective a lonely disrespected anti hero sees sacred beliefs turned upside down as he solves the mysterious deaths of a rich Tasty Cake deliveryman a woman supporting the correct causes a bum exposing the correct causes and a disillusioned volunteer involved in the correct causes *Lily's House Series Books 1-4* Rachel Branton, Her Dream Didn't Include Falling in Love Contains books 1 2 3 and 4 of the Lily's House series House Without Lies Lily's House Book 1 Lily dreams of a big house a place of refuge for runaway girls She knows what it's like to grow up feeling unloved and she now fills every space in her tiny apartment with endangered teens They don't have everything they need but together they have enough Or so she thinks until she meets Jameson and glimpses the mysterious something between them that just might mean real love Jameson who works as a teen counselor believes the only way Lily can really help the girls is by certifying as a foster parent and going through

the system But becoming legitimate may mean losing some of the girls to the families who threw them away and Lily hasn't worked hard to save the teens only to abandon them now It seems Jameson will be one more entry on the very long list of things Lily has given up for the girls What other choice is there when she is all they have When two of the teens' fathers come looking for them and another one's mother plans to put her daughter in danger Lily's life spins out of control They need a new home and fast A safe place A house without lies Tell Me No Lies Lily's House Book 2 Tessa Needs a Husband and Fast With her trust fund in jeopardy Tessa Crawford enters into a relationship with a mysterious neighbor that soon turns into something more dangerous than either of them could have imagined Two days before her wedding Tessa Crawford's world crumbles leaving her hurt and betrayed Worse if Tessa doesn't marry and receive her trust fund her sister Lily will lose her house and the homeless girls she helps will have nowhere to go But Tessa can't marry just anyone can she Gage Braxton the guy from next door is willing to help her out but rumors hint that he's an ex-con Tessa quickly finds herself attracted to a man who has no intention of ever falling in love or of passing on his terrible legacy When Tessa stumbles across evidence that may be proof of Gage's innocence suspects begin to line up Someone is willing to kill again to see that the truth remains buried and if Tessa doesn't hurry and solve the old murder she will lose not only her chance at love but may become the murderer's next victim Rachel Branton has created an exciting romantic story with a new take on a theme that never gets old Your Eyes Don't Lie Lily's House Book 3 Sometimes Survival Isn't Enough Years of living on the street and fending for herself have made Makay Greyson tough and resourceful if a bit disillusioned She's come a long way from sleeping in parks and scavenging for food Her entire focus is on providing a better life for her young brother one without fear of loss and neglect That certainly doesn't leave time for Harrison Matthews who from their first meeting sends fire through her veins and upsets all her carefully laid plans Makay has done things she isn't proud of to survive and those choices now threaten the small amount of security she's created and any chance of a future with Harrison They've been raised in two very different worlds and the secrets they both hide can only lead to disaster There is only one chance to make it right and one misstep could be fatal Your Eyes Don't Lie is a story about facing fears sacrificing for those you love and about a girl who thinks she isn't worth loving and a guy who knows she is Hearts Never Lie Lily's House Book 4 Some Secrets Aren't Meant to be Shared Caring for the animals at Safe Haven Exotic Wildlife Sanctuary has filled the holes in Zoey Morgan's life and soothed the memories that haunt her It helps that she works with Stephen Carey whose uncle owns the sanctuary and Declan Walker who is as wild and untouchable as the animals they help When a storm hits flattening buildings and flooding roads the sanctuary goes into lockdown Zoey learns that her younger sister is lost in the storm and she will risk anything to find her So will the man who loves her if she'd let him Can he slip past the walls Zoey has built to hide her secrets All Ruth wanted was to open a little cafe and do what she does best but the price tag is years out of reach Then a not-so-chance meeting with a gorgeous photographer and help from her hodgepodge family might just put the goal in reach Except now both her future and her

heart are at risk will the cost be too high A blind date gone wrong is not the way Bianca would have chosen to celebrate the news that she might be losing her business but saying no to the sister who took care of her after their mother's death proves impossible So for one date one torturous evening she'll endure the company of an infuriating heartless man she has no intention of ever seeing again She doesn't expect her heart to have other plans Sometimes the unexpected is not only what you need it's exactly what you've been waiting for all along You first met Zoey Ruth and Bianca as runaway teens in House Without Lies Now they are all grown up and finding love in this intertwined three story romance REVIEWS Oh my goodness How loved Zoey's place What a wonderful read The characters were vivid and real Both Zoey and Declan had endured some of life's worst tragedies perpetrated upon them by other people My heart ached for them Rachel however wrote them with no self pity but mature having overcome their hard pasts BRAVO Rachel People write about too many self pitying characters thank you for resisting the temptation Oh in addition it was a wonderful sweet love story ENJOY Rainwater House Without Lies is a clean contemporary romance with a satisfying ending no cliffhanger Feel good romantic book that lifts while at the same time addressing serious issues and deeper family connections You will love Lily and her girls There are sequels that tell the stories of other characters connected with Lily's House As one reviewer says these are Ideal for fans of Robyn Carr Mariah Stewart Sherryl Woods and Susan Wiggs EDITORIAL REVIEW Readers seeking inspirational women's stories with a broader focus than relationship building moments will find House Without Lies just the ticket It's filled with many different characters and diverse circumstances but the overall plot holds true to its intentions and presents a vivid story made all the more immediate by Rachel Branton's choice of using the first person to capture Lily's daily life and feelings Lily's accustomed to fighting for others can she fight for herself as well An engrossing read it's also a pleasure to add a note that while House Without Lies is part of a series it's actually a fine stand alone story that neatly concludes its plot Readers will want more but won't be required to hang off a cliff waiting for resolution and that's a huge bonus to the first book in this series D Donovan Senior Reviewer Midwest Book Review

Falcon Beings Garima Jaiswal, 2018-12-28 This is a Science Fiction novel concerning an era nearing 2080 when the Technology and Livings are much more developed A world wide project of 50 Countries in collaboration designed and built a shuttle to sent 11 best scientists on earth to a newly discovered planet holding standards to support life This planet is 18 light years away from Earth in anti galactic center direction lying in some other solar system This successfully launched spaceship has reached 12 ly in space and occurs something very appalling and revolting cutting off all the connections of these scientists from earth Now despite numerous attempts these 11 tellurians been unable to re-establish contacts with their parent planet At this far distance returning off course seems no great option So now with no connections no assistance from earth armed only with their resources they decide to take up an entirely new project a very big and magnificent one something humans would never have planned earlier before It was Project EOL Evolution Of Life
